# OCTOBER 2026 CLIENT NEWSLETTER

## MANAGER'S MINUTE

October is a special month at Chickasaw Garage because it gives us another opportunity to support an organization that means so much to our community. Throughout October, Chickasaw Garage will donate \$5 from every oil change to the Mercer County Cancer Association.

We have supported this cause for several years, and it has a personal connection to our Chickasaw Garage family. My brother, Joe, became involved with the Mercer County Cancer Association after his mother-in-law was diagnosed with cancer. Joe has served on its board and continues volunteering to support local individuals and families facing cancer.

When you schedule an oil change with us during October, you are not only taking care of your vehicle—you are also helping take care of your neighbors. Every oil change truly makes a difference!

We would also like to congratulate and thank Andy once again for an incredible 30 years of service with the Chickasaw Fire Department! After three decades of answering the call, Andy has officially retired from the fire department. We are proud of him and grateful for the time, dedication, and sacrifices he has given to help keep others safe. Congratulations, Andy—you have certainly earned it!

We are also incredibly thankful for another successful Rossburg Acres Party with a Purpose! I am truly honored and blessed to serve alongside the amazing board members, committee members, volunteers, sponsors, donors, and supporters who made it possible. Our community's generosity continues to amaze us!

With colder weather on the way, now is a great time to check your battery, tires, heating system, and fluids—and protect your vehicle with rustproofing before winter.

Thank you for trusting Chickasaw Garage and helping us support the community we are proud to call home. Have a safe and happy Halloween!

## OCTOBER IS FALL CAR CARE MONTH!

### October Car Safety Tips to Stay Safe on the Road this Fall:

- **Check Your Lights:** As days get shorter, ensure all your lights (headlights, brake lights, and turn signals) are working properly.
- **Inspect Your Tires:** With wet leaves and changing weather, make sure your tires have adequate tread and are properly inflated for better grip.
- **Watch for Wildlife:** Autumn is a time when deer are more active. Stay vigilant, especially during dawn and dusk.
- **Keep an Emergency Kit:** Include essentials like a flashlight, first-aid supplies, and warm blankets in case of unexpected situations.
- **Replace Wiper Blades:** With increased rain, ensure your wipers are in good condition and replace them if necessary.

## EVERY OIL CHANGE MAKES A DIFFERENCE!

This October, Chickasaw Garage will donate **\$5** from every oil change to the Mercer County Cancer Association.
