Director of Golf Update

By Carter Gerwitz

As we begin preparing for the 2027 season, I want to share several important changes to the Wildwood Green events calendar and explain the reasoning behind them.

Member-Guest and Watson Cup

The largest tournament-calendar change is moving the War in the Woods Member-Guest from June to September. This decision follows consistent player feedback, member availability, and the belief that September will provide a more favorable time of year for weather, course conditions, and the overall event experience.

The 2027 War in the Woods Member-Guest is scheduled for September 10–12. Moving the War in the Woods to the fall required us to reconsider the timing of the Watson Cup. The Watson Cup will move to the spring and is scheduled for March 20–21.

Although holding the Watson Cup near the Presidents Cup or Ryder Cup may seem necessary in theory, our registration history shows that the event does not depend on that timing. The quality of the formats, the competition, and the experience our members have created are what make the Watson Cup successful. Moving it to the spring gives the calendar better balance and separates it from the Member-Guest.

Member-Member formats

With the War in the Woods Member-Guest moving into the fall, having the same format for the Fall Member-Member only 30–40 days later would create unnecessary repetition.

The five nine-hole matches format has been well received and remains an important part of our Member-Member program. The other two-day Spring Member-Member event will move away from the 1 Net + 1 Gross format, which has not been as well received by all players. The new format will feature one day of greensomes, or modified alternate shot, and one day of best ball.

This gives the two Member-Member events more variety and creates a better balance across the tournament schedule.

Club Championship changes

The Club Championship will become a four-day event, scheduled for August 5–8. Each division will only play two days and for many, the event will feel just the same. The age classifications are also being updated to better reflect the members participating in each division.

The new structure will be:

- Men's Super Senior: 70 and older, moving down from the previous 75-and-older classification
- Men's Legends: 75 and older, a new classification
- Women's Legends: 70 and older, a new classification
- Men's Senior: 55 and older, moving down from 60 and older
- Men's Overall, Men's White, Men's Net, Women's Overall, and Women's Net all remain the same as previous editions.

The Men's Super Senior, Men's Legends, and Ladies Legends divisions will play Thursday and Friday. The Men's Overall, Men's White, Men's Senior, Men's Net, Women's Overall, and Women's Net divisions will play Saturday and Sunday.

The Women's Legends division will be divided into gross and net competitions, consistent with the structure already used for the Women's Overall division.

Other tournament changes

Match Play qualifying will expand to three designated qualifying dates. Players must qualify on one of those dates, with no outside qualifying opportunities. We hope this allows the bracket to grow to 32 teams and allow us to keep scoring conditions equivalent throughout qualifying, depending on participation.

The Tournament of Champions will be held in 2027 and will alternate every other year with the Wildwood Green Memorial Event. Both tournaments will become biennial, giving each event more distinction while creating room for other major member events during the year.

League scheduling and member access

Our league schedule also needs to reflect how much Wildwood Green has changed.

In 2019, the club had approximately 395 memberships. Today, we have more than 700 memberships and more than 1,000 individuals connected to those memberships. League play remains an important part of Wildwood Green, but we must balance organized league reservations with the demand from members who want to play outside of league events.

Beginning in 2027, each league will have two designated playing days per week under the same general scheduling framework. The Gaggles will move from three days to Monday and Wednesday.

League start times will also move later to help alleviate some weekday morning tee time stresses. The WildOats and WildFlowers will begin approximately two and a half hours after the first tee time. Gaggles will begin two and a half hours after the first tee time or 10:00 a.m., whichever is later. On Mondays from April through October, Gaggles will begin at 1:00 p.m. because of Monday Maintenance.

These changes give each league a consistent opportunity to operate while preserving more tee-time access for the membership as a whole. Player counts for WildFlowers, WildOats, and Gaggle are close to final, but I will continue monitoring participation and demand through November before making final decisions.

The Gaggle and WildOats will also work towards reestablishing basic league structures, including an active board or president and an annual membership and dues process. The WildFlowers and their spectacular Board of Directors have maintained this structure, and we need the same framework from every league receiving recurring reservations. This provides clearer rosters, communication, leadership, and accountability for the leagues, their participants, and the club.

