Exhibitors are not permitted to sell products for delivery at the show. Exhibitors will be responsible for any state or local taxes that are required. Exhibitors will also be responsible for obtaining sales permit numbers, if they are required. Exhibitors agree to indemnify NACS in the event that NACS is found liable for violating any sales tax laws or regulations that arise from or relate to sales made by the exhibitors on the show floor.

8. LICENSING

Exhibitors or their agents shall not display or offer for sale any counterfeit product, nor shall they display, offer for sale, or advertise any products which bear the name, logo, mark, symbol, or other indicia of origin of a college or university for which a licensing program exists, unless such display has been authorized by the respective institution and/or its licensing agent. In the event that NACS believes that an exhibitor has violated the licensing agreement, NACS Management shall be entitled to request removal of the unauthorized product. In the event that NACS is found liable for any licensing violation that arises from or relates to an exhibitor's actions, that exhibitor agrees to indemnify NACS.

All EACs are obligated to the same rules, regulations, and policies as exhibitors. It is the exhibitor's responsibility to provide the rules, regulations, and policies to their EACs. In addition, EACs are required to submit proof of insurance naming NACS, Phoenix Convention Center, Shepard, NACS' Official General Contractor as additional insured. Specific instructions regarding EACs can be found in the online Exhibitor Service Kit's EAC forms.

11. BADGES AND EXHIBITOR PERSONNEL

Exhibitors should register their personnel in advance, online. Exhibitors are permitted to register five personnel for each 100-square-foot booth. Each representative of an exhibiting company must wear the official CAMEX exhibitor badge at all times while in the exhibit hall. Exhibitor badges are not transferable. Exhibit booths must be staffed at all times during the trade show.

12. SECURITY

NACS Management will contract a security service to monitor the hall during move-in, exhibition, and move-out. However, exhibitors are solely responsible for the care, custody, and control of their own exhibit material. Any easily removable items should be stored away or covered during non-show hours. Any one-of-a-kind samples should be removed from the show floor and in your possession during non-show hours. It is suggested that exhibitors carry insurance for covering loss or damage to their exhibit material. See additional insurance requirements in section 13.

13. EXHIBITOR INSURANCE

The License Agreement, the Phoenix Convention Center Rules, the Exhibit Contract, and these Rules limit the responsibility of the Center, Shepard, NACS' Official General Contractor, and the National Association of College Stores for property loss or personal injury arising from exhibitor's participation in CAMEX or use of the Center. Exhibitor shall, at exhibitor's sole cost and expense, procure and maintain for a period inclusive of the entire term of CAMEX (including the time specified for installation and dismantling, and shipping to and from CAMEX), comprehensive general liability insurance against claims for bodily injury, death, and property damage which arise out of or are in any way connected with the exhibitor's participation in the trade show or use of occupancy of the Licensed Premises or the Center, including claims for injuries occurring in the Center. Such insurance must include coverage for contractual liability, product liability, and coverage for the indemnification obligations of exhibitor under these Rules, with combined single limits of liability of not less than \$1,000,000 for each occurrence. **Such insurance must designate the National Association of College Stores, Phoenix Convention Center, Shepard, NACS' Official General Contractor as an additional named insured.** Exhibitor shall obtain and furnish to NACS Management, upon request, a certificate of insurance evidencing the required insurance.

