

# CAPABILITIES STATEMENT 2026

## Federal Program Management.

### Mission Executed.

Prime Contractor · FAR Compliant · Zero Performance Issues

# SPARTAN

INNOVATIONS & SOLUTIONS

Federal · State · Local Government

## MISSION

Spartan Innovations & Solutions is a SDVOSB / HUBZone / MBE prime contractor delivering strategic consulting, facilities & installation support, and logistics & industrial operations to federal, state, and local agencies. We manage prime contracts with strict subcontractor oversight, FAR compliance, and zero performance issues.

## CORE CAPABILITIES

### Strategic Consulting, Advisory & Workforce Development [541611 / 541612 / 611430]

- Federal program management & organizational strategy
- Leadership development & executive curriculum
- HR consulting & workforce program design
- Subject-matter expert network delivery

### Facilities & Installation Support [561210 / 236220 / 562991]

- Installation-level facilities operations & base support
- MILCON, Minor Construction & Capital Improvement support
- Septic / portable sanitation services

### Logistics & Industrial Operations [541614 / 811192 / 811310 / 493110]

- Industrial system installation & preventive maintenance
- Logistics consulting & supply chain operations
- Vehicle wash & industrial cleaning systems
- Warehousing, transportation & surge support

## PAST PERFORMANCE

### VERIFIED PRIME CONTRACT

#### U.S. Army - Anniston Army Depot

**Contract:** W911KF24Q0011

**PSC:** 4910 / J079

**NAICS:** 8111912

**Value:** \$220,000

**Scope:** Industrial cleaning system removal, installation, and preventative maintenance.

Full removal, installation, testing, and multi-year preventive maintenance of an industrial cleaning system. Multiple subcontractors managed under a full FFP-to-FFP sub chain — Spartan carried prime risk to the Army and structured every sub agreement to mirror it. On time. On budget. Zero performance issues. FAR compliant.
