Director of Golf Update

By Carter Gerwitz

Dear Members,

Beginning January 1, 2027, Wildwood Green will update our membership dues, professional service rates, membership offerings, and public booking window. The below rate sheets outline the pricing, but I also want to explain why we are making these changes and what they mean for you.

Our priority is keeping Wildwood Green a club you enjoy belonging to, with dependable access, quality course conditions, and staff who take care of you. Maintaining that experience requires us to manage rising operating costs while being mindful of what we ask our members to contribute.

Membership dues and services will receive measured adjustments for 2027. We recognize that every increase matters to household budgets, particularly following the increases of recent years. We have reviewed each category and service individually rather than applying one percentage across everything. Member cart fees, individual range buckets, and GHIN handicap fees will remain unchanged.

Family memberships will receive a slightly larger percentage increase than individual memberships. The additional cost of a family membership has historically been modest, while extending golfing privileges to two or more family members. We want to preserve that strong value while ensuring the difference in dues appropriately reflects the additional access to the course, services, and member benefits that a family membership provides.

This adjustment and the changes to Weekday and PM enrollment outlined below reflect a broader review of our membership structure. As Wildwood has grown, we believe it is important to consider how each category relates to the others, including the privileges provided and the number of golfers covered. Our goal is to maintain a fair relationship between what members contribute and the benefits available through their membership.

Current Weekday and PM members will be grandfathered into their existing categories. You may continue your membership with the same playing privileges at the published 2027 rates. You will not be required to move into a different category although you may choose to do so for a $250 administration fee in place of paying the difference in initiation fees.

Beginning January 1, Weekday and PM memberships will close to new applicants and transfers from other membership categories. These options served an important purpose when our membership was smaller. With a strong, established membership today, our focus is retaining the members we have and protecting the experience you receive. We will also discontinue separate promotional initiation-fee discounts for new members. Our standard prepayment discounts will remain available under the published program terms.

We are making junior membership more accessible for families who want Wildwood Green to be their junior's home course. The 2027 Junior Membership, for ages 17 and under, will offer:

- Monthly dues of $75
- A one-time initiation fee of $250
- An optional Junior Member Range Plan for $300 per calendar year

Youth on Course has made golf more affordable for many families. Its growth has also made our previous junior membership pricing less attractive by comparison. With just three junior memberships currently, we believe there is an opportunity to offer a better value for young golfers who want to play regularly, enjoy member booking privileges, and become part of our community.

Wildwood has played an important role in the development of Ryan Gerard, Doc Redman, Grayson Murray, Carter Jenkins, and many others. We want to continue that tradition by giving young players of all abilities a place to learn, develop friendships, and build a lasting connection to the game. Youth on Course will remain part of Wildwood Green in its limited format. For those unfamiliar with it, this national program gives juniors access to discounted rounds at participating courses. It is a wonderful program, and we are proud to support it. Junior golf is an important part of Wildwood's history and future. Supporting junior golf also requires us to balance access, pace of play, staff resources, and the financial needs of the club while maintaining an exceptional experience with outstanding service for everyone. The restrictions introduced in June were intended to improve that balance. Youth on Course will continue with a one-day booking window and availability from noon to 5:00 p.m.

Managing expenses and maintaining a healthy mix of revenue are also part of our responsibility. The membership and public booking changes below are intended to support the club's financial health and help limit pressure on future dues increases.

The public booking window will increase from three days to seven days on January 1, 2027. The reason for this change becomes clearer when we look beyond the total number of rounds played.

Through September 2026, total rounds were essentially unchanged from the same period in 2024 and 2025, and members accounted for approximately 58% of play, on par with previous years. However, the composition of non-member play shifted considerably:

- General-public rounds decreased 28.9%
- Youth on Course rounds increased 22.6%
- Accompanied-guest rounds increased 16.5%

We are pleased to see more members bringing guests to enjoy Wildwood. At the same time, the decline in general-public play deserves attention. As a semi-private club, revenue from non-member play helps fund the course conditions, staffing, and services our members enjoy. A similar number of rounds does not necessarily generate the same revenue when the mix of play changes.

A three-day reservation window makes it difficult to attract golfers who organize their rounds a week or more ahead when competing with other local courses. Moving to seven days gives those golfers a better opportunity to choose Wildwood and helps us maintain a healthier balance of non-member play. The attached guest rate sheet also includes modest pricing adjustments, averaging approximately $3 lower, intended to keep our public offerings competitive.

Member booking priority remains central to this decision:

- Members will continue to book 15 days in advance, beginning at 6:00 a.m.
- Friday, Saturday, and Sunday tee times before noon will remain members only.
- The tee-time waitlist will remain exclusively for members. We have accommodated approximately 95% of member waitlist requests in 2026.
- Youth on Course will retain its separate one-day booking window.

Approximately 95% of our member tee-time reservations are made eight to fifteen days in advance. A seven-day public window therefore opens after the period when the overwhelming majority of members already make their reservations.

We also recognize that some members cannot plan that far ahead. We will continue monitoring availability and waitlist results, including access for members booking closer to their day of play. Protecting member access will remain the measure of whether this adjustment is working as intended.

