## Meet the team

Welcome to Majestic Whale Encounters!  
We are a family-run business founded in 2013 that specialises in creating memorable and exceptional bespoke adventures.

From the moment you arrive to the moment you depart, every detail of your journey is thoughtfully taken care of. Our team will be by your side throughout, ensuring your experience is seamless and memorable, so you can simply relax, immerse yourself and be fully present.

At Majestic Whale Encounters, we specialise in intimate, immersive journeys that connect you with the ocean and its wildlife. Our experiences are guided by a strong ethical foundation: we operate in strict accordance with local regulations and marine wildlife guidelines, always prioritising the wellbeing of whales and the environments they call home. Respect, patience and education are at the heart of everything we do. We believe extraordinary encounters must always honour and protect the animals we are privileged to meet.

With a focus on small groups, expert guidance and genuine connection, we create private tours that are as responsible as they are unforgettable.

Join Carmen, Sarah and our dedicated team for a truly remarkable experience...one that will stay with you long after you return home.

# Trip Overview

Have you always wanted to swim with whales? Do you dream of a remote island paradise where you can relax and unwind?

Majestic can help make those dreams a reality.....

Come and experience the joy of swimming alongside one of the ocean's most magnificent creatures. Once you arrive in Tonga, we'll arrange a seamless transfer to a hotel near the airport so you can rest after your journey. The next morning, you'll take a scenic flight to Ha'apai, a remote paradise where all the magic begins.

Spend seven nights at a beautiful beachfront resort on the island of Foa, set along one of the most stunning stretches of sand in the entire Tongan archipelago. From your doorstep, step into crystal-clear waters, explore the reef, or simply relax under the palms with a book in hand.

For five unforgettable days, you'll venture out on our exclusive private charter boat, reserved solely for our guests. This means no sharing with other groups — just you, our experienced local crew, and the freedom to immerse yourself in intimate encounters with the majestic humpback whales.

Between swims, enjoy the tranquility of the open ocean, paddleboarding or kayaking in pristine lagoons, and soaking up the serenity of this untouched island paradise, a truly once-in-a-lifetime experience.

Each bungalow opens onto a private terrace with stunning views of the crystal-clear Pacific Ocean, and a secluded path leads you directly to the water — with a vibrant snorkelling reef just steps away.

Right outside your door, a house reef beckons you to dive in and explore a colourful underwater world teeming with marine life.

Inside, the bungalows are thoughtfully furnished with tiled floors, either one king-sized bed or two twin beds, and practical amenities including a table and chairs, fan, wardrobe, and tea and coffee-making facilities.

The spacious ensuite bathrooms feature a large washbasin, toilet, and fully tiled shower with reliable solar-powered hot water and excellent water pressure.

As you enjoy meals in the open-air restaurant, you may be treated to the unforgettable sight of passing whales, creating a breathtaking backdrop for a truly magical island experience.
