Golf Club Rules 2026

To all members of the Blue Valley Golf & Country Club we wish you many happy rounds of golf in 2026.

In order for everyone to play & enjoy their golf here at Blue Valley Golf & Country Club, we need to all follow a set of basic rules as per below.

- Your annual subscriptions must be fully paid up at all times.
- Should you make use of the Pre-Paid Composite Green Fee option the following will apply:
 - The purchased rounds must be paid in advance.
 - Players may only make bookings on days when the course is available & there are times available on the tee sheet.
 - Should the course be booked for a corporate golf-day, or the course is closed, no play will be allowed.
 - **All players must report in person, register & pay at the golf desk prior to commencement of play.**
 - A round will be opened & the player must enter a score on completion of the round.
 - No player can venture onto the golf course without adhering to these rules.
- Bookings are available for all members 14 days beforehand & Saturday mornings are reserved for members until 06:00hours on the preceding Monday. All member bookings can be made via the Clubmaster App or by emailing the club on bvgolf@icon.co.za or by calling the golf desk on 082 964 3267
 - Members may only book **one** fourball at a time (in their own name). Should a member require any additional fourball bookings, all the players' names must be added to the tee sheet when booking.
- **If a player or any of his/her guests do not arrive for their booking, the member will be charged for these No Shows.**
- **The No Shows must be paid up before the member will be allowed to make any further bookings.**
- As a standard, the golf course is closed on Mondays for maintenance, unless it is a public holiday, in which case the course will be closed the following day.
- No play is permitted when the course is closed under any circumstances.
- Players are to arrive & register for their round a minimum of 15 minutes before their tee time. Should a player be late, the club reserves the right to substitute the tee time with an alternate player.

We trust these simple rules will assist you & your guests to have an enjoyable round of golf here at Blue Valley Golf & Country Club.

Thank you,

Management
