

What our customers are saying...

Mr. & Mrs. Berlin, MI

"My wife and I weren't sure your product would work. We have a steep metal roof. After it was installed, I checked during a 3 hour rainfall. No overflow. It really works."

Mr. & Mrs. O'Reilly, TN

"Every year we used to pay to have our gutters cleaned spring and fall.. thanks."

Mrs. Weber, MN

"We purchased your product, and weeks later three of our neighbors did the same!"

Mr. Riley, AL

*"Most of the other gutter covers we looked at had to be screwed to our roof. I was worried about leaks. Your **Shur Flo** fits in the gutter. I can't even see it on my house."*

Mr. Henderson, OH

"Just to let you know, the contractor did a great job! He cleaned and inspected our gutters, installed your product and it was not very expensive."

SHUR FLO

Gutter Protection System

Strong, Effective and Affordable

MADE IN USA

Cleaning your gutters is hazardous, dirty and time consuming.

The end to clogged, overflowing gutters!

- No more ladders to climb
- No more gutters to clean
- **Shur Flo** keeps your gutters free-flowing
- Adds years of life to your gutter system
- Professionally installed by a factory trained contractor

25 year warranty

Another product from U.S. Aluminum, for 35 years a leading manufacturer of quality aluminum rain gutter products. It is a warranty you can depend on.

How **SHUR FLO** works...

Rainwater from your roof drains through our patented perf-flow filtration system.

Leaves, pine needles and twigs stay on the top of the panel. **Shur Flo's** contoured design promotes air circulation from above and below. Dry leaves will blow away with a gentle breeze.

Shur Flo is installed to fit snugly to the top of your gutters. The low profile makes it virtually invisible from the ground.

With **Shur Flo**, there is no lifting or penetration of your roof shingles. **Shur Flo will not** void any roof warranties.

Frequently Asked Questions...

Will anything clog **Shur Flo**?

No, the perf flow drain holes allow only water to enter your gutters. Your gutter will always remain free flowing.

Will **Shur Flo** work during heavy rainfalls?

***Shur Flo** can handle record rainfall amounts.*

Will I have to replace my gutters?

*No! **Shur Flo** can be installed on 5" or 6" gutters. Unless damaged, there is no need to replace your existing gutters.*

How long will **Shur Flo** last?

Manufactured with hi temper aluminum, it will never rust, rot or distort. WE GUARANTEE IT!

Will **Shur Flo** work with metal, shake or tile roofs?

*Yes, **Shur Flo** is installed on top of your gutters. It performs well with any type of roof material or roof pitch.*

Will **Shur Flo** work when covered with wet leaves or pine needles?

*Yes! Testing shows **Shur Flo's** filtration system keeps working even when covered by wet leaves and debris.*