These decisions are connected: keeping membership valuable, ensuring our categories fairly reflect their privileges, creating a stronger junior membership offering, and maintaining the non-member revenue that helps support our operation. We want Wildwood Green to remain a place where you feel well served and confident in the value of your membership.

Thank you for your continued support and for making Wildwood Green your club. Please review the attached documents and reach out to me with any questions about how these changes apply to your membership.

Membership Raffle Winners & Year-End Membership Opportunities

Dear Members,
We're excited to announce the winners of our membership and sponsorship raffles!

Complimentary Cart Plan for One Year: Dan Sawyer — drawn from our first 25 new members.

Complimentary Range Plan for One Year: Price Taylor — drawn from our first 50 new members.

One Year of Complimentary Membership Dues: Dustin Snavely — drawn from our first 50 sponsoring members.

Congratulations to our winners, and thank you to everyone who has joined or introduced someone to Wildwood Green! Your support helps make our membership community what it is.

Our new-member offer continues through December 31, 2026: New members can receive 50% off their initiation fee and 10% off dues and services by prepaying for the remainder of 2026 and all of 2027.
We also want to give everyone advance notice that significant changes to our membership offerings are coming in 2027, with full details to be announced in November. Joining under the current 2026 offerings provides a more favorable opportunity than waiting until next year. If you have friends or family considering membership, we encourage you to share this opportunity and have them contact the golf shop before year-end.

The 10% member sponsorship credit will continue in both 2026 and 2027, so our existing members will continue to benefit from introducing new members to the club.

Thank you for being part of Wildwood Green and helping our community grow!

Thank You Drew!

Drew Moore, our First Assistant Golf Professional, is leaving the golf industry to pursue a new career opportunity. I'm grateful for all Drew has done for our members and for the team here at Wildwood Green. We'll miss seeing him in the Golf Shop, and we're happy for him as he takes this next step. Please join me in thanking Drew and wishing him the very best! Our golf operations team is well prepared for the transition, and I look forward to introducing you to a new member of our professional staff in December/January. We're excited about the year ahead at Wildwood Green and look forward to experiencing it with you.

2026 Employee Holiday Fund

Dear Members,

By the time the first group tees off at Wildwood Green, our maintenance crew has already been out in the dark cutting greens and raking bunkers. The range is stocked, the first carts are lined up, and someone in the Golf Shop is there to greet you by name. After the last group comes in, our outside staff is still washing carts and picking the range so we can do it all again tomorrow. That's what it takes to welcome golfers 363 days a year.
For some of our employees, Wildwood Green is their first job. Others fit shifts around college classes or count on their work here to support a family. I'm proud to work alongside them, and I hope you'll join me in thanking them through our annual Employee Holiday Fund. Contributions of any size go directly to our staff across all departments.
If you'd like to contribute, you'll find a donation box on the Golf Shop counter. Please write just your name on a ticket so we can thank you personally. There's no need to list the amount. If you'd prefer to give by phone, call the Golf Shop or email teetimes@wildwoodgreen.com and we'll help you arrange it.
Thank you for looking after the people who look after Wildwood Green. On behalf of our entire team, I wish you and your family a happy holiday season.
Warm regards,
Carter Gerwitz

Course Conditions Update
By Rick Durham

Frost Delays and Fall Leaf Cleanup
As we move deeper into fall and winter, cooler temperatures bring the possibility of frost delays. While these delays can be frustrating, they are an important part of protecting the golf course and keeping our playing surfaces in the best possible condition.

Frost forms on the turf canopy when temperatures are near or below freezing. When grass is covered with frost, walking or driving across it can damage the plant tissue. That injury may not be immediately visible, and affected areas can take months to recover. For this reason, please stay off frosted turf until the frost has melted.

On mornings when frost is present, our maintenance team will wait until conditions are safe before completing course setup. Once the frost has melted and the putting surfaces and other areas are ready for maintenance, the team will work as quickly as possible to finish setup and release the course for play. We appreciate your patience and understanding as we take these precautions to protect the course.

Fall Leaf Cleanup
We are also in the heart of leaf season. With leaves continuing to fall, cleanup can be a slow and ongoing process. Our maintenance team is working each day to clear leaves and keep the course playable. Wind and changing weather can cause areas that have already been cleaned to collect leaves again, so the process often requires repeated attention. Thank you for your patience while we work through this seasonal challenge.

Your Feedback Is Appreciated
I would also like to thank everyone who has taken the time to share positive comments about the course. Your feedback is appreciated and helps encourage our team. Please continue to use the comment cards to share suggestions, concerns, and ideas. They are an excellent way for us to understand what is working well and identify areas where we can continue to improve.
As always, if you have questions or comments, you can reach me by email at rdurham@wildwoodgreen.com.

In 2026, we introduced a new monthly game that will be hosted on the same day as Skins day each month.

There are many variations of SWAT formats—gross or net scoring, teams of two or four, counting one or multiple balls—which allows clubs to tailor the competition to their membership. Wildwood Green will use the same format as our member-member for our monthly SWAT games (Count 1 Net & 1 Gross). Monthly SWATs will be individual sign-ups and teams will be made via Golf Genius.

