Handicaps

Members must post a score for all rounds played with postable formats, including match play rounds. For Major Tournaments and Annual Championships, the Golf Shop will post scores for all stroke play rounds. It is the responsibility of the player to post scores from match play rounds.

Any member who wishes to play in Wildwood Events must have a handicap through Wildwood Green and should contact the Golf Shop to get registered.

To be elidgible you must have posted 3 rounds in the last 6 months to qualify for Wildwood Green Events.

- A total of 54 holes (three 18-hole or six 9-hole rounds) must be played to establish an official Handicap Index.
- Once 20 scores are recorded, the best 8 scores of the last 20 will count towards your Handicap Index.
- A player should submit his or her score as soon as possible on the day of play, after completion of the round, and before midnight. In the event that you fail to post on the same day, the score should still be posted.
- You must play at least nine holes for a score to be acceptable for handicap purposes. When indicating the number of holes played, you will see 9-hole, 18-hole, or 10-17 holes. For 10-17 holes played, you must enter hole-by-hole scores.
- For handicap posting purposes, a player's maximum score on any hole is net double bogey. For example: A player with a Course Handicap of 15 receives one handicap stroke on holes with a stroke index of 1 through 15 on the scorecard. On a par 4 with a stroke index of 10, the player's maximum hole score is 7. Double bogey (6) +1 handicap stroke = 7. For players posting initial scores to establish a handicap index, the maximum hole score is Par + 5.
- When starting a hole but not finishing it, record the score most likely to be made, not exceeding net double bogey.
- Within 5 feet: If your ball is on the putting green and no more than 5 feet from the hole, add 1 additional stroke.
- Beyond 5 feet: Assess a realistic number of putts or strokes required to hole out from your specific spot more than half the time.

Tournament Tees, Flights & Allowances

Competition Tees: All participants will be required to play from their most commonly played tee set for all competitive events here at Wildwood Green. In the event other courses have been played, the staff will assign a tee based on the other course's rating closest to that of a set of tees at Wildwood Green. Our Club Championship may differ from this rule depending on which division you are eligible to play in

Event Flighting: Participants will be flighted in the Dogwood Spring & Oaks Fall Member-Member events. For the Club Championship will be flighted after the first day based on results. For other club events, flights will depend on field size. When there are 15 or more teams or 30+ competitors, flights will be created and broken down as evenly as possible.

Flight Basis: When playing your own ball, flights will be determined by the low handicap index of the two/four-player team according to the most recent GHIN revision from the Sunday before. All of our Major tournaments except the Watson cup will use 12-month low indexes. Formats that you do not play you own ball, flights will be determined by combined index.

Handicap Indexes: The handicap index used for the event competitor will be the handicap index of each person on the Sunday prior to the event or 5 days in advance for events not starting on Saturdays. (Excluding weekly leagues and monthly games or any events using 12-Month Low)

Handicap Allowances: Please see the attached Appendix C document from the USGA regarding handicap allowances for the different formats. During match play events, the low course handicap will play as a zero and the higher course handicaps will receive the difference in strokes.

Unless otherwise specified by the Committee, players with a ‘plus’ playing handicap give strokes back to the course, beginning at the hole with stroke index 18. For example, a player with a playing handicap of +2 would give strokes back to the course at the holes with stroke index 18 and 17. When handicap allowances are applied, a player with a plus Playing Handicap moves up towards zero including rounding. This is to maintain the same relative difference between playing handicaps.

Handicap allowances are designed to provide equity for players of all levels of ability in each format of play over both 9 holes and 18 holes. Handicap allowances are applied to the Course Handicap as the final step in calculating a player’s Playing Handicap (see Rule 6.1 Course Handicap Calculation and Rule 6.2 Playing Handicap Calculation).

The USGA is responsible for establishing handicap allowances or it can delegate this responsibility to a Regional Golf Association or golf club.

The following table sets out the recommended handicap allowances based on medium-sized field net events. The allowances may be adjusted based on field size and the desired equity (see Interpretation C/1):

Format of Play	Type of Round	Recommended *Handicap Allowance*
Stroke play	Individual	95%
	Individual Stableford	95%
	Individual Par/Bogey	95%
	Individual Maximum Score	95%
	Four-Ball	85%
	Four-Ball Stableford	85%
	Four-Ball Par/Bogey	90%
Match Play	Individual	100%
	Four-Ball	90%
Other	Foursomes	50% of combined team handicap
	Greensomes	60% low handicap + 40% high handicap
	Pinehurst/Chapman	60% low handicap + 40% high handicap
	Best 1 of 4 stroke play	75%
	Best 2 of 4 stroke play	85%
	Best 3 of 4 stroke play	100%
	All 4 of 4 stroke play	100%
	Scramble (4 players)	25%/20%/15%/10% from lowest to highest handicap
	Scramble (2 players)	35% low/15% high
	Total score of 2 match play	100%
	Best 1 of 4 Par/Bogey	75%
	Best 2 of 4 Par/Bogey	80%
	Best 3 of 4 Par/Bogey	90%
	4 of 4 Par/Bogey	100%

