

Helping nonprofits raise sustainable funding through relationship-focused marketing and development services

KMMK Communications helps nonprofit organizations raise sustainable funding using a comprehensive suite of relationship-focused strategic planning, communications and development services.

Drawing on nearly 25 years of experience in the communications industry, KMMK Communications provides hands-on assistance to help nonprofit organizations that need an extra hand doing some marketing tasks but can't afford to hire a full-time employee.

About KMMK

Founder Kelly Kostanesky combines a marketer's strategy with a storyteller's voice to help busy nonprofit leaders who are wearing multiple hats still find ways to connect with their donors.

Her goal is to help nonprofits shine a light on the work they are doing and reach the people they need to advance their mission.
