

 CLIENT SUPPORT

# Your Health. Your Recovery. Your Support Team.

Integrated medical, mental health, and medication support designed for people in recovery.

Trusted Care. Coordinated Support. Focused On Your Healing.

# Care Designed for Your Recovery

We work closely with your treatment program to make sure your medical and mental health needs are met without unnecessary delays or confusion.

## What You Can Expect

### Access to Medical & Mental Health Providers

- Regular access to doctors, nurse practitioners, and mental health specialists
- Support with ongoing medical needs, prescriptions, and follow-up care
- Urgent appointments available when you need

### Mental Health Support

- Psychiatric evaluations
- Medication management
- ADHD assessments
- Coordination with therapists and counsellors

### Primary Care Services

- Prescription refills
- Lab testing and results
- STI testing
- Medical forms and documentation
- Urine drug screening when required

### Onsite Nursing Support

Our nursing team may be available directly at your home or facility to provide:

- Vital signs monitoring
- Diabetes and insulin management
- Wound care
- Injections such as:
  - Sublocade
  - Long-acting mental health medications

## Your Recovery Matters

Our team is here to support your health, your stability, and your progress – today and beyond.

**SAME DAY APPOINTMENTS AVAILABLE**

## Our Focus

### Addiction Recovery

Joe's Specialty Pharmacy focuses only on addiction recovery and mental health care.

That means:

- Accurate, reliable medication delivery
- Clearly organized packaging to help you stay on track
- Pharmacists who understand recovery and treat you with respect
- Confidential, compassionate care

Medications are delivered safely and managed in coordination with your care team so you can focus on healing — not logistics.

# We Work With Your Treatment Team

**VPACPlus** and **Joe's Specialty Pharmacy** communicate closely with your counsellors, case managers, and program staff. This teamwork helps ensure:

- Fewer gaps in care
- Safer medication use
- Smoother transitions during discharge and aftercare

**All services are confidential and coordinated with your treatment program.**

## You Are Not Doing This Alone

VPACPlus and Joe's Specialty Pharmacy work as part of your support team — helping you stay healthy, stable, and focused on recovery.