W.G.G.C Point System

We will be implementing the same point system for our events as last year. The purpose of this system is to give people who participate in Wildwood events an advantage when it comes to Member-Guest sign-ups. 70% of the Member Guest Field will be decided this way, the other 30% of the field will be selected via a non-weighted, equal value lottery. the For the weighted lottery, each kind of event will be given a point value. The points are not based on performance in the event but participation in the event. This system will run from the first event after the 2026 War in the Woods Member-Guest until the event before the 2027 War in the Woods Member-Guest. Each point will put your name into the hat for Member-Guest. If you get 10 points your name will be in the hat 10 times.

1 Point	2 Points	3 Points

The more you play, the more you earn!

Wildwood Green- Local Rules

Specific Notes-Front Nine

Hole #1: The driving range is considered out of bounds. White PVC pipe defines the out of bounds along the nets

Hole #2: Out of bounds runs the entire right-hand side of the hole and is marked with white stakes or white PVC pipe. When the creek(s) meets out of bounds, two stakes will be present. When there are two stakes present, both white and red, the line from red stake to red stake will define the end of the penalty area.

Hole #3: Out of bounds runs the entire right-hand side of the hole meeting a penalty area that begins at the back-right hand corner of the hole behind the green. The penalty area extends into the woods towards #5 green and to the left towards #4 tee. When the penalty area meets out of bounds, two stakes will be present. When there are two stakes present, both white and red, the line from red stake to red stake will define the end of the penalty area.

Hole #5: Penalty area begins near the tee and runs the length of the entire right side of the hole. The drain in between #5 fairway and #13 fairway is deemed as ground under repair.

Hole #6: Penalty area extends up the entire right side of the hole and connects to out of bounds at the back right corner of the hole. Directly behind the green is out of bounds marked with white PVC pipe that runs the length of the road/#7. For any balls hit into the water, there are two drop zones provided, one to the left of the green and one to the right. You should use the drop zone furthest away from the flag for any balls hit into the water.

Hole#8: The trees to the left of the fairway are considered a penalty area and are marked with red stakes. Out of bounds extends the entire right-hand side of the hole.

Hole #9: The trees to the right of the fairway are marked as out of bounds and extend up the right side of the hole and then behind the green and then to the left toward the houses. The houses are marked as out of bounds as well.

Specific Notes-Back Nine

Hole #10: The drainage ditch in between the 10th and 18th hole is deemed ground under repair. The drain next to the cart path in the middle of the fairway near the edge of the water is deemed as ground under repair. The rocks near the cart path behind the green are marked as hazard .

Hole #11: Out of bounds runs the entire right side of the hole towards the back right corner near the green. The creek behind the green is marked as a penalty area. When there are two stakes present, both white and red, the line from white PVC pipe to white PVC pipe will define the end of the penalty area.

Hole #12: The creek directly behind the tee box is marked as a penalty area and will extend up the right-hand side of the tee box towards the green until a red/white stake combination is present. Out of bounds extends up the right-hand side of the hole through the woods toward hole #13. For any ball hit into the water, there are two drop zones provided, one in the front of the green and one behind the green. You should use the drop zone furthest away from the flag for any balls hit into the water

Hole #13: The drain in between #13 fairway and #5 fairway is deemed as ground under repair. The grouping of trees on the left side roughly 50 yards from the green are marked as a penalty area.

Hole #14: The drain between #14 fairway and #15 tee box is deemed as ground under repair. The drainage ditch near the cart path on the right side of the hole (roughly 50 yards from the green) is deemed as ground under repair.

Hole #16: The drainage area to the left of the fairway in the trees is deemed as ground under repair.

Hole #18: The drain between the 10th and 18th fairways is deemed as ground under repair. The drainage ditch in between the 10th and 18th hole is deemed as ground under repair. The flower bed directly behind the green and to the left is a mandatory free drop.

