Dear Parents and Carers

Mental Health and Wellbeing Week

As part of Mental Health and Wellbeing week, children across the school took part in age-appropriate mental health workshops delivered by SCARF and the Warwickshire Primary Mental Health Team.

The SCARF workshops focused on healthy choices, wellbeing, brain health and friendships, with children in Reception, Years 3, 4 and 6. Years 1, 2, and 5 workshops with the Primary Mental Health Team focused on understanding emotions, bravery and resilience and understanding stress.

Pupils also completed a mental wellbeing questionnaire, giving us valuable insight into how they are feeling and helping us to identify any children who may benefit from additional support. The week also included a whole-school assembly highlighting the importance of looking after our mental health, recognising our feelings and knowing when and how to seek help.

Hands-on Woodwind Music Workshop

We enjoyed a fantastic Hands-on Woodwind Music Workshop today, with talented musicians travelling from across the country to share their instruments and musical expertise with our children.

Years 1 - 6 enjoyed an engaging live performance, discovering the different sounds and characteristics of a range of woodwind instruments. A group of Key Stage 2 children also had the exciting opportunity to take part in an interactive woodwind carousel, where they could get hands-on and try some of the instruments for themselves. Our Reception children rounded off the afternoon with a special performance of their own.

It was a wonderful opportunity to experience live music, develop musical appreciation and inspire our young musicians! Thank you to Miss Simmons for organising this experience for the children.

BBC Children in Need - Crazy Hair Day

We had great fun supporting BBC Children in Need today with our very own Crazy Hair Day!

Children and staff embraced the occasion with some wonderfully wacky, colourful and imaginative hairstyles. It was fantastic to see everyone getting involved and showing their support for such a worthwhile charity, which helps improve the lives of children and young people facing challenging circumstances.

Thank you to all our families who made a voluntary £1 donation to support this important cause.

Bringing Our Effective Learning Behaviours to Life !

Earlier this year, we relaunched our four Effective Learning Behaviours in Reception and Year 1:

Reflectiveness - Rosie Rabbit
Perseverance - Peter Pug
Collaboration - Colin Cat
Imagination - Iggy Iguana.

It has been wonderful to see how enthusiastically the children have embraced these behaviours and enjoyed collecting their stickers when demonstrating positive learning attitudes.

We are now excited to take things a step further by bringing our four characters to life through fantastic new 3D representations, animations and even a song! We hope these exciting resources will help children recognise, understand and demonstrate these important behaviours both in school and beyond.

Do visit the school website to meet our characters and explore the new resources. We think the children are going to love them!

The Importance of Good Attendance

We would like to remind parents and carers of the importance of ensuring that children attend school every day, wherever possible. Regular attendance is essential for children to make good progress, maintain friendships and get the very best from their learning.

Please avoid taking children out of school for personal appointments wherever these can be arranged outside school hours, including routine dental, medical and other non-emergency appointments., Our aim is for every child to achieve attendance of at lease 95%, wherever possible.

Every day in school really does make a difference, and we appreciate your continued support in helping us give children the best possible start to their education.

The Newsletter Communication

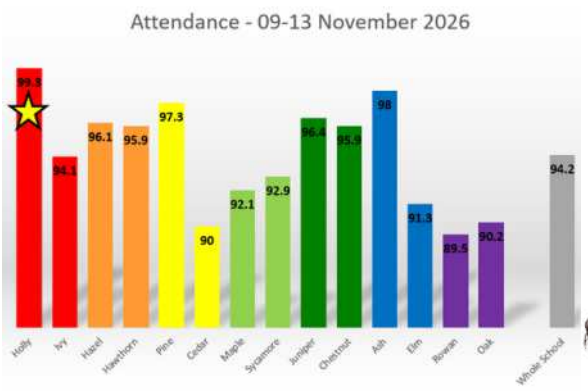

Thank you for reading this newsletter. The school newsletter is designed tokeep you all up-to-date on what is being planned in school.

