Niue~ an untouched
paradise

Welcome to Niue – The Rock of the Pacific

Affectionately known as ‘The Rock’, Niue is a hidden gem whose name beautifully translates to “behold the coconut.” Tucked away in the heart of the South Pacific, this untouched island is one of the world’s best-kept secrets—once discovered, it leaves a lasting impression.

“Its where people arrive as visitors and leave as friends “

Matavai Resort

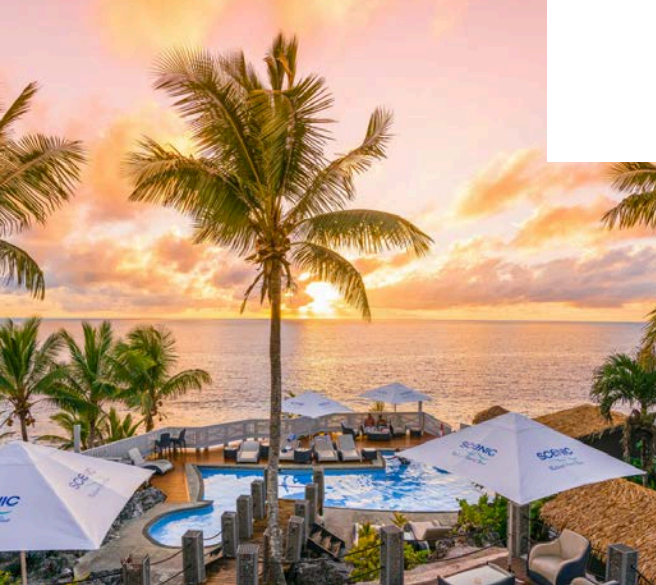

Scenic Matavai Resort Niue sits on a dramatic clifftop with uninterrupted views over the Pacific Ocean and some of the most beautiful sunsets in the South Pacific. Surrounded by lush tropical gardens and native trees, the resort feels peaceful and private, with plenty of places to unwind – from the oceanfront pool and sun loungers to quiet corners and private balconies with sweeping ocean views.

A favourite for dining, drinks, and live entertainment, the resort is ideal for couples, solo travellers, and friends looking to relax, reconnect, or explore. From June to October you can often watch humpback whales and other marine life right from the resort, turning a sunset drink or morning coffee into a once-in-a-lifetime wildlife encounter.

Conveniently located just 5 km from Hanan International Airport and 7.5 km from Alofi, Scenic Matavai Resort Niue is an easy base for discovering the island's chasms, caves, swimming coves, and walking tracks – or simply doing very little and enjoying the view.

Onsite, the Dolphin Restaurant offers a relaxed setting with a menu that combines fresh Niuean flavours and European favourites, with options for different tastes and dietary needs. Start your day with breakfast overlooking the ocean, enjoy a casual lunch by the pool, then return in the evening for à la carte dining or one of the resort's themed dinner nights with live cultural performances.

As the sun goes down, the Pool Bar is the place to be for cocktails, New Zealand wines, cold beers, and mocktails. The resort welcomes families, with a kids' menu and spacious grounds to explore, while couples and solo travellers can always find a quieter spot to soak up the views and Niue's slow, easy pace.

Watch whales and other marine life right from the resort!

Why You'll Love Niue

- Easy & Accessible

Just over 3 hours from Auckland with direct flights on Air New Zealand. NZ currency is used, English is widely spoken, and getting around is simple.

- Warm All Year Round

Enjoy a tropical climate and an average water temperature of 23°C. The warmth extends beyond the weather—Niueans are known for their genuine hospitality.

- Crystal-Clear Waters

Niue boasts some of the clearest water in the world, perfect for snorkelling, diving, or simply admiring the ocean. Fresh, drinkable tap water adds to the ease.

- Whales & Dolphins, Just Offshore

From July to October, humpback whales migrate through Niue's waters—and this is one of the rare places where you can swim with them in a peaceful, uncrowded setting. Even outside whale season, resident spinner dolphins can often be seen (and sometimes swum with), making ocean encounters here truly unforgettable.

- Nature Like Nowhere Else

Sea caves, coral reefs, and reef pools teeming with tropical fish are just the beginning. Niue's unique geological features and marine biodiversity make every day an adventure.

- No Crowds, No Stress

With no traffic lights, queues, or tourist crowds, you'll often feel like you've discovered a secret island paradise all to yourself.

- Genuine Cultural Connection

Locals welcome you like family, offering a rare opportunity to experience and participate in daily life and community traditions.

- Space to Reconnect

Whether you're travelling solo, as a couple, or with family, Niue's calm and grounding atmosphere makes it the perfect place to reconnect—with nature and with each other.

- You'll Never Forget It

Niue has a way of staying with you. You'll arrive as a visitor, leave as a friend, and start dreaming of your return.

Sustainability in Niue

Niue is proudly committed to preserving its pristine environment and marine life. As one of the world's first self-declared whale sanctuaries, the island places a strong emphasis on conservation, responsible tourism, and community-led protection of natural resources. From ethical whale swim practices and reef-safe tourism to plastic reduction initiatives and the protection of endemic species, Niue leads by example in showing how a small island can make a big impact. Visitors are encouraged to tread lightly, respect local customs, and experience the island in a way that honours its people, wildlife, and future.

The whales and dolphins of Niue

From July to September, Niue becomes one of the few places in the world where you can swim with migrating humpback whales in calm, crystal clear waters—without the crowds.

Resident spinner dolphins are also regularly seen year-round and sometimes join in-water encounters.

With deep ocean just metres offshore, whale watching and dolphin swims are both incredibly accessible. Even from land, you can easily spot whales cruising close to the coast.

What to Expect:

- Small, respectful tours run by licensed local operators
- Tour duration approximately 3-4 hours daily
- Crystal-clear waters and up-close encounters
- Resident dolphins often seen and occasionally swum with

Whale Swimming Guidelines:

- Swims only allowed with certified operators
- Max 6 swimmers in the water at one time
- No diving or loud noises—calm, surface-level swims only
- Swims last up to 30 minutes (5 minutes for calves)
- Minimum age: 10 years

All experiences follow Niue's whale protection regulations to ensure encounters remain safe, ethical, and sustainable for both guests and marine life.

Why choose us?

When it comes to adventure and travel, you want to make sure you're choosing a team that has a passion for travelling, but at the same time respects wildlife and the environment.

Not only that, but Majestic and its team also have nothing but respect for the waters and the creatures that live in them. With their years of being in the industry, their knowledge and love of the whales ensures travellers only leave with a humbling and exhilarating experience.

Most importantly, Majestic Whale Encounters has used its platform to give back to countries that have played host to them and their groups of travellers. Through their quality tour packages and love for marine wildlife and the environment, they have contributed to reef rehabilitation and environmental education and have made donations to local villages in need.

Majestic Whale Encounters was first established by sisters Carmen and Sarah, who both have a passion and deep appreciation for travel, the environment, the ocean, and most importantly, the large marine life. From a simple passion, it turned into their full career. Now, they are Australia's largest Whale Swimming Company and have taken many guests to beautiful destinations all over the world, including Tonga, Tahiti, Norway and Antarctica. All of which are locations that offer life-changing and unforgettable experiences such as swimming with humpback whales, dolphins and orcas.
