

MANAGER'S MINUTE

During February and March, we are once again partnering with St. Jude and Repair Shop of Tomorrow to help raise money for St. Jude Children's Hospital! With this program, you can receive FREE brake pads or shoes with ANY brake repair, and 10% of the brake repair costs will be donated to St. Jude Children's Research Hospital! It's such an amazing opportunity to give back, so if you've been putting off some brake work, now is the time to have those repairs done. Not only are you receiving free brake pads, but you are also supporting a great cause that changes the lives of so many.

Be sure to give the girls in the office a call—sooner rather than later—to schedule an appointment, so you don't miss out on this amazing deal!

Jack is celebrating his 21st birthday this month, so if you are stopping by the shop, feel free to wish him a very Happy Birthday! We are so grateful for all he does around the shop, and it has been fantastic having him as a full-time employee now that he is finished with school. I can't wait to see how much he continues to grow as a technician! Happy Birthday, Jack!

Thank you all for your continued support, and be sure to take advantage of this amazing deal on brakes! Happy Valentine's Day to you all! Sincerely,

Ted Heitbrink

Your car doesn't ask for much. It's always there for you, getting you where you need to go. A little extra care this Valentine's Day in the form of an oil change, tune-up & basic service is the perfect gift or the one who keeps you going.

- Schedule a tune-up annually to optimize your car's performance. A well-tuned engine delivers the best balance of power & fuel economy & produces the lowest level of emissions.