Handicap Allowance: 100%
Format SWAT: Count 1 Net and 1 Gross (cant be the same ball)
Entry: $20 CASH

Click HERE to Register. Hit the “New Registration” button and search for your name in the search bar.

EVERY **FRIDAY, SATURDAY & SUNDAY**

November 27, 2026 – March 14, 2027

We are excited to announce that our new commercial-grade driving range mats and frames have been installed and are ready for use! The driving range is one of the most heavily used areas at Wildwood Green, so we selected mats designed to provide a high-quality, consistent hitting surface while offering the durability required for daily use. Their square design will allow our staff to rotate them regularly and replace individual mats as needed, helping distribute wear and keep every station in better condition throughout the year.

Dear Members,
We're excited to share that Wildwood Green's redesigned website launched late Sunday afternoon, October 11! Our website address will remain www.wildwoodgreen.com.

Our goal is to make the website more useful for our members, easier to navigate on all devices, and a better reflection of Wildwood Green. The updated design brings club information, schedules, and resources together in a clearer format while showcasing our course and community.
Some of the features you'll see include:

- **An interactive events calendar**
- **Standard course and range hours**
- **Live streams of the putting green and driving range**
- **A refreshed course tour**
- **Reorganized club resources**

To book a member tee time, select "Book a Tee Time," then "Member."

There are many aspects involved in maintaining a golf course. The superintendent has the biggest role to play, but there is immense responsibility on the members and players of the course to maintain its status and improve overall conditions. The upkeep the players on the course have during their round makes the job of the superintendent easier on a day-to-day basis and will improve conditions in the long run. Please do your part to ensure that our course continues to improve and be the best course it can. Click the picture above to learn more!

How To Repair a Ball Mark

A few extra seconds is all it takes to keep the putting greens looking and playing their best.

USGA

CHOOSE WISELY

A ball mark repair tool is recommended, but other pointed devices can be used.

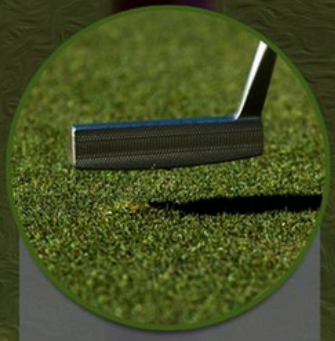

PUSH DON'T PRY

Starting from the back and sides, gently push & stretch the turf to the center of the mark.

WORK AROUND

Work around the ball mark until it's filled in. Avoid lifting & twisting the turf harshly.

FINAL TOUCH

Use your putter to lightly tap down the mark. Fix other marks in addition to yours.

© 2018 The United States Golf Association. All Rights Reserved.

WILDWOOD GREEN GOLF CLUB

Bunker care

Smooth your footprints and shot marks.

Leave the entire rake inside the bunker.

Lay the handle parallel to the direction of play.

Thank you for leaving the sand ready for the next group.

At Wildwood Green, we use top-of-the-line TrackMan technology to capture precise data on your swing path, clubface, attack and launch angles, spin rates, ball speed, and much more. Paired with the Mizuno Shaft Optimizer, we're able to dial in the exact specifications that best match your swing. With access to leading equipment brands on site and 107 different shaft options from top manufacturers, you'll be fit into the ideal combination to meet your performance goals.

Unlike indoor-only fittings, you won't be hitting off artificial turf into a screen. Our fittings take place on the Wildwood Green Academy Teaching Tee, where you'll feel how your clubs interact with real turf and see the true flight of the golf ball. This real-time feedback allows for more accurate fittings and lets you experience the performance benefits immediately.

For wedges and putters, we move to Wildwood's short game area, bunker, and putting green, focusing on scoring shots that truly save strokes on and around the greens.

At Wildwood Green we also house a full club repair shop that can manage most club alterations that you may need done to complete the fitting process and get your set perfectly dialed to your own unique game. To inquire about any repairs or alterations that may need completing please stop by the golf shop or email carter@wildwoodgreen.com to see how we can help!

To inquire about getting fit at Wildwood Green, please reach out to our certified PGA fitter Jeff Robinson who has over 25 years of fitting experience across all levels of golfers! Be ready to fill out the form attached here below.

PGA Certified Fitter Jeff Robinson // (919) 946-6885 // jrob9er@yahoo.com

Experience the difference a truly custom set of golf clubs can do for your game and take that first step towards lower scores and a more enjoyable experience on the course!

NO PERSONAL COOLERS ALLOWED

Thank you for your cooperation!

Wildwood Green Golf Club

Frost Delay Policy

BEFORE YOU HEAD OUT

Freezing temperatures overnight may delay play. The Superintendent checks the course and sets the revised start time. Watch for electronic updates from the Golf Shop.

HOW PLAY RESUMES

Players with tee times at or before the revised start time will begin together in a forward shotgun. The Golf Shop will give at least 45 minutes' notice.

Example
9:00 AM all-clear → 9:45 AM shotgun

Please stay off frosted turf.

Frost delays also apply to the practice greens. Foot traffic can damage the grass and leave it vulnerable to disease and weeds.
