### Our Mission

We create connections, empowering everyone in the Autism community with the resources needed to live fully.

## OUR SERVICES

We serve individuals with autism and their families in Mahoning, Trumbull, and Columbiana counties.

### Information and Referral Helpline

Our staff works collaboratively with families, health professionals, public agencies, the media, public and private schools, and the general public to provide support and provide reliable and accurate information about autism and its related issues. We can assist with understanding school choices, therapy providers, county services and more. We are often the first call for a family to find an assessment provider and then continue to help them through options.

### Mahoning Valley Warrior, Our Flagship Fundraising Event!

This annual event is for everyone. In addition to athletic competitions, it is also an opportunity for the autism community to come together for a morning of fun, education and community support. Features include 5K, Kids Fun Run, Autism Support Walk, Family Carnival and MUCH MORE!

Our annual inclusive day camp is dedicated to offering a “right of passage” day camp experience for individuals with autism and their compassionate, neurotypical friends. Camp weeks offer all the activities children enjoy about summer camp, but include the added bonus of an autism-qualified staff that is fully equipped to supportively manage the needs of campers.

Autism Society of Mahoning Valley addresses the pressing concerns of special needs parents through the Sophia's Gift Project, supporting financial, legal, and end-of-life planning. Inspired by a local single dad's struggle, the project offers free family workshops led by attorneys each fall, guiding parents on STABLE accounts, legal guardianship, and setting up trusts. The Sophia's Gift Family Planning Grant provides life planning at no or reduced cost.
