

Treetops After School Club

After School Care at Whitnash Primary School

Our club is called, 'Treetops'.

At Whitnash Primary, Treetops is able to offer a friendly 'home from home' environment where children can enjoy themselves and relax after a busy day at school.

The club provides out of hours play activities where children are safe and secure and supervised by qualified and experienced staff.

Parents can book the shorter session, or the longer session. The club runs for a maximum of 2 hours per day. School site also closes at 5:15pm so there is no flexibility for late collections.

Tea Provision

The tea provision is outsourced to Educaterers.

Organisation

Every day is a "fun day" at Treetops and staff will work hard to ensure a safe and fun after-school provision.

Activities at Treetops are organised and the children at the club will have access to a range of pre-planned activities, including:

- Art and Craft
- Outside play opportunities
- Board games
- Table top or floor toys
- Book and a cosy reading zone
- Films and computer based fun learning games
- Forest School style opportunities

Activities will vary from day-to-day to support children's enjoyment and interests. The club will respond to national festivals, events and fun topics to add additional interest and purpose.

Treetops will maintain a good staffing ratio to ensure that the adults are available to play with the children, support them and inspire them and make sure that they are happy and settled. Provision will be limited to a maximum of 35 children at all times. This will ensure a consistent adult ratio of 1 adult per 7-8 children. This high ratio will help ensure your child's safety and ensure that the club is able to facilitate a wide range of activities.

We like to find out about your child before they join so that we know their likes and dislikes – we even give new children a "Buddy" when they start, a friend that will look after them as well as the staff always being there for them.

We believe that your child will be in a happy, fun, safe and caring environment whilst at Treetops and hope that all children who attend have an enjoyable time.