We try our very best to keep you all informed of everything that is happening through this wonderful resource and a great deal of time and effort is put into doing so. Occasionally some up-and-coming events will only feature in the newsletter due to time and demand in school and some events may not always have additional correspondence. We appreciate your understanding.

Wishing you all a wonderful weekend.
Mrs Donna Ellison - Headteacher

Attendance

Well Done Holly

We want to remind parents and carers of the importance of getting children to school on time, so that they do not miss their learning.

We would also like to remind parents and carers that you need to call the absence line each morning that your child is absent, before 9am with their symptoms or reason for absence. You can also email admin2324@welearn365.com

Thank you for your co-operation.

Miss Emma Lindon
Attendance Champion

Children MUST be in the school building before 9.00am for registration. Doors will be closed at this time and if children have missed this, they will need to be brought to the office by parents/carers to ensure that we have them marked as present in school and to make sure they have their lunches ordered. If this does not happen, it runs the risk of the office not knowing children are in class and they will not be ordered a lunch.

LATE CHILDREN MUST BE ACCOMPANIED BY THEIR PARENT/CARER SO THEY CAN SIGN THEM IN AND NOT LEFT TO ENTER ON THEIR OWN.

Mrs Miller Says ...

Christmas Dinner - Return Slips

Please return your Christmas dinner slips by **Friday 4th December**. After this time, anyone who hasn't ordered must bring a packed lunch from home.

Don't forget to put your child's name and class.

Parent Pay

Please help our school by keeping Parent Pay balances down to an absolute minimum. We currently have a number of high unpaid balances.

If your child is late to school for any reason and require a school lunch, this must be emailed or called through to the school office before 9.30am

NO FIDGET TOYS IN SCHOOL

Please remember - Fidget toys and squishies are NOT allowed in school, unless agreed with Mrs Ellison.

All children must have a named coat and water bottle in school every day.

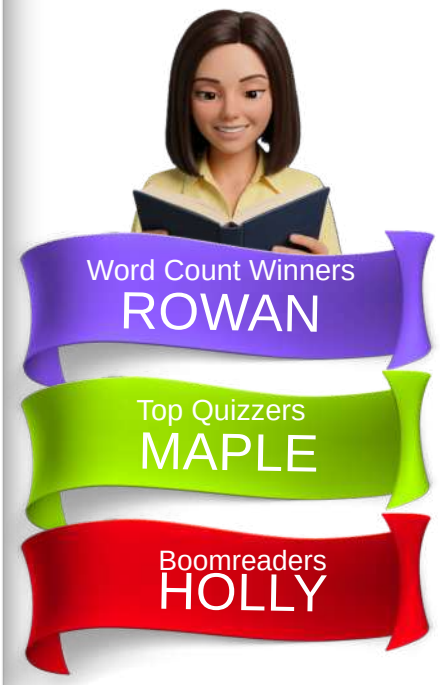

We are a NUT FREE school

As we have several pupils with severe nut allergies, please do not send your child in with ANY nuts, or products containing nuts. **This does include sesame seeds.**

Please clearly label all cardigans, jumpers, PE kit, hoodies and coats.

Forces at Work

Science Photography Competition

Each year we love to offer a science competition which promotes 'super scientist' learning and discussion at home with families. This year we are inviting you to join in our 'Forces at Work' photography competition. Simply get the family exploring forces all around us and take a photo. Remember a force is a push or a pull that makes things move, stop or change shape. For example, it could be kicking a football, kneading some dough, ice skating or playing with magnets.

How to enter:

- Upload your photo to the Whitnash Primary School section of this competition Padlet **https://padlet.com/cattoj/forces-at-work-s024j6epsp7wlz0jo6oj** or scan this QR code:
- Add your child's first name only and class.
- Then in one sentence explain how it shows your child exploring forces at work.
- Closing date: **Monday 23rd November 2026.**

Rewards:

The competition is being run with other local schools in our Science Partnership and there will be prizes for each school as well as a certificate for every child who enters.

