

REALORON® BIBLICAL EDUCATION.

Dear Christian Leader,

Across the world, millions of churches are working to evangelize communities, disciple believers, and prepare the next generation of Christian leaders. Yet many pastors and ministry leaders continue their work without access to structured, comprehensive biblical education.

RealOron International Ministries, Inc.® exists to help close this critical educational gap.

Our mission is clear: *"Ending Biblical Illiteracy, Building Successful Christians."*

RealOron® has developed an eight-level accredited biblical education platform that provides progressive instruction from the Bachelor's Degree program through advanced Doctoral Achievement levels. This curriculum may be pursued with a degree focus or simply as a personal educational voyage.

The RealOron® education journey establishes the foundation of Christ in the believer for earth success and eternal life with great reward; as they will be equipped to fulfill their God given Kingdom assignments across the seven mountains of dominion.

The curriculum is available online in English, Spanish, and Swahili and may be studied at no cost or for a minimal fee. Registration is not required to access the educational materials; making comprehensive biblical education readily available to individuals, churches, ministries, and organizations worldwide.

One of the most important features of the RealOron® educational system is its capacity for multiplication. Our curriculum and Leader's Manuals equip churches and Christian leaders to establish Bible schools and training programs within their own communities. Leaders may determine the teaching format best suited to their church, culture, language, and local circumstances while maintaining the biblical foundation and educational structure provided by RealOron®.

A church, ministry, or organization may also offer the RealOron® educational platform without establishing its own Bible school, as students have direct access to the RealOron® website and its educational materials twenty-four hours a day, seven days a week.

RealOron International Ministries, Inc.® is a Florida 501(c)(3) tax-exempt public charity and operates as a religious institution of higher learning under applicable Florida law. Our biblical education program is accredited by Transworld Accrediting Commission International.

I respectfully invite international church leaders, church laymen, denominations, ministry networks, missionaries, and Christian educators to explore this educational platform and consider how it may serve those under your care. Whether your goal is to strengthen an existing training program, educate your congregation, prepare ministry and seven mountain leaders, or establish a Bible school, RealOron® offers a practical and accessible path forward.

The global Church needs instruction. Believers must have deep, sequential biblical education that establishes them in Christ, prepares them to fulfill their earthly Kingdom assignments, and equips them for eternal life with great reward.

The solution exists. The curriculum is prepared. The tools are available. The invitation is open.

Together, we can strengthen the global Church, prepare biblically grounded leaders, and make comprehensive Christian education available to people who might otherwise never have the opportunity to receive it.

MATTHEW 28:19-20

“Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost:

²⁰ Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world. Amen.”
