Dear Parents and Carers

Christmas Excitement

Christmas excitement will soon be building across school, and we have a wonderful programme of festive performances and activities planned for the coming weeks!

Highlights include our Musical Evening, Carol Service at St Margaret's Church, Reception Christmas Celebration performance, Year 1 Winter Craft Afternoons and the Year 3 Christmas Concert. There will also be plenty of fun for everyone, including our Christmas Dinner, whole-school Christmas Disco and annual Christmas Sing-Along.

We look forward to welcoming parents and carers into school to share in some of these special occasions and creating lots of lovely Christmas memories together. Please refer to our Christmas arrangements letter for full details of dates and timings.

Parents' Evenings

A big thank you to all the parents and carers who attended our Parents' Evenings on Tuesday and Thursday this week.

We really value the opportunity to share your child's progress, celebrate their achievements and discuss how we can continue to support their learning and development. A strong partnership between home and school is essential in helping every child to thrive, and we greatly appreciate your continued support and involvement.

If you were unable to attend, please do get in touch with your child's class teacher to arrange an alternative time for a conversation.

CONGRATULATIONS - Mrs Mottram

A huge congratulations and heartfelt thank you to our wonderful Head Cook, Mrs Mottram, who is celebrating an incredible 25 years of service with Educaterers, most of which has been at Whitnash Primary School!

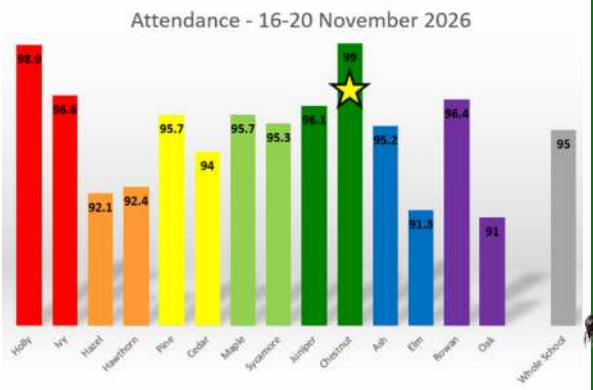

Over the years, she has shown tremendous dedication, commitment and hard work, leading our kitchen team and ensuring that our children enjoy delicious meals every day. Her hard work, experience and contribution to school life are greatly appreciated by us all.

We are incredibly fortunate to have her as part of our school family and thank her for everything she has done over the past 25 years.

Wishing you all a wonderful weekend.
Mrs Donna Ellison - Headteacher

Attendance

Well Done Chestnut

We want to remind parents and carers of the importance of getting children to school on time, so that they do not miss their learning.

We would also like to remind parents and carers that you need to call the absence line each morning that your child is absent, before 9am with their symptoms or reason for absence. You can also email admin2324@welearn365.com

Thank you for your co-operation.

Miss Emma Lindon
Attendance Champion

Children MUST be in the school building before 9.00am for registration. Doors will be closed at this time and if children have missed this, they will need to be brought to the office by parents/carers to ensure that we have them marked as present in school and to make sure they have their lunches ordered. If this does not happen, it runs the risk of the office not knowing children are in class and they will not be ordered a lunch.

LATE CHILDREN MUST BE ACCOMPANIED BY THEIR PARENT/CARER SO THEY CAN SIGN THEM IN AND NOT LEFT TO ENTER ON THEIR OWN.

Mrs Miller Says ...

Christmas Dinner - Return Slips

Please return your Christmas dinner slips by **Friday 4th December**. After this time, anyone who hasn't ordered must bring a packed lunch from home.
Don't forget to put your child's name and class.

Parent Pay

Please help our school by keeping Parent Pay balances down to an absolute minimum. We currently have a number of high unpaid balances.

If your child is late to school for any reason and require a school lunch, this must be emailed or called through to the school office before 9.30am

NO FIDGET TOYS IN SCHOOL

Please remember - Fidget toys and squishies are NOT allowed in school, unless agreed with Mrs Ellison.

All children must have a named coat and water bottle in school every day.

We are a NUT FREE school

As we have several pupils with severe nut allergies, please do not send your child in with ANY nuts, or products containing nuts. **This does include sesame seeds.**

Please clearly label all cardigans, jumpers, PE kit, hoodies and coats.

Forces at Work

Science Photography Competition

Each year we love to offer a science competition which promotes 'super scientist' learning and discussion at home with families. This year we are inviting you to join in our 'Forces at Work' photography competition. Simply get the family exploring forces all around us and take a photo. Remember a force is a push or a pull that makes things move, stop or change shape. For example, it could be kicking a football, kneading some dough, ice skating or playing with magnets.