14. EXHIBITOR LIABILITY-INDEMNIFICATION AND COVENANT NOT TO SUE

Exhibitor agrees to be fully liable and responsible for any and all claims, liabilities, losses, damages, or expenses relating to or arising from an injury to any person or any loss of or damage to property, if such injury, loss, or damage arises out of, or is in any way connected with, the participation in CAMEX by exhibitor. Exhibitor releases NACS from, and agrees not to sue or otherwise make any claim against NACS for any damages or liability in any way related to CAMEX, the Exhibit Contract, the Rules, the License, the Licensed Premises, NACS' Official General Contractor, or the Center for: (i) loss, theft, damage, or destruction of goods; (ii) injury to exhibitor employees, agents, invitees, or representatives while attending CAMEX; (iii) any damage by reason of failure to provide space for the exhibit, or for the removal or alteration of the exhibit; (iv) any good faith action of any nature by NACS Management; or (v) any other loss or damage of any other nature or character. This release and agreement not to sue covers claims which are both known and unknown. To the fullest extent permitted by applicable law and statutes, exhibitor agrees to protect, indemnify, hold harmless, and defend NACS, the Center, NACS' Official General Contractor against all claims, liabilities, losses, damages, and expenses arising out of or relating to exhibitor's participation in CAMEX or use or occupancy of the Licensed Premises or Center, including reasonable attorneys' fees and all costs of litigation.

15. FORCE MAJEURE CLAUSES

NACS will not be responsible in any event for any loss, damage, delay, or limitation related to acts of God, transportation stoppages, labor disputes, government restrictions, civil unrest, warfare, acts of terrorism, unavoidable casualty, disease, epidemic, pandemic, or any other similar or dissimilar causes beyond the control of NACS. Exhibitor hereby releases and discharges NACS from liability for any such loss, damage, delay, or limitation. Should any contingency prevent the holding of CAMEX, NACS may retain such part of the fee specified in the Exhibitor Contract as is required to compensate NACS for expenses incurred up to the time such contingency has occurred.

16. CANCELLATION OF CAMEX

Should any contingency prevent holding of the exposition, other than through a direct act or omission of NACS, NACS may retain such part of exhibitor's booth fees as shall be required to recompense it for expenses incurred up to the time of cancellation, and both parties will be relieved of any other and all further liability.

17. COMPLIANCE WITH ALL FEDERAL, STATE, AND LOCAL LAWS; PHOENIX CONVENTION CENTER RULES, REGULATIONS, AND POLICIES; LOCAL LABOR RULES; AND NACS RULES, REGULATIONS, AND POLICIES

Exhibitor shall comply with all applicable laws, rules, and regulations of governing authorities, including without limitation, all applicable fire, health, and safety regulations; building/catering regulations; labor/union policies; music licensing regulations; ADA regulations; sales tax laws and regulations; as well as any and all present and future rules, regulations, and schedules of which it has notice promulgated by NACS regarding the planning, construction, maintenance, and removal of exhibits and the occupancy of exhibition areas at the conference, including the rules and regulations as set forth in the Exhibitor Service Kit and/or periodic updates.

18. MUSIC LICENSING

Exhibitors may not play unlicensed music during CAMEX. In the event that NACS is found liable for a copyright infringement arising from an exhibitor's unauthorized use of copyrighted music, the exhibitor agrees to indemnify NACS in full.

19. EXHIBITOR BOOTH DISMANTLING PENALTY

Exhibitors may not dismantle their booths prior to official show closing. Early booth dismantling may result in up to **\$1,000 fine** and being forbidden to exhibit in future NACS events.

20. RULES AMENDMENTS AND ENFORCEMENT

NACS shall have the final determination, interpretation, and enforcement of all rules, regulations, and conditions governing exhibitors. All matters and questions not covered by these regulations shall be subject to the final judgment and decision of NACS Management. If any of the above laws, rules, regulations, and/or policies are violated by an exhibitor, NACS reserves the right to annul or cancel this Contract, remove exhibitor from the exhibit hall, take away priority points, impose fines, and/or forbid the exhibitor from participation in future NACS Trade Shows. Such rules, regulations, and schedules may be amended from time to time by NACS Management, and exhibitors shall comply with any and all such amendments following written notification of such changes.

21. APPLICABLE LAW

These Rules and all other terms and conditions of the Exhibit Contract shall be governed by and construed in accordance with the laws of the state of Ohio without regard to conflict of laws, rules, policies, or principles.
