

"Commit to the Lord whatever you do, and He will establish your plans." — Proverbs 16:3

As a new school year begins, August reminds us of the opportunities God provides through education. Classrooms become places of learning, growth, encouragement, and new beginnings. Across Georgia, students, teachers, caregivers, and our campus schools are preparing for another year of helping children grow academically, emotionally, and spiritually.

Thank you for faithfully standing with us in prayer. Your prayers are an essential part of this ministry and provide encouragement and support for the children, families, staff, and educators we serve. Together, we are trusting God to guide every student, strengthen every teacher, and provide wisdom for those who invest in the next generation.

At Georgia Baptist Children's Homes & Family Ministries, we believe education is about more than academics. It's about equipping children with the confidence, stability, and support they need to succeed in school and in life. Our campus schools, houseparents, counselors, tutors, and staff work together to help every child reach their God-given potential.

That's why we continue to invite churches, Sunday school classes, and believers across Georgia to stand with us through The Prayerful Frontline. Even if you never step onto one of our campuses, your prayers allow you to stand beside those who serve there every day.

Through this initiative, we provide monthly prayer themes and resources to help your church pray intentionally for the children, families, and staff we serve. Prayer strengthens and sustains this mission.

August Prayer Focus: Education

This month, we invite you to pray for students, teachers, and our campus schools as they begin a new school year.

Please pray:

- That students would grow in wisdom, confidence, and a love for learning.
- That teachers, tutors, and school staff would have wisdom, patience, and strength as they invest in each child.
- That our campus schools would provide a safe, nurturing environment where students can thrive academically, emotionally, and spiritually.
- That every child would know they are loved, valued, and created with a purpose.
