

Dear Parents/Carers

Menu Addition

As from next week we are introducing a fourth option to the school meal menu. From Monday a daily cold option will be offered to children. We know that during the Summer Term the cold option was popular and felt it was timely now that we have more space to prepare and store food. As we have a wonderful, new shiny kitchen, we are keen to also encourage more children to opt for school meals by providing a great variety of choice.

Harvest Festival

As from Monday, we will be launching the annual Food Bank collection. This collection window begins on Monday 22nd September 2025 and will close on Friday 3rd October, the day of our Harvest Festival. Miss Simmons is busy arranging a visitor from St Margaret's Church to deliver our Harvest Assembly to the children. The Food Bank collection is a great way to encourage children to think about how fortunate we are to be blessed with the food we have and remember those more in need. We thank parents in advance for supporting this collection, which will help many families in our local community.

Williams Formula 1

On Tuesday the children who participated in the Design and Engineering Project in the Summer Term, got to enjoy their well-earned day out at the Williams Formula 1 Headquarters. This was an incredible experience for our pupils. During the day they had a tour of the museum and looked at cars from the 1970's all the way to modern day and they raced each other on real e-sports simulators.

The children became designers, managers and engineers creating and crash testing a nose cone. We cannot be more grateful to Mrs Middleton and the team at Williams for enabling our children to participate in such a fabulous opportunity. We send our thanks to all the staff who attended and supported the success of this trip.

Musical Instrument Lessons

On Thursday we had a visit from Mr James Suckling from Independent Music Solutions. Mr Suckling is a music teacher who will be offering a choice of musical instrument lessons to our pupils. We are always keen to expand and build on the amazing music provision we already have. We hope that many children will show an interest in learning a new instrument. More information is in this newsletter, or please see the letter that has been sent home

Wishing you all a wonderful weekend. *Mrs Donna Ellison - Headteacher*

Attendance

Well Done Sycamore

We want to remind Parents/Carers of the importance of getting children to school on time, so that they do not miss their learning. We would also like to remind Parents/Carers that you need to call the absence line each morning that your child is absent, before 9am with their symptoms or reason for absence.

Thank you for your co-operation.

Miss Emma Lindon
Attendance Champion

Year 5 & 6 Young Voices

Please remember that the Year 5/6 Young Voices choir rehearsals start on Monday 13th October - 3.15-4.15pm

Children with inhalers

All children with an inhaler requires a spacer. Please ensure that your child had one in school.

Years 3-6

Please contact me if you would like an application for Bikeability Learn2ride. As the name suggests, this is only for children who cannot currently ride and is only open to pupils in the above year groups. The course will be held at school next June.

All classes

Please can we remind all parents not to let balances for meals on Parent Pay creep up. We currently have a number of outstanding balances on Parent Pay.

We have already had a high number of unnamed cardigans and jumpers handed in to lost property. Please remember to label your children's clothes to help us reunite them with their owners.

We are a NUT FREE school

As we have several pupils with severe nut allergies, please do not send your child in with ANY nuts, or products containing nuts. **This does include sesame seeds.**

Please clearly label all cardigans, jumpers, PE kit, hoodies and coats.

Well done on a fabulous first week at school! You have made a great start to Year 3 and have impressed me with your positive learning attitude! A huge well done and keep up the super effort!

What a wonderful start Anika has made to Year 3! She has an excellent approach to learning, always tries her best and she has a calm, mature attitude. Super start Anika! Well done!

Brooke

Juniper

Year 4

Tilly

Chestnut

Brooke has had a fantastic start to Year 4. She is hardworking, fantastic listener who participates in all of our classroom discussions sharing her ideas. She is also kind, caring and supportive to her peers and always happy to help out around the classroom. Well done! Keep up the good work!

Tilly has settled into Year 4 brilliantly. Everyday, she has entered the classroom with a smile and a real determination to complete tasks and get involved in all the learning. She is already showing herself to be a great role-model for Y4 and for younger children as she has willingly helped others around school.

Violet

Year 5

Maria

Elm

Well done Violet, you have had a fantastic start to Year 5! You have become more independent in writing tasks and all of your work has been neat! You even surprised Mrs Roger when she read your work. Keep up the good work.

