Your guide to voting for the arts

About the 2026 Congressional Arts Report Card

The **Arts Action Fund PAC's 2026 Congressional Arts Report Card** is an analysis and scorecard of how current incumbent Congressional candidates took positions on pro-arts legislative activities. We evaluated 16 legislative arts indicators in the House and 9 indicators in the Senate. A bipartisan total of 251 pro-arts House Members and 69 pro-arts Senators received a 👍 single or 👍👍 double thumbs up this year.

The stakes are high as we move closer to the midterm Congressional elections culminating on Tuesday, November 3, 2026. Because each state's rules and deadlines for administering federal elections can be quite different from one state to another, it's important to make an effective plan to vote.
