MANAGER'S MINUTE

As summer winds down, we're gearing up for a busy fall season! Thank you to everyone who helped make our annual company campout such a blast. It was a great opportunity to relax, make memories, and enjoy time together as the Chickasaw Garage family!

Earlier this August, Chickasaw Garage was proud to help support the Fairways Fore Jayda golf outing as one of the event sponsors. Thank you to everyone who helped make the event a success and allowing us to be part of such a meaningful day.

As we move through September, let's take a moment to remember September 11th and honor the heroes, first responders, and all those whose lives were forever changed. Their courage, sacrifice, and service will never be forgotten.

Rosburg Acres Party with a Purpose is just around the corner on September 17th, 18th & 19th! We hope you'll join us for another incredible event as our community comes together to support some amazing local causes.

This month, Ted and Renee will be attending the Repair Shop of Tomorrow Mastermind Conference to learn new ideas, improve our processes, and bring back even more ways to better serve our customers. We're committed to continually learning and investing in the future of Chickasaw Garage!

From all of us at Chickasaw Garage, thank you! We truly appreciate the trust you place in us every time you choose our shop. SEPTEMBER MAINTENANCE TIPS

1. **Check Your Tires:** As temperatures drop, tire pressure can decrease. Ensure your tires are properly inflated and check for any signs of wear.
2. **Fluid Levels:** Check your engine oil, coolant, brake fluid, and windshield wiper fluid. Maintaining proper levels is crucial for your vehicle's performance.
3. **Battery Check:** Cold weather can be tough on batteries. Have yours tested to avoid any surprises as the temperatures drop.
