Dear Parents and Carers

European Day of Languages

Today, Friday 25 September, we celebrated European Day of Languages 2026. The children have enjoyed taking part in a range of lovely activities, including learning songs in different languages, playing games and finding out more about different cultures and flags. It has been wonderful to see the children embracing the opportunity to celebrate the rich diversity of languages and cultures around us. More information and photographs will follow in next week's newsletter.

Toys and Cards in School

We would like to remind parents and carers that children should not bring toys or trading cards, including Pokémon cards, into school. These items can quickly become a distraction and can have a negative impact on children's concentration, learning and the smooth running of the school day.

If children bring toys or cards into school, these will be removed and kept safely by staff before being returned to the child at the end of the school day. We would therefore appreciate parents' support in ensuring that these items are left at home.

We recognise that, in some exceptional circumstances, individual children may have an agreed need to use items such as fidget toys, sensory chew aids or headphones to support their access to learning. Where these are part of an identified and agreed special educational need adjustment, we will of course continue to support their appropriate use in school.

However, unless there is an agreed individual need for these items, we ask that parents do not send children into school with fidget toys, sensory chew aids or headphones. As with toys and cards, these items can become a distraction from learning when they are not being used as part of an agreed support strategy.

We very much appreciate parents' support in helping us to maintain focused, purposeful classrooms where all children can concentrate and learn effectively.

Road Safety and Acre Close

This week, we have received a report concerning unsafe driving in Acre Close. As parents will be aware, the Acre Close entrance to the school runs through the park, with children playing in the park on either side of the vehicular access to the Boxing Gym car park.

Whilst we will continue to educate our children about road safety and the importance of being aware of vehicles, it is the responsibility of all adults using this facility to take every possible care to keep our children safe.

Our recommendation is that, wherever possible, parents park further away from both school entrances and make the short walk into school. This will help to reduce both the risk to children and congestion around the school entrances.

Where parents feel that parking further away is not possible, we ask that the safety of children is the highest consideration at all times. Please drive slowly, remain vigilant and be particularly mindful of children who may move unexpectedly around the park and school entrances.

Thank you for your continued support in helping us to keep our children safe.

We wish all our families a wonderful weekend and look forward to seeing everyone back at school on Monday.

Mrs Donna Ellison
Headteacher

Attendance

Well Done Holly & Hazel

Attendance - 21 - 25 September 2026

We want to remind parents and carers of the importance of getting children to school on time, so that they do not miss their learning.

We would also like to remind parents and carers that you need to call the absence line each morning that your child is absent, before 9am with their symptoms or reason for absence. You can also email admin2324@welearn365.com

Thank you for your co-operation.

Miss Emma Lindon
Attendance Champion

Children MUST be in the school building before 9.00am for registration. Doors will be closed at this time and if children have missed this, they will need to be brought to the office by parents/carers to ensure that we have them marked as present in school and to make sure they have their lunches ordered. If this does not happen, it runs the risk of the office not knowing children are in class and they will not be ordered a lunch.

LATE CHILDREN MUST BE ACCOMPANIED BY THEIR PARENT/CARER SO THEY CAN SIGN THEM IN AND NOT LEFT TO ENTER ON THEIR OWN.

Mrs Miller Says ...

Holly & Ivy

Please activate your Parent Pay accounts.

If you need another activation letter, please contact the school office.

Please note that ALL correspondence is shared through our Parent Pay system, so it is extremely important you activate your account. If you need any help, please contact the office.

All children must have a named coat and water bottle in school every day.

Parent Pay

We have a number of high balances on Parent Pay currently. These balances put schools under unnecessary pressure. Please ensure that your balances are paid off frequently and please remember to check if you are eligible for free school meals. Details of how to do this can be found on page 8 of the newsletter.

All Classes

Can we please remind all parents that children are not to bring smart phones to school.

