

The Cross Seminole Trail begins in the south at the intersection of Aloma Ave and Howell Branch Rd, where it connects with the Cady Way Trail in Winter Park. From there, it travels north for a 29.6 miles, ending at the Lake Monroe Loop Trail at Monroe Rd and Seminole Blvd. At this point, you can turn east to the Lake Monroe Loop Trail or west to Volusia County's Spring-to-Spring Trail.

A portion of the trail is designated as the Florida National Scenic Trail. The Cross Seminole Trail, along with the Seminole Wekiva Trail, is also a part of the Florida Coast-to-Coast Trail.
