

Profile Doors

Thermo-laminated and raw doors, drawers and panels

Exclusive designs to
unlock your way of living.

Exclusive designs to unlock your way of living.

SmartStyle elevates design and quality to new heights, with a premium range that includes doors, drawers and panels available in thermo-laminated and raw (paint-ready) surfaces.

Australian made and in a wide range of stylish profiles and finishes, there is an option to suit every taste. Advanced technology not only adds a seamless edge, but also ensures exceptional durability and long-lasting performance.

At SmartStyle, our reputation is built on a solid foundation of trust and reliability. We pride ourselves on performing consistently well and in a way that continually exceeds expectations.

SmartStyle, create something beautiful.

Applications

Suitable for vertical use, thermo-laminated doors are ideal for doors, drawers and panels in kitchens, pantries, bathrooms, laundries and wardrobes.

Crafted in Australia

SmartStyle applies the perfect balance of cutting-edge manufacturing, with personalised attention to detail.

Easy to clean

Low maintenance surfaces that are simple to clean and maintain, making it easy to keep it looking newer for longer.

Seamless edge design

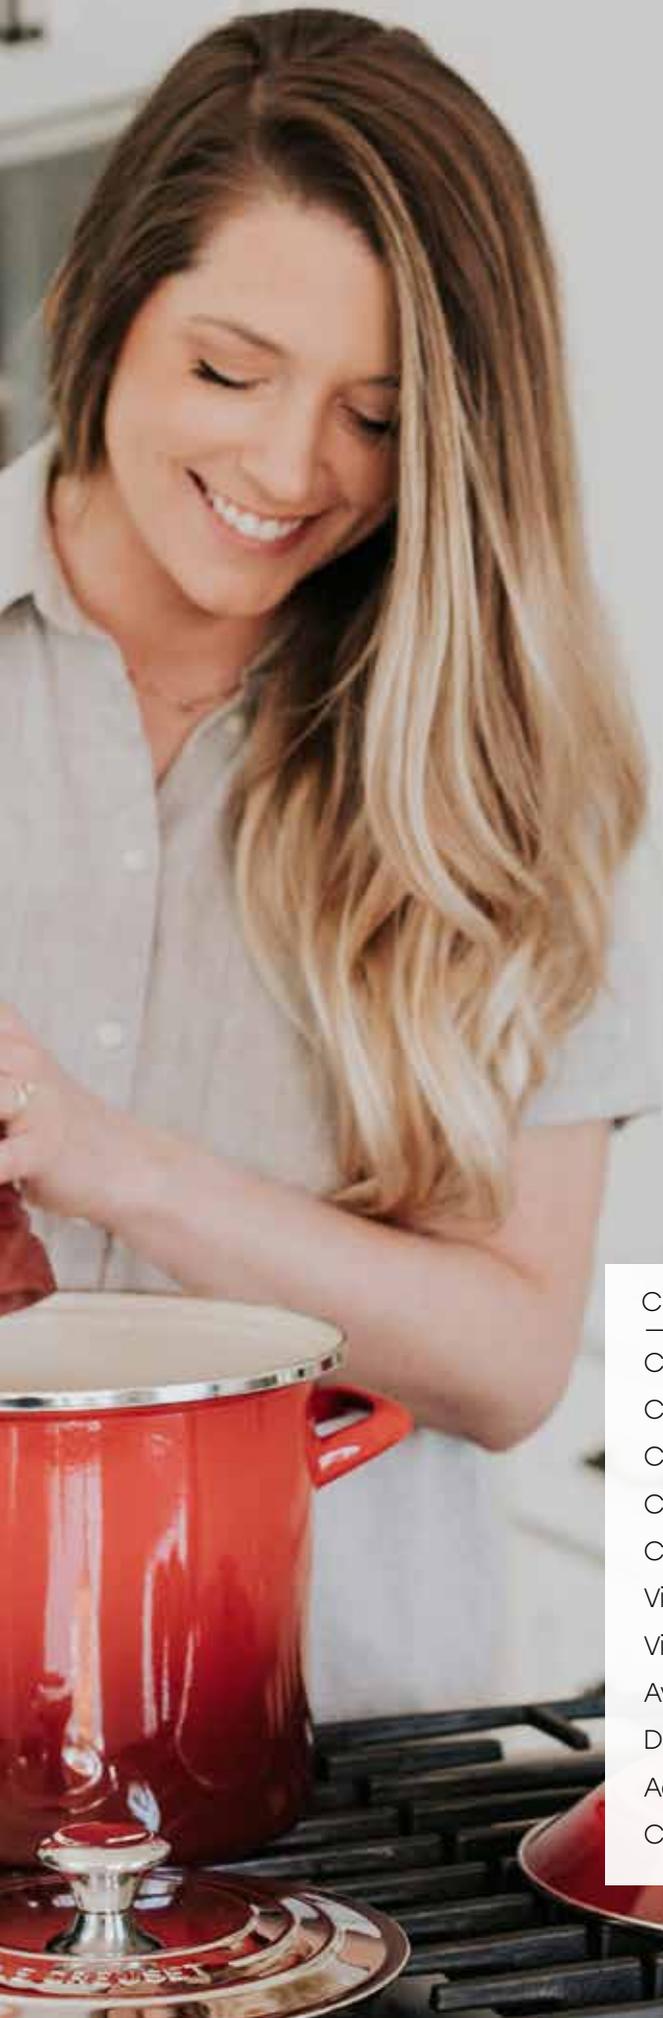

Our wrap-around edge profile creates a luxurious, seamless look. No visible edgings.

Durable thermo-laminated doors

SmartStyle doors offers a durable surface that minimises the risk of chips and scratches for 'high traffic areas' - perfect for the way we live today.

