

ELECTION DAY WORD SCRAMBLE!

On a lively Election Day, the townsfolk buzzed with excitement as they cast their votes. In the commotion, someone knocked over a box of ballots, jumbling the words everywhere! Can you help untangle them before the results are announced?

"My car has over 300,000 miles on it and still runs great because they do a great job at maintaining it. It started to run rough and my service engine light was blinking, so I thought it was dead. I dropped it off, they gave me a loaner, and then they called later and said it was fixed and ready to go. They went out of their road to make sure I got my car back. They are great to work with."

NOVEMBER 2025 Client Newsletter

MANAGER'S MINUTE

As we head into November, we want to take a moment to wish all of our customers, friends, and families a very happy and safe Thanksgiving. This season is always a reminder of how much we have to be thankful for.

At Chickasaw Garage, we're especially thankful for:

- Our hardworking and dedicated employees who give their best every day.
- Our wonderful customers who continue to trust us and keep us going strong.
- The great outings and memories we've been able to share this year, from Caddies golf outing to our company campout - with more fun still to come in November!

We'd also like to take a moment to congratulate Allyson on a fantastic season coaching the St. Henry Girls Golf Team! The girls captured the MAC Championship and finished 5th at districts, just missing state by only a few strokes. What an accomplishment!

Finally, we'd like to send out a big Happy Birthday to my brother Joe Heitbrink, my wife Stacey Heitbrink, my mother Marian Heitbrink and myself this month!

From all of us at Chickasaw Garage, thank you for being part of our journey - and may your Thanksgiving be filled with joy, laughter, and gratitude.

Sincerely,

Ted Heitbrink

WHAT IS THE THEME FOR VETERANS DAY 2025?

The theme for Veterans Day 2025 is "Service to Our Nation," as reflected in the poster design titled "Unified by Service" by Jeremy D. Carpenter, an Army veteran. The design visually brings together all uniformed services under one flag and purpose, emphasizing that service to the nation is a shared commitment across all branches and generations. The poster will be displayed at all VA facilities and military installations and will serve as the cover for the official Veterans Day National Observance program at Arlington National Cemetery beginning at 11:11 a.m. on November 11, 2025.

Perfect Pumpkin Pie

The one and only pumpkin pie recipe made with sweetened condensed milk, pumpkin puree, and warm spices. This traditional dessert is the perfect ending to a Thanksgiving feast.

Prep Time: 10 mins • Cook Time: 50 mins • Total Time: 1 hr
Servings: 8 • Yield: 1 (9-inch) pie

INGREDIENTS

- 1 (15-ounce) can pumpkin puree
- 2 large eggs
- 1/2 teaspoon ground nutmeg
- 1 (14-ounce) can sweetened condensed milk
- 1 teaspoon ground cinnamon
- 1/2 teaspoon salt
- 1/2 teaspoon ground ginger
- 1 (9-inch) unbaked pie crust

DIRECTIONS

1. Gather all ingredients and preheat the oven to 425 degrees F (220 degrees C).
2. Whisk pumpkin puree, condensed milk, eggs, cinnamon, ginger, nutmeg, and salt together in a medium bowl until smooth.
3. Pour into crust. Bake in the preheated oven for 15 minutes.
4. Reduce oven temperature to 350 degrees F (175 degrees C) and continue baking until a knife inserted 1 inch from the crust comes out clean, 35 to 40 minutes. Let cool before serving.
5. Enjoy!

BEFORE THE DAYS GET SHORTER, CHECK YOUR VEHICLE LIGHTS & WIPERS

Winter is quickly approaching and that means fewer hours of daylight. To be sure you can be seen by others and your visibility is not compromised, now is the time to check your vehicle's lights and wipers.

The chance of an accident increases if you can't see or be seen. From the driver's seat you may not notice a light that isn't working, so check all of your car's lights and replace those that are out. Also, be sure to inspect and replace wiper blades so you can see clearly when wet weather hits.

The wiper system keeps excessive water, dirt and snow, where applicable, from building up on the windshield, therefore maintaining clear visibility. Many factors can accelerate the replacement interval of wipers, including operating conditions (winter conditions can be tough on wiper blades), frequency of use, material and type of wipers and sunny weather. In fact, wiper blades can deteriorate faster and need more frequent replacement in sunny, southern states.

Lights are normal-wear items that require periodic inspection and replacement. The lighting system provides nighttime visibility, signals and alerts other drivers, and supplies light for viewing instruments and the vehicle's interior. In addition to replacing dimming, rapidly blinking and non-functioning lights, the following tips can help keep you safe:

1. If there is any doubt on whether or not your headlights should be on, turn them on. Lights not only help you see better in early twilight, they also make it easier for other drivers to see you.
2. Keep headlights, taillights and signal lights clean. External dirt and debris can dim operational lights from being seen by others.
3. Make sure that your headlights are properly aimed. Misaimed headlights blind other drivers and reduce your ability to see the road.
4. Don't overdrive your headlights. You should be able to stop inside the illuminated area, otherwise you are creating a blind crash area in front of your vehicle.
