SPLASHATHON!

Dear Parents and Carers

What A Week!

Our children had the most incredible day yesterday taking part in the annual Splashathon. We can't thank the Whitnash PTA and all our parent volunteers enough for arranging this event. The weather was perfect and it was a joy to see the children so excited as they completed their laps of the school field. Given the warm weather they were all content with getting absolutely drenched by the staff and volunteers!

At the end of the day, some extra funds were raised for the school as some staff were talked into 'Soak a Teacher'. Our only concern was the amount of pleasure of some participants faces when they were throwing wet sponges at Mr Collins, Mr Atkin and me! I must admit we did end up considerable wetter than anticipated - I hold Mr Collins fully responsible and he will be missing his playtime next week! However, it's fine - I don't think anyone got a photo! Phew!!

Year 4 Trip To Warwick

Year4 have been out on their school trip to Warwick and had an amazing day training as archeologists and travelling back in time through a portal! Through this, they handled lots of Roman artefacts and learned more about Roman clothing and life at a Roman forum-the market place. Photos to follow next week.

Music Concert

On Thursday afternoon instrumentalists who have been having music tuition from Mr Suckling, performed to their parents. Children have been learning a range of instruments, including the keyboard, flute, saxophone, clarinet, recorder and keyboard.

It was incredible to see what they have achieved in such a short space of time. It was also a joy to see how comfortable and confident the children were in performing to an audience and the encouragement they receive from Mr Suckling. There are photos later in this newsletter. Well done to all of you.

Sports Day

Next week is also a busy time. Monday is the rescheduled Sport's Day. Letters have been sent to parents about this. It is expected that the weather will be on the warmer side again, however it looks like there will be some cloud cover to enable us to go ahead.

The children are so excited about this event, so we are reluctant to cancel again. Please ensure all children have suncream applied before school and send it in with them to reapply if their Sport's Day is in the afternoon. All children will need a cap and a water bottle too. We are looking forward to welcoming parents to this event.

School Reports/Open Evening

On Tuesday 7th July parents will be receiving their child's annual school report and on Thursday 9th July, parents and carers are welcome to pop in after school for an informal chat with the class teachers and to look at their children's books. This is also a valuable opportunity to ask anything about your child's report. An amended separate letter has been emailed out to explain Open Evening in more detail.

Sadly, Year 6 reports will be delayed until Thursday 16th July. This is because we have been informed that the National Standard Assessment Tests (SATs) results are delayed this year. Schools were expecting the results to be available on Tuesday 7th July, but due to unforeseen circumstances there is a national delay. However, parents and carers are still welcome to come to the open evening for a general discussion and to look at your child's books.

Transition Day (Shuffle Up Day)

Wednesday 8th July is Transition Day. Children will meet their new class teachers and move to their new classes. We will ensure this information is shared with you all on Monday. We are relieved to say we have a full staff for September and are busy having discussion and finalising plans on where everyone will be. We thank you for your patience and understanding. Any pupils needing additional support to adjust and prepare for September will of course be supported during the final weeks of school.

Wishing you all a wonderful weekend. - Mrs Donna Ellison - Headteacher

Attendance

Well Done Pine 100%

We want to remind parents and carers of the importance of getting children to school on time, so that they do not miss their learning.

We would also like to remind parents and carers that you need to call the absence line each morning that your child is absent, before 9am with their symptoms or reason for absence. You can also email

admin2324@welearn365.com

Thank you for your co-operation.

Miss Emma Lindon
Attendance Champion

Children MUST be in the school building before 9.00am for registration. Doors will be closed at this time and if children have missed this, they will need to be brought to the office by parents/carers to ensure that we have them marked as present in school and to make sure they have their lunches ordered. If this does not happen, it runs the risk of the office not knowing children are in class and they will not be ordered a lunch.

LATE CHILDREN MUST BE ACCOMPANIED BY THEIR PARENT/CARER SO THEY CAN SIGN THEM IN AND NOT LEFT TO ENTER ON THEIR OWN.

Mrs Miller Says ...

