Mother's Day Winner!
Tracy Klosterman

Thanks for the Kind Words!
"Great service, communication and work!" – Michelle E.
"It's nice and friendly. I have taken my truck there for years, not one rust spot. Now taking my Jeep there. I'm sure it will be the same. Far better than the other place." – Jerry M.
"Always great and quick service." – Larry M.

JUNE 2026

CLIENT NEWSLETTER

MANAGER'S MINUTE

June is here, and you can feel summer starting to hit its stride! Between graduations, weddings, ballgames, and vacations, life gets busy fast and, honestly, that's the good stuff. We love seeing our community out enjoying everything this time of year has to offer. First off, congratulations to all the graduates! That's a huge accomplishment, and we're excited to see what's next for each of you. With Father's Day coming up, we've got something fun going on at Chickasaw Garage. We're doing a Father's Day Giveaway, so make sure you get signed up! You can find the Google entry link right on our Facebook page—quick and easy to jump in.

Speaking of family, our crew is really looking forward to spending more time together this summer. For me, personally, that means getting out to the campground with Stacey and the kids whenever we get the chance. There's just something about slowing things down a bit, sitting around a fire, and enjoying time with family and friends that makes this season special. We're also proud to support Rossburg Acres Party with a Purpose. We have golf cart raffle tickets available right here at Chickasaw Garage, and it's a great cause. All the proceeds go toward helping local families who are facing tough situations, especially those dealing with serious medical needs. And the prizes are worth it:

- Golf cart
- A set of 4 tires + alignment from Chickasaw Garage
- Milwaukee tool set (donated by Fort Recovery Lumber)
- Poly chairs from the committee

It's a great opportunity to support the community and have a chance to win something pretty awesome.

As summer travel ramps up, don't forget heat is tough on vehicles. A/C systems, batteries, tires, and cooling systems all get put to the test. If you've got trips planned, now's the time to make sure everything is ready to go so you can focus on enjoying the ride, not worrying about it.

Give us a call or text at 419-925-4329, or schedule online anytime at chickasawgarageinc.com. Let's make it!

Ted Heitbrink

RANDOM FACTS

FASTEST CAR: The Bugatti Chiron Super Sport 300+ holds the record for the fastest production car, reaching a top speed of 304 mph!

FIRST TRAFFIC LIGHT: The first electric traffic light was installed in 1914 in Cleveland, Ohio, and had only two colors: red and green!

LARGEST CAR MARKET: China is currently the largest automotive market in the world, with millions of vehicles sold each year.

CAR COLORS: Studies show that white is the most popular car color globally, making up about 38% of all vehicles sold!

THE FIRST AUTOMOBILE: Did you know that the first gasoline-powered automobile was invented by Karl Benz in 1885? The Benz Patent-Motorwagen is considered the world's first true automobile, revolutionizing transportation.

SAFETY INNOVATIONS: Modern vehicles are equipped with advanced safety features such as automatic emergency braking and lane departure warnings. These technologies have contributed to a significant drop in accident rates over the past decade.

JUNE 5: WORLD ENVIRONMENT DAY
A perfect opportunity to discuss the environmental impact of the automotive industry and the importance of adopting greener technologies.

Exclusions may apply. Expires 6/30/2026

CAR CARE TIPS FOR HOT WEATHER

- CHECK THE COOLING SYSTEM:** Ensure your radiator is full and the coolant is in good condition to prevent overheating.
- MONITOR TIRE PRESSURE:** Hot weather can increase tire pressure, so check and maintain it at the recommended levels to avoid blowouts.
- INSPECT THE BATTERY:** High temperatures can shorten battery life. Check for corrosion and ensure connections are tight.
- USE SUNSHADES:** Protect your interior by using sunshades when parked. This helps keep the cabin cooler and prevents dashboard fading.
- STAY HYDRATED:** Always keep water in your car for yourself and your passengers, especially on long trips.
- CHECK WIPER BLADES:** Hot sun can damage wiper blades. Make sure they're in good condition for unexpected rain.
- REGULARLY WASH YOUR CAR:** Dirt and debris can damage your car's paint. Regular washes help protect the finish from the sun's rays.
