## Dear Parents/Carers

### Year 6 SATS

As Year 6 parents are aware, next week the children in Oak and Rowan class will be sitting their Statutory Assessment Tests (SATs). As discussed with the children, these tests have three main purposes. Firstly, to provide an opportunity for children to demonstrate what they have learned from the primary curriculum so that they can be appropriately supported at secondary school. Secondly, to provide the Government with an understanding and measure progress and standards across schools nationally. Thirdly, for the school to gain an understanding of areas of strength and development for the future continued school improvement.

We don't want children to worry about this process and want to reassure them that we will be there for them throughout. Year 6 has worked exceptionally hard this year and we are proud of each and every one of them.

A letter has been sent to Year 6 parents again today to ensure all parents are aware. We thank Year 6 parents for their continued support and help in ensuring children are in school on time next week.

### Year 3 Visit the Solar Farm

Year 3 have been out to a trip to the Solar Farm near Southam. There they learnt about all about renewable energy, and how nature can thrive on a solar farm. The children took part in a bug hunt and discussed how the energy is used to power the local area.

### Welcome Mrs Watson

As mentioned in last week's newsletter, Mrs Watson will be covering Mrs Middleton when she starts her maternity leave. However, Mrs Watson has now joined our Year 5 team early to support the handover. We are sure you will all join us in welcoming Mrs Watson to our school.

### 8th May News

Today is Sir David Attenborough's 100th birthday! Born in 1926, David Attenborough has spent his life dedicated to raising awareness of the importance of animal conservation and climate change.

We couldn't miss the opportunity to celebrate this incredible man and all he has achieved. Mr Hitchins delivered an assembly to the children about this, and many discussions have taken place in classrooms.

Today is also VE Day. Mrs Norris delivered an assembly to the children about the significance of this day in 1945. They learnt about how VE Day marked the surrender of Nazi Germany and the end of World War Two in Europe and became known as Victory in Europe Day. Photos were shared of people present on this day to help children understand the gravity of this day to those who lived through this conflict.

Both VE Day and David Attenborough's life and birthday will have plenty of coverage in the news and through documentaries that many children will be interested in at home.

Wishing you all a wonderful weekend. - Mrs Donna Ellison - Headteacher

# Attendance

## Well Done Pine

We want to remind parents and carers of the importance of getting children to school on time, so that they do not miss their learning.

We would also like to remind parents and carers that you need to call the absence line each morning that your child is absent, before 9am with their symptoms or reason for absence. You can also email

[admin2324@welearn365.com](mailto:admin2324@welearn365.com)

Thank you for your co-operation.

Miss Emma Lindon  
Attendance Champion

Children MUST be in the school building before 9.00am for registration. Doors will be closed at this time and if children have missed this, they will need to be brought to the office by parents/carers to ensure that we have them marked as present in school and to make sure they have their lunches ordered. If this does not happen, it runs the risk of the office not knowing children are in class and they will not be ordered a lunch.

**LATE CHILDREN MUST BE ACCOMPANIED BY THEIR PARENT/CARER SO THEY CAN SIGN THEM IN AND NOT LEFT TO ENTER ON THEIR OWN.**

## Mrs Miller Says ...

### All classes

Please can we remind all parents that if your child requires any form of medication during the school day, this must be brought to the school office by an adult where there will be paperwork to complete.

Can we please ask that all children are sent to school each day with a clean, named water bottle.

### Reception

As the children turn 5, they are no longer entitled to free milk during the school day. If you would like them to still receive this, please see page 11 of the newsletter.

### Years 3-6

Please remember to pack your child a healthy snack to eat at break time. This should be either a piece of fruit or vegetable.

### Year 6

Please remember that all hoodies must be paid for before 21st May.

Reminder that if your child is late to school for any reason and require a school lunch, this must be emailed or called through to the school office before 9.30am

### School Photographer

As you know the school photographer was in this week.

Once the proofs are delivered to us, we will be sending them home with your child/ren.

Payment and ordering are all done through Braiswick, and details of how to order will be on the proof.

## We are a NUT FREE school

As we have several pupils with severe nut allergies, please do not send your child in with ANY nuts, or products containing nuts. This does include sesame seeds.

**Please clearly label all cardigans, jumpers, PE kit, hoodies and coats.**

This week, our year 2 classes have enjoyed making stuffed peppers. The children recapped how to work safely with food and discussed ingredients that they hadn't encountered before. Children were enthusiastic and confident chefs.

We hope they enjoyed their creations!

## Year 1 Visit Whitnash Library

Year 1 have visited Whitnash Library which is on our bucket list. They loved it!

The children learnt about how to borrow and return a book to the library, the different types of books there and enjoyed a story session too. They were really excited and were keen to sign up for their own library card. We are looking forward to hearing about the different books they borrow and enjoy.

# Science, Technology, Engineering & Maths

Do you enjoy solving problems, spotting patterns, experimenting, or creating new things? This week's STEM challenge is designed to get you thinking like a scientist, technologist, engineer or mathematician!

Take on the challenge, test your skills, and have fun exploring the world of STEM. Don't forget to document your work - snap pictures, record your answers and add them to your learning log. You can also email them to the class email address to share your discoveries.

# Little Sips BIG ADVENTURES

Dear parent/guardian,

As you may be aware your child's school has a milk scheme, administered by Cool Milk. Mid-morning milk provides a much-needed nutritional boost and keeps children hydrated between breakfast and lunch. Children receive free milk until the age of 5. After that, they can continue to reap the benefits of fresh mid-morning milk at a subsidised\* cost.

If you'd like to opt in and have not already done so, simply register your child at [www.coolmilk.com/register](http://www.coolmilk.com/register). Your child(ren) will continue to receive free milk whilst under the age of 5 and Cool Milk will get in touch with further information by email shortly before their 5<sup>th</sup> birthday.

For children who are already over 5, it's not too late – our scheme is flexible! As well as being able to register and make payment straight away, you can join and cancel the scheme at any time. We offer yearly, termly and half termly payment periods and a recurring payment option to give you one less thing to remember.

If you already have an online Cool Milk account for a sibling, you can manage your account, make payment and add extra children by logging in at [www.coolmilk.com/parents](http://www.coolmilk.com/parents).

Should you have any questions or need any help, send us a message at [www.coolmilk.com/contact](http://www.coolmilk.com/contact) or give us a call on the number listed below – we're here to help!

Kind regards,

*Cool Milk*

## Do you qualify for FREE SCHOOL MEALS?

### Reasons to apply

Even if your child is currently receiving free school meals because they are in Reception, Year 1 or Year 2, you should still apply for benefits-related FSM if you think you may be eligible.

Doing so means that our school will be given extra funding for six years, which can help to fund valuable teaching and learning support for the school. Applying for benefits-related FSM also means you will be eligible to receive funding for the holiday periods from the Warwickshire Local Welfare Scheme.

You can apply for benefits-related FSM at any time online
