

The Fair Navigator provides a convenient overview of:

**Exhibitor directory**  
**Expert presentations**  
**Theme booth assignments**  
**Theme Company assignments**  
**Job market**  
**Hall plan**  
 and much more information.

It is designed to accompany the fair and ensure an optimal overview of the exhibiting companies and associated expert presentations.

For post-processing of the fair, the Fair Navigator can provide valuable services, especially in the area of company entries. Already two to three weeks before the fair, the Navigator can be found on our website ([www.meorga.de](http://www.meorga.de)) in digital form. The printed version will be handed out to all visitors during check-in.