C1: Lorne

C1: Montreal

Collection 2 (C2): Handle-less & Soft Profile

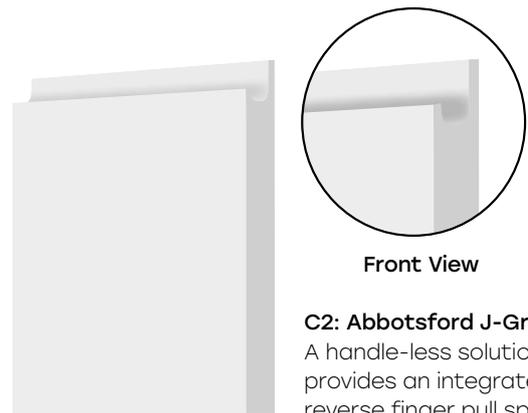

Back View

C2: Kingston Finger Pull

A flat door/drawer with integrated finger pull. Ideal for a handle-less look. Available in vinyl or raw (ready for paint). Not available in a Gloss (GL) finish.

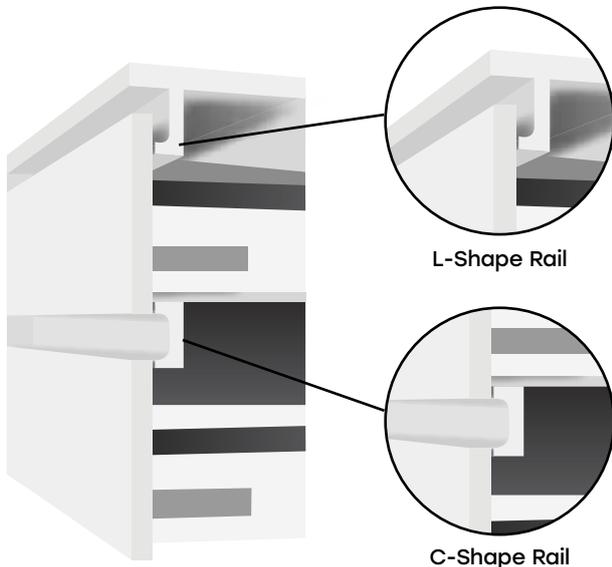

Front View

Front View

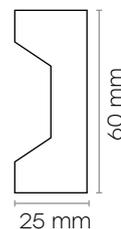

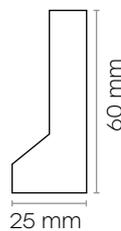

C2: Abbotsford J-Groove

A handle-less solution that provides an integrated reverse finger pull space. Available raw only (ready for paint)

L-Shape Rail

C-Shape Rail

L & C Rails: Recessed shape rails
Recessed rails are used instead of handles and integrated into your cabinet design. They are placed behind the drawers or doors, allowing finger space to open doors and provide a streamline design.

L-shape for top drawer and C-shape to suit between drawers.

Available in vinyl finish or raw (ready for paint).

Rail length: 2400mm x 60mm

Timber Grains

With a combination of realistic and wood-inspired designs these curated, organic patterns provide the opportunity to appreciate rare and endangered wood in a sustainable way; or choose from classic, traditional wood patterns for use in a wide variety of applications. Coupled with the seamless edge of vinyl these woodgrain designs emulate natural timber doors.

Vinyl Finishes

Satin (S)

This texture group is a dense structure with a moderate reflective and soft tactile quality. Please refer to sample for specific texture.

Grain Texture (GT)

This woodgrain and texture group is a low sheen finish with dimensional textures and natural timber variation. Please refer to sample for specific texture.

Matt (M)

This texture group has a low reflective finish quality. Please refer to sample for specific texture.

Supermatt (SM)

This texture group is a low sheen finish with a super smooth feel, complimenting both solid colours and timber grains. Please refer to sample for specific texture.

Gloss (GL)

A mirror sheen finish with brilliant appearance. Please refer to sample for specific texture.

Texture (T)

This texture group is a subtle tactile touch with a moderate reflective grain sheen level. Please refer to sample for specific texture.

SmartStyle 7 Year Warranty

The manufacturer warrants that SmartStyle thermo laminated and raw doors, drawers and panels shall be free from defect for a period of 7 years from the date of manufacture.

The manufacturer warrants that, under normal use and service, the material and workmanship of its products shall conform to the standards set forth on the applicable technical data sheets for a period of seven (7) years from the date of manufacture. In the event that a SmartStyle product does not perform as warranted, the first purchaser's sole remedy shall be limited to repair or replacement of all or any part of the product which is defective, at the manufacturer's sole discretion.

This warranty applies only to product:

1. In its original installation; and
2. Purchased by the first consumer purchaser.

This warranty shall not apply to defects or damage arising from any of the following:

1. Accidents, abuse or misuse;
2. Exposure to extreme temperature;
3. Improper fabrication or installation; or
4. Improper maintenance.

Please note that if heat deflector strips are not used, the Warranty will be voided.

Heat deflector strips are designed to deflect the heat generated from flush mounted ovens and dishwashers away from the surrounding SmartStyle vinyl surfaces, ensuring added protection.

No other warranties, express or implied, are made. Under no circumstances shall the manufacturer be liable for any loss or damage arising from the purchase, use or inability to use this product, or for any special, indirect, incidental, or consequential damages. No fabricator, installer, dealer, agent or employee of HVG Building has the authority to modify the obligations or limitation of this warranty. The manufacturer warrants that SmartStyle vinyl doors shall be free from defect for a period of 7 years from the date of manufacture. In the case of any damaged or missing items from a delivery, the customer is to make a report within 5 working days.