Well done for a fantastic start to Year 5! You have worked exceptionally hard and are a super role model to those around you. Keep up all your hard work!

Delia

Oak

Year 6

Annabelle

Rowan

Delia has made a brilliant start to year 6 and has taken every opportunity to prove how ready she is for the challenges that lie ahead. Delia produced a stunning persuasive letter about deforestation, incorporating new tools she has learnt this year but also using knowledge from last year to strengthen her writing. I can't wait to see the amazing things Delia achieves this year.

Annabelle has had an incredible start to Year 6. She is a hardworking, kind and helpful member of the class. Annabelle has shown positive learning behaviours throughout every subject area and tried the best she can in each lesson. I already know that Annabelle is going to have a year! Well done Annabelle.

Key Stage 1

Key Stage 2

WATER CLOCK

ENGINEERING CHALLENGE 13

Designed by Sam,
Teacher and Design
and Technology enthusiast
at Malmesbury Primary School

The brief

Create a water clock that times exactly one minute with 200ml of water.

The method

1. A simple water clock could consist of two plastic cups fixed one above the other with a hole in the top cup to allow water to pass from one to the other.
2. Additional cups, string, straws, plasticine, etc. can also be used to create more elaborate examples or to help slow the water if necessary.

Top tip

You will need to use a timer to observe and measure time accurately and make changes depending on your results. The size and position of the holes, the number of cups the water passes through, the angle of straws and flow rates will all affect your design.

Materials

Plastic cups
Straws
Plasticine
String
A timer
Wooden doweling or similar to act as a stand
Scissors
(with adult supervision)
Tape
Drawing pins

Design icons

Water clocks are among the most ancient of time pieces, with known examples from Egypt dating to the 16th Century BC. Examples with gears and feedback systems were developed during the Greek and Roman periods.

Visit To Williams F1 HQ

This week the winners of the STEM competition attended their prize trip.

After a very early start, the children arrived at Williams F1 Racing HQ at 9am. In the morning, the children had an informative tour of the Williams

Racing Museum and looked at cars from the 1970's all the way to modern day, including cars driven by Nigel Mansell, Ayrton Senna and George Russell! The collective cost of the cars in the museum is over £300 million. We got to hold the steering wheel used by George Russell and a helmet worn by Alex Albon.

Regulations and the safety evolution of the cars fascinated the children. Our guide, Matt, told the children about the 1,000s of job roles needed in STEM to make one component like the steering wheel. They learnt about the use of carbon fiber and held a wing worth over £100,000.

The children raced each other on real e-sports simulators using real F1 wheels. The brakes alone were as heavy as 30kg to push. In a real F1 car, pushing the brake needs over 100kg of force. They raced on famous circuits like Baku, Silverstone, Monaco and more. We did have a couple of crashes of course.

In the afternoon the children became designers, managers and engineers creating and crash testing a nose cone. The children learnt about forces and safety of F1 cars and how the nose cone can protect the driver in an accident. The crash test gave the children live feedback and data helping them to re-think and improve their design.

Our winners walked away with an awesome prize and all children left the experience with a goodie bag of branded merchandise.

INDEPENDENT MUSIC SOLUTIONS

MUSIC EDUCATION PARTNERSHIP

At Whitnash Primary School

Independent Music Solutions are going to be providing music lessons in school this year for children in Year 3 and above.

Lessons take place during the school day. Learning an instrument gives children a special skill which helps develop their confidence, self-esteem and individuality. It also boosts cognitive thinking and overall academic achievement.

They are offering the choice of:

Year 3 and above - Keyboard & Recorder

Year 4 and above - Flute & Clarinet

Year 5 and above - Saxophone

Beginner lessons are £6.75 per week payable in a 10 week block for £67.50.

Flutes, Clarinets & Saxophones are available for hire for £17 per term (equivalent to £1 per week).

To enrol please go to

www.independentmusicsolutions.co.uk

and click on 'Enrol for Music Lessons'

Please do not send any money through school. Payment is made directly through Independent Music Solutions.