I also want to recognize Mick Repanich and Ron Hanna, who have stepped up to lead their leagues when others were not willing to take on that responsibility. Their willingness to serve has helped keep league golf organized and active at Wildwood Green.

CGA and TYGA events

We are retaining several important events and adding two new CGA events in 2027.

Returning events include:

Carolinas Mid-Amateur Qualifier
CGA One-Day event
Jack Ratz Junior event through TYGA

New events include:

Carolinas Amateur Qualifier
Carolinas Dogwood Junior Match Play Championship, July 27–30

The **Carolinas Amateur** is the oldest CGA championship, dating back to 1910, and the Mid-Amateur is one of the association's major amateur championships. Their qualifying events bring strong amateur players to Wildwood Green who are competing for an opportunity to reach those championship fields.

The **Dogwood Junior Match Play Championship** is a long-running state-level junior event that attracts talented young players from throughout the Carolinas. It also has a direct connection to Wildwood Green. Carter Jenkins won the Dogwood in 2012, and Michael LaSasso was a runner-up in the event a few years before going on to win the 2025 NCAA Division I individual championship.

These events fit the history of our club. Wildwood Green hosted a U.S. Amateur qualifier in 2001, the CGA Ladies Four-Ball and N.C. Men's Amateur Qualifying Championship in 2000, and the United States Blind Golfer National Championship in 2006. The Golf Channel televised the North Carolina stop of its Junior Golf Tour from Wildwood Green in 2006, and the Golf Channel Junior Tour returned to the club in 2007. Our competitive-golf history also includes Roger Watson's back-to-back National PGA Club Professional Championships in 1974 and 1975. Wildwood Green members Doc Redman, Kevin O'Connell, and Michael LaSasso have won the U.S. Amateur, U.S. Mid-Amateur, and NCAA Division I individual championship, respectively.

Hosting CGA and TYGA events brings strong players and families to Wildwood Green, increases the club's visibility throughout the Carolinas, and continues our history of supporting competitive golf at every level. We currently have no outside corporate or school events booked for 2027. We still plan to limit those events to approximately 12 for the entire year as they are scheduled about 6-7 months in advance.

The 2027 calendar reflects an effort to protect the member experience, improve the balance between leagues and general play, provide more variety in our tournaments, and continue building on Wildwood Green's history as a place where competitive golf can grow.

Dear Members,

Our last major of the year is this month! Our Fall Member-Member will be a two-day event, with three 9-hole matches on Saturday and two on Sunday. We will have breakfast both days and lunch on Saturday.

Our 2027 Member Events Booklet is now available! Take a look at what we have planned for next year. We've made several changes to when our Major Events will be hosted, along with some format adjustments to both the Spring and Fall Member-Member.

Be sure to take a look and mark your calendars for the 2027 events you won't want to miss!

Course Conditions Update

By Rick Durham

As many of you know, we are experiencing our second drought of the year, and we are continuing to take every precautionary measure to protect the health and long-term condition of the golf course.

Our team is monitoring our water usage closely and making thoughtful decisions about irrigation to ensure we are using our available resources as efficiently as possible. We remain hopeful that some much-needed rain will arrive soon and provide relief to the course.

Normally, at this time of year, we would be preparing for the transition into leaf season and the increased cleanup that comes with the changing seasons. However, this year has been a little different. Rather than seeing leaves fall primarily as a result of the normal fall transition, we are already seeing leaves dropping due to the prolonged dry conditions.

As we move toward cooler temperatures, we have also begun raising the height of cut on all turf areas. This is an important step in preparing the turf for the upcoming winter months. Allowing the turf to maintain a little more leaf tissue will help provide additional protection as temperatures continue to drop and we eventually experience the hard freezes of winter.

While the weather has presented some challenges, we are continuing to monitor conditions closely and adjust our practices as needed. Our goal is to protect the course now so that we can maintain healthy turf and good playing conditions throughout the winter and into the next growing season.

