## MANAGER'S MINUTE

As we roll into October, I want to take a moment to thank everyone who helped make Rossburg Acres Party with a Purpose such a wonderful success. It was great to see so many of our team present and lending a hand—it really shows what our community is all about.

In honor of Breast Cancer Awareness Month, Chickasaw Garage will be donating \$5 from every oil change during the month of October to the Mercer County Cancer Association. This is a cause that touches so many families in our community, and we're proud to do our part to help.

Toward the end of the month, we'll all be getting into the Halloween spirit. We want to wish everyone a fun and safe holiday! We'll be enjoying it out at the campground and look forward to hearing how you celebrate too.

And finally, Stacey and I are excited to spend a long weekend in Las Vegas with some wonderful friends. It's always good to step away for a bit, recharge, and come back ready for the busy season ahead.

Sincerely,

*Ted Heitbrink*

# HALLOWEEN FUN FACTS!

- ONE IN FIVE ADULTS USUALLY PRETEND NOT TO BE HOME ON HALLOWEEN** – A 2021 poll found that about one in five adults keep the porch lights off and pretend not to be home when the trick-or-treaters come knocking.
- THERE'S A REASON BLACK AND ORANGE ARE THE COLORS MOST ASSOCIATED WITH HALLOWEEN** – The colors of black and orange trace back to the Celtic festival of Samhain. Black represents the "death" of summer while orange represents the life of the fall harvest.
- HALLOWEEN IS THE SECOND-LARGEST COMMERCIAL HOLIDAY IN THE COUNTRY** – Only Christmas rakes in more dough.
- CANDY CORN WAS ORIGINALLY CALLED "CHICKEN FEED"** – The Goelitz Confectionery Company originally sold the treat in boxes with a rooster on the front to appeal to America's agricultural roots. The sugary recipe has gone largely unchanged since the 1880s.
- PRINCESSES AND SUPERHEROES RANK AS THE MOST POPULAR COSTUMES** – Princesses and superheroes are the top choices, followed by witches, fairies and dinosaurs, according to Google Trends.
- REESE'S CUPS ARE THE TOP HALLOWEEN CANDY** – Reese's Cups are the most popular Halloween candy, with M&M's and Hot Tamales, Skittles and Sour Patch Kids following in order to round out the top five favorites.

## OCTOBER IS NATIONAL FALL CAR CARE MONTH!

The last thing any driver needs is a vehicle that breaks down in inclement weather. Here's a helpful checklist to inspect your vehicles before the temperatures drop and severe weather hits.

### HEATING, WIPERS & LIGHTS

- Make sure heaters, defrosters and wipers work properly.
- Consider winter wiper blades and use cold-weather washer fluid. As a general rule, wiper blades should be replaced every six months.
- Check to see that all exterior and interior lights work and headlights are properly aimed.

### TIRES & BRAKES

- Check the tire tread depth and tire pressure of all tires, including the spare. If snow and ice are a problem in your area, consider special tires designed to grip slick roads.
- During winter, tire pressure should be checked weekly.
- Have the brakes checked. The braking system is the vehicle's most important safety item.

### GAS, OIL & FILTERS

- Keep your gas tank at least half full throughout the cold weather to prevent moisture from forming in gas lines and possibly freezing.
- Be diligent about changing the oil and filter at recommended intervals. Dirty oil can spell trouble in winter. Consider changing to "winter weight" oil if you live in a cold climate.
- Check the fuel, air and transmission filters at the same time.

### SYSTEM CHECKS – CHARGING, COOLING & EXHAUST

- Have the battery and charging system checked, as cold weather is hard on batteries.
- Clean, flush and put new antifreeze in the cooling system. As a rule of thumb, this should be done every two years.
- Have the exhaust system checked for carbon monoxide leaks, which can be especially dangerous during cold-weather driving when windows are closed.

### PACK THE ESSENTIALS

- Make sure that your ice scraper and snow brush are accessible and ready to use if you live in a cold climate.
- Stock an emergency kit with jumper cables, a flashlight, blankets, extra clothes, bottled water, nonperishable food and a first aid kit with any needed medication.

Whether you perform the inspection and maintenance yourself or go to a trusted repair shop, it's a small investment of time and money to help avoid the cost and hassle of a breakdown during the cold winter months ahead.
