

UNCOVERING THE HIDDEN DELIGHTS
OF ITALY.....TOGETHER!!

A watercolor illustration of an Italian landscape. In the foreground, there are rolling green hills with patches of yellow and blue. A winding path leads through the hills. In the background, there are several buildings with red roofs, some of which are partially obscured by trees. The overall style is soft and artistic, with visible brushstrokes and a warm color palette.

Owners and operators of Italian Delights Tours

Lynette and Jim

Jim and Lynette Romagnesi are passionate travellers and both have proud Italian backgrounds. They have an extremely close affinity with Italy, after having lived there with their children for 2 years from 2005. Put simply Lynette and Jim love all things Italian! They have developed Italian Delights tours over the past 10 years or so, based on their sound knowledge of what intrepid small group travellers (both singles and couples) are looking for in their guided Italian experiences. On the top of Jim and Lynette's priority list for prospective guests is ensuring that their small group tours are exactly that - genuine small group tours! Italian Delights Tours have a maximum group size of 14 guests and the average group size is between 5-7 guests. Within a small group guests are able to blend into local life better and as a result really feel immersed in the Italian life and culture. Also, and most importantly, in our small groups guests are very well looked after from the first point of contact to our final goodbye. All guests really need to do whilst on tour is relax and enjoy their experiences!

Italian Delights Tours provide guests with a genuine, intimate and informal experience of Italy, covering its culture, food, wine, and stunning natural and man made landscapes. All accommodation and eateries are handpicked by Jim and Lynette and are nearly all family-run small businesses, where the proprietors take pride in their work, because their business is often a legacy that has been passed down over numerous generations. There is no packing and unpacking of bags every day, or even every second day. All of the stays on all tours are three nights or longer. There are very few early morning starts and we tend to take guests out to provided lunches, hence late evenings are rare on our tours also.

Italian Delights Tours aren't like the usual tours where guests march around following the guide with the coloured flag at every stop they make. Our experiences allow guests to explore hidden places in their own time, and importantly also at their pace. We have developed itineraries for independent exploration of towns, and we offer optional guided tours on certain days of the tours for those seeking more detailed information about some of the fascinating places that we visit.

Contact us now at info@italiandelights.com.au for your unique and intimate Italian tour experience. We guarantee you won't be disappointed!

CANCELLATION BY US

Italian Delights Tours reserves the right to cancel tours at any time for any reason such as lack of guest numbers or a Force Majeure Event.

If you receive a Tour Credit, you will be able to transfer the Tour Credit towards another tour conducted by Italian Delights Tours in the following 14 months from the start date of your original tour, provided the rebooked tour is a Confirmed Departure.

Please note that all tour prices are subject to a fluctuating AUD/EUR exchange rate, which may cause increases to the tour costs for the rebooked tour.

If the rebooked tour is a more expensive tour, guests will need to pay the difference in price between the Tour Credit and the price of the rebooked tour.

If you decide to cancel your booking rather than use your Tour Credits towards another tour, standard cancellation fees (as set out in the 'CANCELLATION BY YOU' section) will apply.

IMPORTANT ARRIVALS/DEPARTURES INFORMATION

It is your responsibility to take note and enquire with us about the time we arrive at our arrival (pick up) and departure (drop off) points, prior to the beginning / after the end of our tours. This should be done prior to you making any flight or train bookings so that it is clearly understood that the arrangements will fit in with our times. Your train should arrive at least half an hour prior to the designated pick up time, and your flight should arrive at least two hours prior to the pick-up time. Upon your departure from the tour your train should leave no less than an hour after our intended arrival, and your international flight should leave no less than 3 hours after our arrival times (2 hours for Italian domestic flights and Europe-bound flights).

LUGGAGE

Guests are allowed one medium-sized suitcase and one small carry-on bag per person. If you exceed this limit there may not be space in the vehicle(s) to transport your excess luggage and it will be at your own expense to have it transported throughout the tour. We suggest that you bring a day pack for carrying water, guidebooks, jacket, rain gear, etc.

HOW PHYSICALLY FIT DO YOU HAVE TO BE?

ESCORTED SMALL GROUP TOURS

Our escorted tours are not athletic events. To comfortably complete them you should be able to do some moderate walks over hills and be able to climb a number of stairs. We will also be doing a lot of walking in the towns we visit. If you are planning an escorted tour with us it wouldn't hurt to prepare yourself by starting a moderate walking program at least 2 months before the tour.

