

JEFF HORN AND AMAYDA

Issue 002

AUSTRALIA'S NUMBER 1 CONFLICT MANAGEMENT TRAINING PROGRAMS

**OUR MISSION IS TO
SUPPORT EVERY FAMILY, IN
EVERY COMMUNITY,
EVERYWHERE!**

2021 is almost a Wrap for the AMAYDA Programs. This year AMAYDA has gone above and beyond to achieve and deliver amazing results time and time again. Amayda launched their very own Jeff Horn Community Hubs, completed the 1st year of North Queensland's Empowerment program (Fully supported by the Queensland Government) and achieved outstanding results through Southeast Queensland Schools with some of their Detention, Suspension and Expulsion rates dropping by as much as 25%!! Jeff Horns Short film Slugger was also released!! To read more flip over the page.

AMAYDA PRESENTED THEIR FREE BULLYING PREVENTION WORKSHOP TO OVER 10,000 STUDENTS THIS YEAR.

2021 witnessed the arrival of the Jeff Horn Community Hubs initiative. To briefly revisit, the Jeff Horn Community Hubs initiative emerged from the restrictions of the Covid 19 lockdowns. When schools and the community slowed down AMAYDA was faced with a dilemma, “how could we deliver this critical training to more students, to create a greater social footprint?” The idea was hidden in the question, “social”; we needed centralised locations where the community could gather, in addition to schools, where only that isolated community could benefit.

By June, we saw the launch of 8 new Jeff Horn Community Hubs ranging broadly across many regions within Queensland. The initiative now offers those communities the opportunity to study Australia’s No.1 Conflict Management and Bullying Prevention program for children, Resilience and Empowerment!

Our most successful Community Hubs, Derrick’s Boxing, Mt Isa, the Burdekin PCYC, Ayr, and Snake Pit Muay Thai, Rockhampton, have mentored more than 93 participants through the Intervention program!

Every student that benefitted through these hubs was sponsored through local community grants and sponsorships!

A HUGE THANK YOU TO LOCAL COUNCILS AND SMALL BUSINESS FOR SUPPORTING OUR KIDS!

January 2021 AMAYDA had the opportunity to engage up to 652 students over a 2-year Pilot program, fully supported by the Queensland Government. The schools that chose to come on board with our full year Empowerment Program were, Thuringowa State High School - Townsville, Gordonvale State Highschool - Cairns and Pimlico State Highschool - Townsville. Thuringowa and Gordonvale have now put through an entire cohort of year 7 and year 9's through our programs and Pimlico put through 25 Leadership students to become Bullying Ambassadors within their school.

We have seen excellent results of engagement, attendance and students are a lot more confident to handle any conflict or bullying type situations that may occur. AMAYDA are looking forward to continuing their work within the school's next year.