All Classes

As we near the end of the term, can we ensure that all Parent Pay balances are brought up to date. I would like to take this opportunity again to remind parents to keep their Parent Pay balances to an absolute minimum. We currently have the equivalent of over 600 meals outstanding for payment.

Year 6

Please remember to clear any outstanding Parent Pay balances before the last day.

Current Year 2

When your child moves to year 3 in September, your child will no longer be entitled to the Universal Infant Free School Meals. This means that you will need to pay for your child to have a school dinner. The cost of a dinner is £3.05 per day. However if you receive certain benefits, then your child may be eligible for Free School Meals. To see if your child is eligible, you can apply online at

www.warwickshire.gov.uk/freeschoolmeals.

Reminder that if your child is late to school for any reason and require a school lunch, this must be emailed or called through to the school office before 9.30am

We are a NUT FREE school

As we have several pupils with severe nut allergies, please do not send your child in with ANY nuts, or products containing nuts. **This does include sesame seeds.**

Please clearly label all cardigans, jumpers, PE kit, hoodies and coats.

Music Takes Centre Stage At Whitnash

This week, we didn't celebrate music with just one concert—but two! On Tuesday afternoon, Key Stage 2 came together to enjoy a wonderful celebration of music across our school, featuring performances from our Year 4 ukulele players, the Music Makers Band, and our small guitar groups taught by Mr Beatty. It was fantastic to see the amazing learning, progress, and confidence our pupils have developed through their music lessons. We were so proud of every performer, who entertained the audience with enthusiasm and skill.

Then on Thursday morning, parents joined us to celebrate our new music lessons, taught by Mr Suckling. Over the past year, children in Key Stage 2 have been learning to play the keyboard, recorder, flute, saxophone, and clarinet, and it was a delight to see how much they have learned. Their enthusiasm, confidence, and love of music shone through in every performance, making it a truly special celebration of their achievements. We look forward to seeing this musical progress continue next year!

A huge well done to all who performed!

Our next musical concert will take place on Wednesday 15th July at 2:00pm and will feature our Year 5 whole-class guitar group, Rock Band, and small guitar groups. Parents and carers of the children involved are warmly invited to join us for this special performance. We look forward to another wonderful afternoon of music and celebrating the fantastic musical talent at Whitnash!

SPLASHATHON!

A big thank you to everyone who took part in the splashathon on Thursday and helped to raise money for the school! There was so much energy and a lot of fun was had by both participants and volunteers.

I just want to say a particular thank you to those who volunteered and the teachers who got involved. We couldn't have done it without you!

There still time to pay your sponsorship money into parent pay and we will let you know the total next week in the newsletter!

Reminder if we collectively raise over £3000 as a prize we will have a non school uniform day at the end of term.

Now the Staff's Turn!

Mr Atkin - what have you done!

We had to put her in a Rags2Riches bag to stop her dripping all over the floor. She's still smiling though

(Lucky for Mr Atkin!)

Well done to this years eco council on achieving their green flag award again this year with fantastic feedback.

Green Flag 2026

Whitnash Primary School

Award Level: Green Flag

Your Greatest Overall Success: One of your greatest overall successes this year has been the development of a new culture of environmental awareness that has clearly become part of the everyday ethos of your school. It is wonderful to read that children show such genuine care for the environment and are taking the initiative to reduce waste, reuse materials, and think more carefully about alternatives for projects, including those taking place on the playground. This kind of shift in attitude is especially meaningful because it shows that sustainability is becoming embedded within daily school life. It is also fantastic to see that the work of your Eco-Council has had a noticeable impact on the wider community, with increased engagement from families and local residents, particularly through litter-picks. This demonstrates the powerful ripple effect that pupil-led environmental action can have beyond the school gates.

