Trip Overview

Do you dream of a remote island paradise where you can relax and unwind?

Have you always wanted to swim with whales?

Majestic can help make those dreams a reality.....

Come and experience the joy of swimming alongside one of the ocean's most magnificent creatures.

Once you arrive in Tonga, we'll arrange a seamless transfer to a hotel near the airport so you can rest after your journey. The next morning, you'll take a scenic flight to Ha'apai — a remote paradise where all the magic begins. Spend seven nights at a beautiful beachfront resort on the island of Foa, set along one of the most stunning stretches of sand in the entire Tongan archipelago. From your doorstep, step into crystal-clear waters, explore the reef, or simply relax under the palms with a book in hand.

For five unforgettable days, you'll venture out on our exclusive private charter boat, reserved solely for our guests. This means no sharing with other groups — just you, our experienced local crew, and the freedom to immerse yourself in intimate encounters with the majestic humpback whales.

Between swims, enjoy the tranquility of the open ocean, paddleboarding or kayaking in pristine lagoons, and soaking up the serenity of this untouched island paradise — a truly once-in-a-lifetime experience.