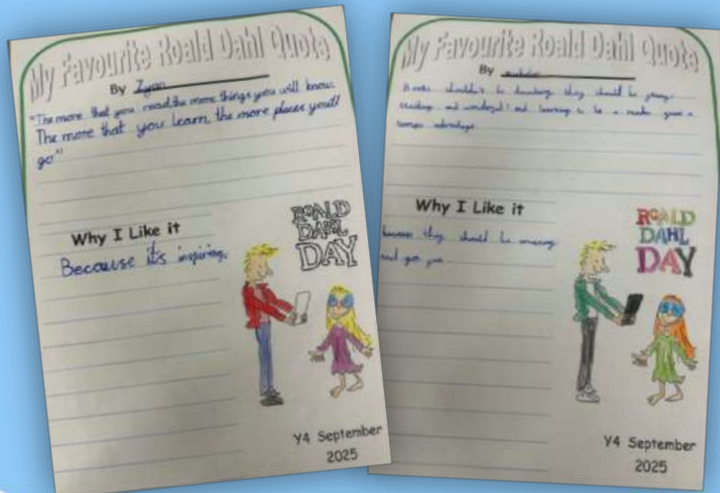

INSTRUMENTAL TUITION

On Friday 12th September, we celebrated the wonderful work of Roald Dahl. There were a range of stories read and activities completed.

Year 4 delved into some wonderful quotes by Roald Dahl.....

Year 2 classes were overrun by enormous crocodiles....

We had a phizz-whizzing, swashboggling and wondercrump time!

Madeleine Walks For Myton

Madeleine completed the 6 mile walk for Myton last Sunday. Mom is super proud of her and her reasons for walking it.

Well done Madeleine!

Little Sips BIG ADVENTURES

Dear parent/guardian,

As you may be aware your child's school has a milk scheme, administered by Cool Milk. Mid-morning milk provides a much-needed nutritional boost and keeps children hydrated between breakfast and lunch. Children receive free milk until the age of 5. After that, they can continue to reap the benefits of fresh mid-morning milk at a subsidised* cost.

If you'd like to opt in and have not already done so, simply register your child at www.coolmilk.com/register. Your child(ren) will continue to receive free milk whilst under the age of 5 and Cool Milk will get in touch with further information by email shortly before their 5th birthday.

For children who are already over 5, it's not too late – our scheme is flexible! As well as being able to register and make payment straight away, you can join and cancel the scheme at any time. We offer yearly, termly and half termly payment periods and a recurring payment option to give you one less thing to remember.

If you already have an online Cool Milk account for a sibling, you can manage your account, make payment and add extra children by logging in at www.coolmilk.com/parents.

Should you have any questions or need any help, send us a message at www.coolmilk.com/contact or give us a call on the number listed below – we're here to help!

Kind regards,

Cool Milk

Do you qualify for FREE SCHOOL MEALS?

Reasons to apply

Even if your child is currently receiving free school meals because they are in Reception, Year 1 or Year 2, you should still apply for benefits-related FSM if you think you may be eligible.

Doing so means that our school will be given extra funding for six years, which can help to fund valuable teaching and learning support for the school.

Applying for benefits-related FSM also means you will be eligible to receive funding for the holiday periods from the Warwickshire Local Welfare Scheme.

You can apply for benefits-related FSM at any time online

So much more than lunch...

A free school meal:

- creates healthy eating habits
- improves learning and behaviour
- saves money and time
- helps schools get extra funding

Did you know that claiming free school meals means that your child will get access to free school holiday activities and food?

To find out more and for help to apply for free school meals, please contact: freemeals@warwickshire.gov.uk or call 01926 359189

Can I apply?

Your child could be eligible for free school meals if you get any of the following:

- Income Support or Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support from National Asylum Support Service (NASS)
- Guarantee Pension Credit
- Child Tax Credit (with no Working Tax Credit) with an annual income of no more than £16,190
- Working Tax Credit run-on - paid for four weeks after you stop qualifying for Working Tax Credit
- Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get)

You should still apply if your child is aged 4-7 and receives a universal free school meal
