

 CORPORATE PARTNERSHIP

Comprehensive Clinic + Pharmacy Offering

Integrated Care That Strengthens Recovery

Built for Recovery + Mental Health Programs

The Advantage of Partnering With Us

VPACPlus

Integrated Care That Strengthens Recovery

At VPACPlus, we believe effective recovery starts with access to the right care at the right time. Our multidisciplinary clinic model is built specifically for addiction treatment and mental health programs, providing streamlined medical access, consistent clinical oversight, and dependable support for both staff and residents.

We don't just support treatment — we become part of your team.

Joe's Specialty Pharmacy

Built for Recovery + Mental Health Programs

Recovery is about more than medication — it's about trust, consistency, and teamwork.

At Joe's Specialty Pharmacy, we partner exclusively with addiction treatment and mental health programs. That means no retail distractions — just focused, reliable support designed to strengthen both clinical workflows and patient outcomes.

Our mission is simple: to make your job easier and your patient outcomes stronger.

A Reliable Partner

At **VPACPlus** and **JOE'S SPECIALTY PHARMACY**, we understand the complexities of addiction recovery and mental health care. Our dedicated clinic and pharmacy teams work as an extension of your program — delivering consistent, compliant, and compassionate support at every stage of care.

With a multidisciplinary clinical staff that includes addiction physicians, nurse practitioners, nursing staff, psychiatrists, and a fully staffed specialty pharmacy team, we are equipped to support both your patients and your operations with confidence and care.

When you partner with us, you gain more than a clinic and pharmacy service — you gain a committed healthcare partner focused on collaboration, reliability and better outcomes for the people you serve.

We believe in supporting the facilities we serve.

Our partnerships go beyond care — ask us how we give back.