Italian Delights Tours Terms and Conditions

WALKING TOURS

Our walking tours are suitable for any active person, but there is no question that your enjoyment of the holiday will be hugely increased by some pre-trip preparation. Preparing yourself well will help ensure that you won't be distracted by physical or mental fatigue, and the risks of repetitive strains and injuries will also be greatly reduced.

Our Suggestions:

Go Walking - It seems obvious but to do some walks of similar length to those you will be doing on the tour, in the weeks leading up to it, is a big advantage. Build up gradually, so that you start with shorter ones and work up to longer distances.

Wear in your walking shoes - One of the biggest mistakes you can make is to arrive on the tour with a brand-new pair of boots. Wear them in! Your feet are of utmost importance, so make sure you have professional advice about fitting your walking boots and buy good quality socks which wick away moisture. If necessary, wear two pairs of socks to reduce the risk of blistering and do a bit of toe-nail management too!

Aerobic Exercise - Not everyone is a gym member but any exercise which helps to build cardio strength is an advantage, such as cycling, swimming, squash or football. Think of a few simple lifestyle changes like using steps instead of the lift or escalators and walk up and down the stairs a few extra times each day.

Mix up the Terrain - Even though most of our walks are on quiet country paved roads, when you're out walking practise on different terrain if possible, and don't limit your preparation to hiking on pavements and flat tracks or trails. Including some steeper ascents and descents will start to build strength and stony or rocky surfaces will give your knees and ankles some practice and help to improve your balance. Practise with your day pack also. You will only be carrying a small day pack, but your neck and shoulders can feel stiff if those muscles are not accustomed to this activity. Once again build up gradually and start light, adding extra weight to the pack as you gain in strength.

Water and snacks - In your training preparation for our walking tours remember water and hydration when walking and fuel up on nutrient-rich snacks such as nuts, dried fruits, oat bars or plain chocolate. We will be carrying spare snacks for the group on our walks, and we also remind guests to fill up with water at every opportunity.

Health niggles - If you are aware of any strains or pains during your preparation period it is sensible to see a physiotherapist before you leave home, as early intervention is the key to getting better. They can assess your posture and movement and give specific activities to meet your needs.

SPECIAL REQUIREMENTS

Please advise us of any special requirements such as Special Meals, Medical Requirements etc, as soon as possible.

If you get motion sickness easily, it is advisable to bring with you motion sickness pills, as we will be travelling along hilly and mountainous roads at times.

LIMITATION OF LIABILITY

To the maximum extent permitted by law (including the Australian Consumer Law), we will not be liable for any loss (whether direct, indirect or consequential), delay or deferment, or death, injury, or damage to any person or property arising from a Force Majeure Event or due to an act or omission of any person (whether negligent or otherwise), including third party providers over whom we have no direct control.

Where an applicable law provides that our liability cannot be excluded (including the consumer guarantees under the Australian Consumer Law) our liability is limited to the remedies required of us under the applicable law.

PERMISSION FOR PHOTOS AND VIDEOS OF GUESTS

You agree that our Tour Directors or Representatives may take photographs and films of you while you are on holiday and that these may be used in our Group brochures and/or advertising or publicity material without obtaining any further consent or payment in respect of such photographs and/or films.

GUEST CONDUCT

Italian Delights Tours reserves the right to accept, reject, or not retain any person as a guest whose condition or general deportment impedes the operation of the tour or, in the opinion of the tour manager, affects the rights and enjoyment of other guests. A guest not retained on tour shall have no cause for complaint or refund and shall bear any and all extra expenses that ensue.

Each guest indemnifies and holds harmless Italian Delights Tours from any claim, cost, demand, liability or damage (including legal costs, professional costs and other expenses on an indemnity basis) incurred by Italian Delights Tours arising out of or in connection with (but not limited to):

- a. any breach of these terms and conditions by the guest;
- b. any breach of the terms and conditions of any third party providers to Italian Delights Tours; or
- c. any injury, death, damage or loss sustained due to any act or omission of the guest.

TOUR CHANGES

All information contained in this document is, to the best of our knowledge, correct. However, we reserve the right to make changes in accommodations, group composition, visits, and itineraries at any time, should it become necessary or desirable. Delays or itinerary changes caused by a Force Majeure Event are beyond our control and we are not obliged to pay guests compensation.
