Bluegrass "Straight outta Kansas"

Hailing from Hays, Kansas, 80 Proof Alice is a high-energy trio performing all types of music blended into a bluegrass style. Tyson Lesage brings a dynamic style to the group with his lively Flatpicking, coupled with the tasty banjo stylings of the 2022 Kansas State Banjo champion, Jason Riegel. Aimee Riegel rounds out the group with steady bass beats, soulful vocals, and harmonies.

The trio released their first self-titled EP in March 2024, a full live album in December 2024, and their first studio album "From Nowhere" has received high acclaim, being featured on radio stations around the world.
