

Reminder

Our winter season runs from October 15th to April 14th. Customers have until May 31st as a grace period to launch. After that date, dry summer rental charges start at \$4 per ft. per week from April 15th until the date you are launched. NO EXCEPTIONS.

Please note: all balances and accounts are to be paid in full when your boat is hauled. Interest will be charged at 1.5% per month on all unpaid balances. Before launching, the area around your boat must be clean or a charge will apply. NO EXCEPTIONS.

NO BOATS ARE TO BE LEFT PLUGGED IN WHILE UNATTENDED. Extensive use of electricity is extra. NO ELECTRIC HEATERS ALLOWED.

DIRECTIONS

From the North: Take the Garden State Parkway South to exit 123 (Rt. 9 South). Continue on Rt. 9 until Ernston Road exit/all turns. Take the exit and bear left. At the light make a left on Ernston Road. Follow for two miles. Make a right into Harbor Club condos. This is Gondek Drive. Follow the road for one mile, bearing right until the end. Turn right for the Office/Ship's Store.

From the South: Take the Garden State Parkway North to exit 120. At the end of the exit make a left onto Lawrence Harbor Parkway. Follow road for two miles, taking jug handle to Rt. 35 North. After crossing a drawbridge look for the second traffic light. Take jug handle to Rt. 35 South. Take the Ernston Road exit and make a right at the stop sign. Make a left into the Harbor Club condos. This is Gondek Drive. Follow the road for one mile, bearing right until the end. Turn right for the Office/Ship's Store.

Shrink Wrapping** \$17/ft. and up

Expertly done with framing, vents, and padding. Boats are
wrapped down past the water line for complete coverage.
Prices vary due to hard tops, bridges, radar arches, doors, etc.
**Subject to \$35 Recycling Fee.

Shrink Wrap removal (upon request) \$100

AS A REMINDER:

If we are servicing your boat we need:

-Signed and completed work order and checklist

-Keys or combination to locks

-Keep batteries aboard and charged until work is completed

Note: Boats are to be in a clean and sanitary condition
before servicing. Sanitation systems must be pumped and
cleaned. All access to engine compartments must be open
and clean. Failure to satisfy these conditions will hold up
servicing, and result in cleaning and additional service
charges, some to be billed at the hourly rate. All prices
subject to change. Environmental compliance charge will
apply.