Extra Local Rules Information

- Please do not probe for golf balls in our neighbor's yards and always respect their property
- Out of Bounds is defined by white stakes, white PVC pipe, and by the inside edges of the street curb or the roads meandering through the neighborhood.
- Penalty areas are defined by red stakes and lines.
- Drop zones are provided on the following holes and are defined by white circles: #6 and #12. It is not mandatory to use a drop zone on either of these holes however, if the drop zone is not used, relief should be taken at the last point the golf ball entered the penalty area and/or by following all USGA guidelines.
- When a ball is hit into a mulched area it should be played as it lies. If the ball is in a maintained flower bed free relief is mandatory. Relief should be taken at the nearest point, no closer to the hole
- Any ball deemed to be lost or out of bounds may take stroke and distance relief or dropped on the edge of the fairway no closer to the hole with 2 penalty strokes (Local Rule E-5) PLEASE NOTE: If a provisional ball is hit you will no longer be allowed to take the relief under Local Rule E-5.
- USGA Model Local Rule F-5 is a relief rule for immovable obstructions near the putting green. It allows players to take free relief from immovable obstructions on their line of play if the obstruction is within two club-lengths of the putting green, and the ball is also within two club-lengths of the obstruction.
- If a ball is within 1 Club length of the cart path, free relief may be taken.

Social Events

We have many social events planned this year. The most popular social event we hold year after year is our poker nights which are scheduled throughout the fall and winter months. With golf and social events scheduled year-round your enjoyment at the club never ends! If there are any social events that you would like to see added to our event schedule, please fill out a comment card with your requests. More information about a few of these special social events can be found below.

Poker Night: The game of Texas Hold 'Em is played at all of our scheduled poker nights. The participants will be the dealers for the games throughout the evening. Food and drinks are not included in the entry fee but will be available to purchase throughout the night.

Member Holiday Party: Why just spend the holidays with family, when you can rejoice with your Club family as well? The Member Holiday Party is the perfect scene to have fun and fellowship during the holiday season. This night will not be silent as we listen to Christmas songs and have some laughs. Drink specials will be offered and food will be included at the event!

Family Events

Couples Golf

We will host one 9-Hole Couples Golf event in April and one 18-holes Couples golf event in October. These events are always a fun way to meet other couples at the club and enjoy the cooler evenings. Our couples' events are held Sunday evenings/afternoons and followed with a delicious dinner provided by Champions Grille.

Parent-Child

We will host two 9-Hole Parent-Child Golf events in 2027. These events are a great opportunity to spend a summer evening together and enjoy a few holes of golf at Wildwood. With children ranging from young golfers to those well into their 20s, these events are all about making memories and enjoying time together on the course.

2027 Major Events

Watson Cup
Saturday, March 20th – Sunday, March 21st

Once a year, we host a Ryder Cup style golf tournament. In 2026 we renamed the event the “Watson Cup”. This is a 36-hole match play event which features two days of competition. This event will consist of 4 different matches played throughout two days, and 4 separate 9-hole competitions occur with players accumulating points for their team by winning or tying their match. The team with the most points after the completion of the four matches wins! In 2027 we will have 2 Staff captains picking pairings for their team for a true Ryder Cup experience with a Wildwood twist.

The Dogwood-Spring Member-Member
Saturday, May 1st – Sunday, May 2nd

Wildwood Green will kick off the 2027 Majors with the Spring Member-Member. The format is five, nine-hole match play matches. There will be three matches played on Saturday and two matches played on Sunday. Teams can be made up of either men or women or a mixture of both. The two-person teams will be flighted according to the low player’s 12-month low and each flight will have a max of 6, two person teams.

Each person will play their own ball for each hole. The lowest net score on each hole will win between the two teams. One point is available on each hole and one point for winning the match (10 points per nine holes). Holes may be halved, and a 9-hole match may end in a tie at 5 points for each team. The team with the most points after the five matches, from each flight, will compete in a sudden death playoff for the title of Overall Member-Member Champion. Be sure to grab your partner and sign up early as this event always fills up quickly!

War in the Woods Member-Guest
Friday, September 10th - Sunday, September 12th

Wildwood Green's Member-Guest saw a major renovation during 2022 and received the upmost praise for its value and enjoyability. A tournament focused on providing value and creating one of the most action-packed weekends of the year. This event consists of 60 two-person teams who compete in a flighted round-robin match play competition playing 45 holes over the course of two days. With a practice round, Calcutta, raffle, prizes, and special contests, this tournament is the place to be on September 10th - September 12th!

The Oaks-Fall Member-Member
Saturday, October 9th - Sunday, October 10th

In 2027 this event will feature 1 day of Best Ball and 1 day of Greensomes. Flights will be determined by the low player's 12-month low index. Teams can be made up of either men or women or a mixture of both. Course handicaps will be calculated based on the tee color played by each golfer. This Major is always a great value as the event features two days of competition. Be sure not to miss out on this exciting team competition and mark the date on your calendar now!

Carolinas Golf Association Events

The CGA is A non-profit regional golf association governing and promoting amateur golf across North and South Carolina. The Carolinas are home to hundreds of golf tournaments each year that appeal to a wide range of skill levels. The CGA administers its own calendar of championships, considered one of the strongest tournament programs in the country, as well as USGA qualifiers for national events.

