OUR COMMITMENT

We will explain all options and answer questions to your satisfaction.

We will work to create a meaningful tribute to a life well lived.

We will care for each family and their loved one with compassion and respect.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

BASIC SERVICES OF THE FUNERAL DIRECTOR AND STAFF

\$ 1,635.00

Our services include: conducting the arrangement conference; planning the funeral; consulting with family and clergy; shelter of remains; preparing and filing of necessary notices; obtaining the necessary authorizations and permits; coordinating with the cemetery, crematory, or other third parties. In addition, this fee includes a proportionate share of our basic overhead costs. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (this fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains)