All entries on this Padlet are visible to all participating schools, and entering implies your consent to share them. If you prefer to keep your child anonymous, simply submit a photo of the activity without including their face.

Anti-Bullying Week - 16th-18th November

Anti-Bullying Workshops with OpenView Education

Wednesday 18th November 2026

As part of our commitment to fostering a respectful and inclusive school environment, we will be welcoming OpenView Education to our school to deliver Anti-Bullying Workshops for our pupils.

OpenView Education are Associate Members of the Anti-Bullying Alliance and specialists in delivering interactive, drama-based workshops that support children in understanding what bullying is, how to respond confidently, and how we can all play a part in creating a kind school community.

Mental Health Week - 9th-13th November

What's been happening?

SCARF Workshops

These workshops have been delivered by our PSHE scheme provider – the younger children got to meet Harold the Giraffe!

Reception – Happy Healthy Me

This session included how to identify and name a range of feelings, to learn how to recognise how others might be feeling by reading body language/facial expressions and they practised calming, relaxation techniques.

Year 3 – My Healthy Brain and Body

This session looked at how the children can improve both their mental and physical health and well-being and understand the model of 5 ways to Mental Wellbeing at an age-appropriate level. They discussed the ways in which they can maintain, manage and improve their own mental wellbeing using the 5 ways model.

Year 4 – What Makes Me ME !

This session helped the children to identify their personal strengths, skills, achievements and interests; how these contribute to a sense of self-worth and personal identity and what contributes to who we are. They considered reasons for following and complying with regulations and restrictions (including age restrictions); how these promote personal safety and wellbeing in relation to social media, television programmes, films, games and online gaming.

Year 6 – Choices

During this session, the children learned how to be aware of and check their emotional needs, to help support their mental wellbeing. They practised how to predict, assess and manage risk in different situations and discussed the risks and impact on health of effects of legal drugs common to everyday life (with a focus on cigarettes), and the misuse of these.

Mental Health in Schools Workshops

These are workshops, delivered by the Mental Health in Schools team are focussed on different aspects on Mental Health and Well-being.

Year 1 – Understanding Emotions

This session explores mental health, builds emotional literacy and helps children how to manage feelings.

Year 2 – Being Brave & Resilient

These sessions help pupils to explore emotions, and learn to understand key concepts of bravery and resilience. They also learn practical strategies to manage emotions and seek support.

Year 5 – Understanding Stress

These sessions help children to recognise and understand overwhelming emotions, and they learn practical strategies to manage emotions and seek support.

A Well-being assembly was delivered to the whole school by Miss Brown.

FUEL YOUR... LITTLE HEROES!

Dear parent/guardian,

As you may be aware your child's school has a milk scheme, administered by Cool Milk. Mid-morning milk provides a much-needed nutritional boost and keeps children hydrated between breakfast and lunch. Children receive free milk until the age of 5. After that, they can continue to reap the benefits of fresh mid-morning milk at a subsidised* cost.

If you'd like to opt in and have not already done so, simply register your child at www.coolmilk.com/parents. Your child(ren) will continue to receive free milk whilst under the age of 5 and Cool Milk will get in touch with further information by email shortly before their 5th birthday.

For children who are already over 5, it's not too late – our scheme is flexible! As well as being able to register and make payment straight away, you can join and cancel the scheme at any time. We offer yearly, termly and half termly payment periods and a recurring payment option to give you one less thing to remember.

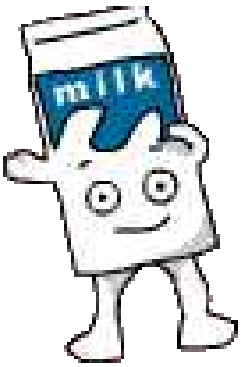

If you already have an online Cool Milk account for a sibling, you can manage your account, make payment and add extra children by logging in at www.coolmilk.com/parents.

Should you have any questions or need any help, send us a message at www.coolmilk.com/contact or give us a call on the number listed below – we're here to help!

Kind regards,

Cool Milk
