

**He heals the
brokenhearted and binds
up their wounds."
— Psalm 147:3**

As we step into April, we are reminded of the powerful message of healing and restoration that the Easter season brings. At GBCH&FM, we see every day how God is able to bring hope into broken situations and begin the process of restoring hearts, families, and futures.

Thank you to each of you who faithfully prayed with us last month. Your prayers are a vital part of this ministry. Because of your faithfulness, children and families across Georgia are surrounded by a community of believers lifting them up before the Lord.

Every day, our staff and caregivers serve on the frontline of ministry—welcoming children who have experienced hardship, walking alongside families through difficult seasons, and helping create environments where healing can begin. While their work is hands-on, the transformation we pray for is deeply spiritual.

That's why we continue to invite churches, Sunday school classes, and believers across Georgia to stand with us through The Prayerful Frontline. Even if you never step onto one of our campuses, your prayers allow you to stand beside those who serve there every day.

Through this initiative, we provide monthly prayer themes and resources to help your church pray intentionally for the children, families, and staff we serve. Prayer strengthens and sustains this mission.

April Theme: Healing & Restoration

This month, we invite you to pray for healing and restoration in the lives of the children and families in our care.

- That children who have experienced trauma would begin to experience deep emotional and spiritual healing
- That families working toward restoration would find strength, wisdom, and hope for the journey ahead
- That God would bring peace and stability to children learning to trust again
- That our staff and caregivers would be vessels of compassion, patience, and Christ's love each day