We Also Loved:

Focus Topics:

- You should be commended for the perseverance shown in working to reduce the use of single-use plastics across the school. It can be incredibly challenging to change long-standing habits, but your Eco-Council showed real determination by persisting, meeting with experts, and spreading their message as widely as possible in order to make meaningful change. This is such an important reminder that small changes, when sustained over time, can lead to a much bigger impact.
- Your acrostic Eco-Code is lovely and carries a particularly strong message about the importance of working together to help the world. We especially appreciated the emphasis on taking responsibility and inspiring others, as these ideas reflect such a positive and empowering approach to environmental action. A message like this helps pupils understand that sustainability is not something achieved alone, but through shared effort, encouragement, and commitment.
- It is also wonderful to see that you have worked with such a strong range of external organisations to support your Eco-Schools initiatives this year. Gaining support from Biffa and your local council to secure donations of 10 fruit trees and litter-picking resources, alongside assemblies from Severn Trent and a session with a local artist, is incredibly positive. These partnerships bring added expertise, resources, and inspiration into the school, while also helping pupils see that environmental action is something supported by the wider community.
- The creative elements within your curriculum links are another real highlight. It is very clear why pupils are engaging so enthusiastically with this work. Creating ocean-inspired music and producing recycled artwork, from fish sculptures to sea-creature displays, is a wonderful way to make environmental themes both imaginative and memorable. Activities like these allow children to explore important issues through creativity, helping them express their understanding in meaningful ways while deepening their connection to the topic.
- Throughout your Action Plan, you have also carefully considered how to keep the wider school community informed. Using newsletters, social media, and your school website and gathering pupil and parent voice, is a fantastic approach. Involving the wider community ensures that your Eco-Schools journey feels shared, visible, and valued by all.

Little Sips BIG ADVENTURES

Dear parent/guardian,

As you may be aware your child's school has a milk scheme, administered by Cool Milk. Mid-morning milk provides a much-needed nutritional boost and keeps children hydrated between breakfast and lunch. Children receive free milk until the age of 5. After that, they can continue to reap the benefits of fresh mid-morning milk at a subsidised* cost.

If you'd like to opt in and have not already done so, simply register your child at www.coolmilk.com/register. Your child(ren) will continue to receive free milk whilst under the age of 5 and Cool Milk will get in touch with further information by email shortly before their 5th birthday.

For children who are already over 5, it's not too late – our scheme is flexible! As well as being able to register and make payment straight away, you can join and cancel the scheme at any time. We offer yearly, termly and half termly payment periods and a recurring payment option to give you one less thing to remember.

If you already have an online Cool Milk account for a sibling, you can manage your account, make payment and add extra children by logging in at www.coolmilk.com/parents.

Should you have any questions or need any help, send us a message at www.coolmilk.com/contact or give us a call on the number listed below – we're here to help!

Kind regards,

Cool Milk

Tuesday 2 July 2026

Welcome to our special edition of the Family Information Service newsletter. This month, we're focusing on free school meals.

Access to a free school meal not only helps children develop healthy eating habits but can also support their learning and behaviour in school, while saving families both time and money.

From September 2026 there will be some changes to the eligibility criteria. In this edition, you'll find everything you need to know about what's changing, the wider benefits of applying (it's more than just a free meal!) and how to make an application.

Summer 2026

Holiday Activities & Food (HAF)

Dear Parent/Carer,

The DfE-funded HAF (Holiday Activities & Food) programme provides young people the opportunity to access enriching activities alongside healthy meals over the **main school holidays at Easter, Summer and Christmas.**

Please note that this programme is entirely separate from the Local Welfare Scheme's household support funding (i.e. supermarket HUGGG vouchers).

All young people who currently meet the following two criteria are eligible:

- In full-time education between Reception - Year 11
- Receiving benefits-related free school meals

Each eligible young person can access a maximum of **16 sessions** over the Summer holidays. Families have the flexibility to book with multiple activity providers if desired. All activity providers can request additional funding for 1:1 support if this is required, however this will depend on their staff availability and qualifications. We also fund a number of SEND-specific activities.

Please note you will need a HAF code to book activities. **Eligible families can access their HAF code through the 'Request a HAF code' form at www.warwickshire.gov.uk/haf.**

Summer activity listings will be live on our site from **Monday the 22nd of June** so that you can book. Activities will then begin from **Monday 20th July.**

With our regards,
Warwickshire HAF Team
