

EXPLORING CATHOLIC EDUCATION?

ST. ROSE SCHOOL

COME DISCOVER OUR MERCY MISSION IN ACTION.

7+ LOCAL PARISHES. 9+ LOCAL CITIES.
ONE ST. ROSE COMMUNITY.

COME SEE WHAT MAKES OUR SCHOOL SPECIAL.

COMMON QUESTIONS. CLEAR ANSWERS.

Do we need to be sure before we tour?	Not at all. A tour gives you time to explore, ask questions, and discern whether St. Rose School is right for your family.
Can we make Catholic school work for our family?	Parishioner tuition rates and financial assistance may make a St. Rose education more accessible than you expect.
Will there be a place for our child?	Most grades have room to grow! A few grades are currently full, so starting early gives your family more options.
Will the admissions process be complicated?	We're here to help! Our admissions team will answer your questions and guide you through each step.
