November at MC United ⚽

Another season of MC United has come and gone. THANK YOU

- to families for all you do for your athletes. Whether it be driving to practice/games. Cheering in the freezing cold, rain, wind, blasting heat and everything inbetween, players know they can count on you.
- to coaches. Your dedication and commitment to the game, players and the club is appreciated. You are the backbone to our club.
- to managers. Your timely messages pertaining to game changes, field locations, useful tips and registering teams is so valued.
- to volunteers. Our Fall Cup was a tremendous success thanks in part to all our volunteers. You made it happen.
- to players. You showed up willing yourself to learn and get better for not only you but the team. You rock.

WINTER TRAINING

This year, we are pleased to offer winter training options for our players. MC United age-specific training is 1x per week on the turf. Still time to register! There are other options to get better over the winter as well. We have teamed up with Dawn Crow and UWSP to offer a shooting, skills and Dutch Camp AND have teamed up with CTI to offer performance training. See the flyers below and register on Playmetrics under PROGRAMS.

CONGRATS TO ALL TEAMS ON A GREAT FALL!

SPRING REGISTRATION OPEN NOVEMBER 9-DECEMBER 6

Spring registration begins this month! Registration is available on the website or through your account on Playmetrics. NOTE: For those who registered for a full year (fall + spring), you WILL NOT have to complete any additional information.

If you registered for the fall only and want to now register for spring as well, great! You will complete the registration process for Spring in Playmetrics!

If you did not play in Fall but would like to play in Spring, welcome! We have recently switched to the Playmetrics Operating System. You will have to create an account and follow the prompts for registration. This works best on a computer rather than a phone.

If you have any questions regarding registration, please contact Tina, admin@mcunitedsoccer.org and she can help!

GAME PERFORMANCE

Training with CTI

One of the best things athletes can do in the offseason? Performance Training! CTI will provide winter performance sessions focused to physical qualities that carry over the field: balance, coordination, vertical and horizontal jumping and change of direction. Each age group runs 1 hour - no soccer balls are used. This is speed, agility and performance work!

CENTRAL WISCONSIN FINISHING & GOAL KEEPER CAMP

Take your game to the next level this winter with the Central Wisconsin Finishing & Goalkeeper Camp with Dawn Crow & UWSP staff/players. This specialized training camp will focus on developing the skills, confidence and techniques needed to make an impact in front of the goal.

FIELD PLAYERS will work on finishing techniques, shot placement, accuracy, power and decison-making in game-like situations.

GOALKEEPERS will receive specialized training focused on shot stopping, positioning, reaction time, handling and footwork.
