

“Let us not grow weary of doing good, for in due season we will reap, if we do not give up.” — Galatians 6:9

As February unfolds, we’re reminded that this month is often associated with love, faithfulness, and service—values that are lived out daily through the work of those who care for children and families at GBCH&FM.

We are deeply grateful to those of you who joined us in prayer last month. Your faithful prayers matter more than you know, and they continue to strengthen the work happening across our campuses.

Each day, our staff and caregivers step onto the frontlines of ministry—meeting children in crisis, offering stability in moments of uncertainty, and walking alongside families as healing begins. While their work is physical and emotional, it is also deeply spiritual.

That’s why we’re inviting churches, Sunday school classes, and believers across Georgia to continue standing with us through The Prayerful Frontline. Though many of you may never serve on our campuses, your prayers allow you to stand shoulder to shoulder with those who do.

February Theme: Staff & Caregivers

This month, we invite you to lift up the counselors, caregivers, and staff who faithfully serve children every day.

- For strength and endurance as they care for children with compassion
- For wisdom and patience in challenging moments
- For renewal and encouragement in their calling
- That they would experience God’s peace and presence in their work