If your child is late to school for any reason and require a school lunch, this must be emailed or called through to the school office before 9.30am

We are a NUT FREE school

As we have several pupils with severe nut allergies, please do not send your child in with ANY nuts, or products containing nuts. **This does include sesame seeds.**

Please clearly label all cardigans, jumpers, PE kit, hoodies and coats.

FREE SCHOOL MEALS

IMPORTANT
CHANGES

You should still apply if your child is aged 4-7 and receives a Universal Free School Meal

There have been changes to Free School Meal Entitlements

Due to the update to the national free school meals rules set by the Department for Education, some children may no longer be entitled to Free School Meals. This is because the eligibility is now based on a household's **CURRENT** circumstances.

However, under the new arrangements, eligibility is also assessed on whether you are receiving **Universal Credit**.

We would ask everyone who is receiving **Universal Credit** and/or has an annual household income of £7,400 or less to apply now for Free School Meals. This applies to ALL year groups, even if your child is in Reception to Year 2 and receives Universal Free School Meals.

It is very easy to apply, just follow this link:

warwickshire.gov.uk/education-learning/apply-free-school-meals

If you already have one child at school in receipt of Free School Meals, you will need to apply for each subsequent sibling that joins the school. It does not automatically carry over to them.

APPLY TODAY!

Don't miss out on support you may be entitled to.

Reception Reading & Phonics Meeting for Parents & Carers

Wednesday

14th October 2026

at 5.00pm

This meeting is for parents and carers of Holly and Ivy classes and will provide you with an opportunity to find out more about how we teach your child to read at Whitnash Primary School.

We will introduce you to Read Write Inc., our phonics programme, and explain how we use this approach to develop children's early reading and spelling skills.

We will also introduce and demonstrate Boom Reader, our online reading diary, and show you how you can use it to record and support your child's reading at home.

As this is an information session for adults, we kindly ask that, where possible, children do not attend.

The meeting will last approximately 30–40 minutes.

We very much look forward to seeing you and working together to support your child as they begin their exciting journey into reading.

Friends of Whitnash PTA News

Can you believe we've already been at school for over three weeks? It has flown by so quickly! We hope everyone has settled back into the school routine and that the children are enjoying being back.

On Monday **28th September at 3.30pm**, we will be holding an Extraordinary General Meeting (EGM) for the PTA. The purpose of the meeting is to vote in new committee members for the roles of Chairperson, Treasurer and Fundraising/Grants Lead.

Did you know that every parent and carer at our school is automatically a member of the PTA? You don't need to have been involved before, and we would love to see some new faces!

Mrs Ellison and all the teachers work so hard to give our children the best possible start, so come along, share your ideas and help us raise funds to support them and the school. Every little bit of help makes a difference, and together we can make a real difference to our children's school experience. 🍷

The EGM will take place at school, and activities will be provided for the children, so please feel free to bring them along.

We'd love to see you there! 😊

FUEL YOUR... LITTLE HEROES!

Dear parent/guardian,

As you may be aware your child's school has a milk scheme, administered by Cool Milk. Mid-morning milk provides a much-needed nutritional boost and keeps children hydrated between breakfast and lunch. Children receive free milk until the age of 5. After that, they can continue to reap the benefits of fresh mid-morning milk at a subsidised* cost.

If you'd like to opt in and have not already done so, simply register your child at www.coolmilk.com/parents. Your child(ren) will continue to receive free milk whilst under the age of 5 and Cool Milk will get in touch with further information by email shortly before their 5th birthday.

For children who are already over 5, it's not too late – our scheme is flexible! As well as being able to register and make payment straight away, you can join and cancel the scheme at any time. We offer yearly, termly and half termly payment periods and a recurring payment option to give you one less thing to remember.

If you already have an online Cool Milk account for a sibling, you can manage your account, make payment and add extra children by logging in at www.coolmilk.com/parents.

Should you have any questions or need any help, send us a message at www.coolmilk.com/contact or give us a call on the number listed below – we're here to help!

Kind regards,

Cool Milk
