The annual registration fee is paid at the time of registration to reserve available student space.

Tuition is calculated annually. Some families choose to pay the entirety of the annual tuition cost up front. Most pay monthly installments, in advance of the following month.

The first tuition payment is due May 1<sup>st</sup> of each year. The second payment is due August 1<sup>st</sup> and each month thereafter, through April 1<sup>st</sup> for a total of 10 monthly payments.

You are able to make payments online through your student and family Brightwheel account created in collaboration with our administration team during the enrollment process.

Thank you for trusting the  
Vanderbilt Learning Center with  
your most precious blessings!