How to enter:

- Upload your photo to the Whitnash Primary School section of this competition Padlet **https://padlet.com/cattoj/forces-at-work-s024j6epsp7wlz0jo6oj** or scan this QR code:
- Add your child's first name only and class.
- Then in one sentence explain how it shows your child exploring forces at work.
- Closing date: **Monday 23rd November 2026.**

Rewards:

The competition is being run with other local schools in our Science Partnership and there will be prizes for each school as well as a certificate for every child who enters.

All entries on this Padlet are visible to all participating schools, and entering implies your consent to share them. If you prefer to keep your child anonymous, simply submit a photo of the activity without including their face.

Maple Class - Stone Age Homework

Children in Year 3 Maple Class have been working extremely hard on their Stone Age homework this term! We have been learning about the different types of Stone Age homes and Olivia, Toby, Jah-Diamen and Manraj have produced these brilliant models! Well done!

TKT Cheerleading

Whitnash Primary School Cheerleaders Shine at TKT Showcase 2026!

Whitnash Primary School's after-school club cheerleaders took centre stage at the TKT Showcase 2026, delivering an absolutely fantastic performance and making their school incredibly proud!

After weeks of hard work, dedication and determination, the children had the exciting opportunity to showcase everything they had been learning in front of a packed audience. They performed their routine with huge smiles, confidence, energy and fantastic teamwork, showing just how much they have developed since starting their cheerleading journey.

For many of the children, this was a very special opportunity to perform in front of a large audience, step outside their comfort zones and experience the excitement of being part of a cheerleading showcase. They rose to the occasion brilliantly!

Their achievements go far beyond learning a routine. They have developed confidence, coordination, strength, resilience and, most importantly, learned the importance of supporting one another and working together as a team.

TKT was incredibly proud to welcome the Whitnash Primary children onto the showcase floor and celebrate their achievements alongside our wider TKT cheerleading family.

A huge well done to every single child who took part. You were absolute superstars, and we cannot wait to see what you achieve next!

You didn't just perform a routine – you showed everyone what teamwork, confidence and determination can achieve! 💚🤍

FUEL YOUR... LITTLE HEROES!

Dear parent/guardian,

As you may be aware your child's school has a milk scheme, administered by Cool Milk. Mid-morning milk provides a much-needed nutritional boost and keeps children hydrated between breakfast and lunch. Children receive free milk until the age of 5. After that, they can continue to reap the benefits of fresh mid-morning milk at a subsidised* cost.

If you'd like to opt in and have not already done so, simply register your child at www.coolmilk.com/parents. Your child(ren) will continue to receive free milk whilst under the age of 5 and Cool Milk will get in touch with further information by email shortly before their 5th birthday.

For children who are already over 5, it's not too late – our scheme is flexible! As well as being able to register and make payment straight away, you can join and cancel the scheme at any time. We offer yearly, termly and half termly payment periods and a recurring payment option to give you one less thing to remember.

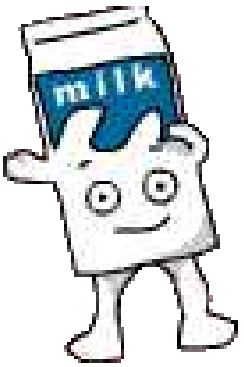

If you already have an online Cool Milk account for a sibling, you can manage your account, make payment and add extra children by logging in at www.coolmilk.com/parents.

Should you have any questions or need any help, send us a message at www.coolmilk.com/contact or give us a call on the number listed below – we're here to help!

Kind regards,

Cool Milk

Can you help protect the medicines of the future?

To support World AMR Awareness Week (18 to 24 November), we're inviting all Warwickshire primary schools to get creative and design a colourful poster to show how simple everyday actions can help keep people healthy, such as:

- Washing hands regularly
- Catching coughs and sneezes
- Staying home when unwell
- Keeping vaccinations up to date
- Eating well and staying active

Win book vouchers for 1st, 2nd and 3rd place!

We're only looking for one poster on behalf of the school, so please get together and use your imaginations, to take part to raise awareness of infection prevention whilst learning more about health and wellbeing.

AMR happens when germs no longer respond to medicines, making infections more difficult or sometimes impossible to treat.

Every healthy habit helps stop infections from spreading and can reduce the need for antibiotics. Together, we can help protect these important medicines for future generations.

We are asking the poster to be no more than an A3 poster. Submissions should be sent to **dphadmin@warwickshire.gov.uk** and include the primary school's name by **29 January 2027.**

The winning poster will be professionally printed and presented to the school.

Good luck!
