As we put together this year’s swim team slide presentation, we’d love your help in gathering great photos! To keep things organized and ensure the best quality for the slideshow, please follow these guidelines when uploading pictures to our Google Drive-

- **Quality Photos Only – Please upload clear images and no duplicates**
- **Photo Files Only – Upload JPEG or PNG images rather than Live Photos or video files (MOV, MP4, etc.).**
- **Team Moments – We’d love to see action shots, team spirit, and memorable moments from the season!**

Thank you for helping make this a great slideshow for our swimmers!

To our graduating Seniors:

A special time in the banquet is the Senior Speeches. You’re each invited to provide a personal slideshow and/or short speech during the banquet. This is totally voluntary and you may submit a personal slideshow without giving a speech or vice versa.

Please, keep both the slideshow and your speech to no more than two minutes each.

To submit the finished version (photos & music) of your slideshow email to higdoncalvin@gmail.com. If the file is too large a google drive address will be provided for submission.

Senior slideshows are due Saturday March 8th.
