

"Let us not grow weary in doing good, for at the proper time we will reap a harvest if we do not give up." — Galatians 6:9

September is a reminder that we were never meant to walk through life alone. Strong communities are built when people come together to support, encourage, serve, and care for one another. At GBCH&FM our mission is strengthened by an incredible community of churches, donors, volunteers, foster families, staff, and ministry partners who faithfully stand beside us.

Each person plays an important role in helping children and families experience hope, healing, and belonging. In FY2025, GBCH&FM served 577 clients and provided 57,323 days of care. Behind every one of those numbers is a story—a child who needed stability, a family who needed support, and a person who needed someone to step in and say, "You are not alone."

That kind of impact doesn't happen because of one person or one organization. It happens when we stand together.

Every act of kindness matters. A volunteer who gives their time, a church that collects supplies, a donor who gives generously, a foster family who opens their home, or a believer who faithfully prays—all of these acts help strengthen the ministry and create brighter futures for children and families across Georgia.

That's why we continue to invite churches, Sunday school classes, and believers across Georgia to stand with us through The Prayerful Frontline. You may serve on a campus, support from your local church, give financially, volunteer your time, or simply pray—but every role matters.

September Prayer Focus: Community Support

This month, we invite you to pray for the people and communities who make this ministry possible.

Please pray:

- **For our church partners** — that God would strengthen and encourage churches as they serve children and families in their communities.
- **For our volunteers and foster families** — that God would give them strength, patience, wisdom, and encouragement as they give their time and open their hearts and homes.
- **For our donors and ministry partners** — that God would bless their generosity and continue to use their gifts and resources to meet the needs of children and families.
- **For our staff and caregivers** — that God would provide renewed strength, wisdom, and encouragement as they faithfully serve each day and help bring hope, healing, and belonging to those in our care.