Thank you for your patience and understanding as we work through these unusual weather conditions. We appreciate everyone's support as we continue caring for the golf course.

W.G.G.C "Ray Griffin Fore Ball" Memorial Tournament
October 24th 9:30 AM Shotgun Start

The W.G.G.C. "Ray Griffin Fore Ball" Memorial Tournament was established to honor the memory of longtime member and beloved friend, Ray Griffin. Each year, the event serves as a tribute to Ray's lasting impact on Wildwood Green and celebrates the camaraderie, friendship, and love for the game that he embodied.

Over the years, the tournament has also become an opportunity to remember the many Wildwood Green members who are no longer with us. As we gather to compete, spend time with friends, and enjoy the game, we also honor those who helped shape Wildwood into the special community it is today. Their friendships, contributions, and memories remain an important part of our club, and this event gives us the opportunity to ensure their legacy continues to be remembered.

Format: 2-Player Best Ball (Gross & Net payouts)

Entry Fees:

\$60 Members

\$80 for Guest

Entry Fee Includes: Gift Certificates for winners, special contest, Keg Beer, Snacks, Bratz, and Hot Dogs

MONTHLY SWAT GAME

March 7 th – 10:00 AM SG	August 1 st – 9:00 AM TT
April 4 th – 10:30 AM TT	September 5 th – 9:30 AM TT
May 23 rd – 9:00 AM TT	October 3 rd – 9:30 AM TT
June 13 th – 9:00 AM TT	November 7 th – 10:30 AM TT
July 5 th – 9:00 AM TT	December 5 th – 10:00 AM SG

SWAT teams will consist of four players, counting one Gross score and one Net score per hole (these must be different balls). Each team will play Front 9, Back 9, and Overall matches against every other team in the field. Separate leaderboards will be kept for each segment, and the combined total of all three will determine final standings and payouts.

In 2026, we introduced a new monthly game that will be hosted on the same day as Skins day each month.

There are many variations of SWAT formats—gross or net scoring, teams of two or four, counting one or multiple balls—which allows clubs to tailor the competition to their membership. Wildwood Green will use the same format as our member-member for our monthly SWAT games (Count 1 Net & 1 Gross). Monthly SWATs will be individual sign-ups and teams will be made via Golf Genius.

Handicap Allowance: 100%

Format SWAT: Count 1 Net and 1 Gross (cant be the same ball)

Entry: \$20 CASH

Course Etiquette

There are many aspects involved in maintaining a golf course. The superintendent has the biggest role to play, but there is immense responsibility on the members and players of the course to maintain its status and improve overall conditions. The upkeep the players on the course have during their round makes the job of the superintendent easier on a day-to-day basis and will improve conditions in the long run. Please do your part to ensure that our course continues to improve and be the best course it can. Click the picture above to learn more!

The Impact of More Rounds

At Wildwood Green, we use top-of-the-line TrackMan technology to capture precise data on your swing path, clubface, attack and launch angles, spin rates, ball speed, and much more. Paired with the Mizuno Shaft Optimizer, we're able to dial in the exact specifications that best match your swing. With access to leading equipment brands on site and 107 different shaft options from top manufacturers, you'll be fit into the ideal combination to meet your performance goals.

Unlike indoor-only fittings, you won't be hitting off artificial turf into a screen. Our fittings take place on the Wildwood Green Academy Teaching Tee, where you'll feel how your clubs interact with real turf and see the true flight of the golf ball. This real-time feedback allows for more accurate fittings and lets you experience the performance benefits immediately.

For wedges and putters, we move to Wildwood's short game area, bunker, and putting green, focusing on scoring shots that truly save strokes on and around the greens.

At Wildwood Green we also house a full club repair shop that can manage most club alterations that you may need done to complete the fitting process and get your set perfectly dialed to your own unique game. To inquire about any repairs or alterations that may need completing please stop by the golf shop or email carter@wildwoodgreen.com to see how we can help!

To inquire about getting fit at Wildwood Green, please reach out to our certified PGA fitter Jeff Robinson who has over 25 years of fitting experience across all levels of golfers! Be ready to fill out the form attached here below.
