TIPS FOR THE *Circulators*

Be sure to wear a
badge/tag that
reads "VOLUNTEER
CIRCULATOR."

THE BASICS:

- **Age & Citizenship:** You must be 18 or older and a U.S. citizen.
- **Badge Required:** Wear a VOLUNTEER CIRCULATOR badge (printed or handwritten) at all times.
- **Petition Integrity:** Do NOT remove staples, disassemble, or deface petitions.
- **Ownership:** Do not hand off your petition to another person or leave it unattended.
- **No Self-Signing:** You may NOT sign your own petition.
- **Witness Requirement:** You must personally witness every signature you collect.
- **Notarization:** Once complete, fill out the back page in front of a Notary.
- **No Post-Notary Signatures:** Never gather signatures after a petition is notarized.

HOW TO ENGAGE?

1. **Friendly Greeting:** "Hello! Do you have a moment to help put an important issue in front of Colorado voters?"
2. **Hand Them the Petition:** Once they start signing, stop talking to avoid influencing their writing.
3. **CHECK THE DETAILS:** Ensure they:
 - Write their full city name
 - Spell out their county (no state/country in the box)
 - Use blue or black ink
 - Print their residential address exactly as on voter registration (no PO Boxes)
4. **Thank Them:** Always show appreciation for their time and signature.

SIGNER REQUIREMENTS

- Must be a registered Colorado voter (can pre-register at 16 if they'll be 18 by Nov. 2026).
- May not knowingly sign more than once.
- If a mistake is made:
 - Draw ONE LINE through the error, write your initials, and correct if space allows.
 - If space doesn't allow or multiple errors occur, line through the entire signer block and restart on a new block.
 - Do NOT use white-out or correction tape.
- Assistance for Disabilities: An assistant (not the circulator) may fill in boxes; signer places "X" in signature box; assistant writes their name in parentheses next to "X."

Be sure to review
each signature!