In 2027, Wildwood Green will host five CGA events, bringing some of the Carolinas' top amateur and junior golfers to the club. Our first event will be the Carolina's Mid-Amateur Qualifier on March 29th, followed by the Carolina's Amateur Qualifier on June 11th. On July 21st, Wildwood will host the Jack Ratz, Jr. Memorial Junior Golf Tournament, followed by the CGA Dogwood Championship, July 27th–30th. The Dogwood Championship is a premier annual junior amateur tournament that promotes competitive golf development across the Carolinas and serves as an important stepping stone for top young golfers pursuing collegiate golf. The 2027 CGA schedule at Wildwood will conclude with a CGA One-Day Four-Ball on August 12th.

Weekly Member Leagues

Men’s Gaggle: The men’s “gaggle” is held every Monday and Wednesday throughout the year.

Senior Men’s WildOats: Each Tuesday and Thursday morning throughout the year, Wildwood Green, hosts the WildOats.

More Men's League Information

Women’s Wildflowers: Each Tuesday morning throughout the year, Wildwood Green, hosts the Wildflowers.

More Women’s League Information

Seasonal League- MGA

The Men’s Golf Association League is open to male members of the club with an established GHIN handicap. MGA plays on Wednesday afternoons May-September with tee time usually starting at 5:00 PM Different formats will be played each week and the pairings will be made by the golf shop. Throughout the season you will earn points based on your finishes and at the end of the year the points winner will win a prize.

Monthly Games

In 2027, Wildwood will host all three Monthly Games on the same day each month. SWAT and Medalist will be combined with space for 16 players. It will be $20 to participate ($10 Medalist & $10 SWAT).

A **SWAT** game—short for “Singles Without A Time”—is a popular golf format hosted by private clubs, most notably Oakmont, designed to encourage members to meet new playing partners while enjoying friendly but competitive golf. A defining characteristic of SWAT is that “teams” compete against all other teams in match play front 9, back 9 and overall. (our underlying format will vary depending on each months participation) The **Medalist** game will occur simultaneously for all players to compete for the low gross score. It will be important during the team format for all players to complete the hole even if you team will not be using your score for the team portion.

Monthly Skins Day

The Monthly Skins Day is open to all players with an active GHIN handicap. Participants need a tee time and at least one other player to attest to their score. Entry is $20 cash, with $10 going toward net skins and $10 toward gross skins

50/50 Weekly Member Raffle

We will host a 50/50 weekly member raffle to help raise money for capital improvements around the Wildwood Green facility. Improvements will be determined from customer comment cards and what is feasible for the club to accomplish.

The drawing will occur at 4:00 PM each Friday throughout the year. There is one poker chip per membership in the bowl and each membership has been assigned a number which corresponds to what is written on the poker chip. Poker chips are placed into the bowl and a member will draw one chip from the bowl. (Participants must pay their $5 entry each week to be eligible to win.) Each Friday when the chip is drawn, we will check the number on the chip and determine the corresponding membership. If the membership has paid their $5 entry for that week, they win 50% of the pool. Each week Wildwood Green will take 50% of the entries and put into a capital dues improvement fund.

If the drawn membership did not pay their entry that week there is no winner, the money carries over to the next week. Members have the option to prepay their $5 for as many weeks as they would like.

Keep entering each week and help us improve the facility! You may be the lucky winner who takes home thousands of dollars!

Each year, we use the capital raised through our weekly 50/50 to invest in improvements to the property. In previous years, we have used the money to add benches throughout the course, upgrade on course trashcans, enhance the patio and walkway by the range, add new bag stands, renovate all bunkers, install a new ice machine in Champion's Grille, upgrade range targets and mats, sand boxes on tee boxes, continue on-course tee box renovations, and remove trees and limbs throughout the property.

Major Events Pools

Every year we host Major Championship Pools at Wildwood Green in conjunction with the PGA Tour's major events. These individual net challenges will begin two weeks before the Major Championship's first round and payout will be in Wildwood Green gift cards. The final opportunity to enter the challenges will be on the Saturday (third round) of the major event at 12:00 PM. You may enter as many times as you want before the cut off!

Rules and Information

Entry: $10 - Members may enter as many times as they like (paying $10 for each entry) from two Thursdays before the major event's first round until Saturday of the major event at noon – A USGA recognized handicap is required for participation.

Format: Participants will use their playing handicap and will turn in their attested scorecard to the golf shop following their round. The net score of the participant will then be added to a professional's (chosen by blind draw) third and fourth round scores. The winners will be determined by the low 54-hole score and payout will be in Wildwood Green gift cards.

Blind Draw Winner - 10%

Event Winner - 10%

The remaining purse will be paid out in Wildwood Green gift cards as follows:

1st Place - 40%

2nd Place - 30%

3rd Place - 20%

4th Place - 10%
