Dear Parents and Carers

Parents' Evening - Change of Dates

We would like to apologise for the inconvenience caused by our online booking system, which unfortunately has not been working as it should and has prevented parents from booking their Parents' Evening appointments.

IMPORTANT

In an increasingly digital world, we rely heavily on technology to make things easier and more efficient, but unfortunately, it is frustrating when technology lets us down! As the system continues to cause difficulties, we have taken the decision to postpone Parents' Evening by one week.

This means that appointments will now take place on **Tuesday 17th November** or **Thursday 19th November**. Please be assured that we are working hard to resolve the booking issues, one way or another, and will ensure that a reliable system is in place to allow you to book your appointments in advance. Thank you for your patience, understanding and continued support, and please accept our apologies again for the inconvenience.

A Magical Theatre Experience - Beauty & The Beast

On Wednesday, children in Reception, Year 1 and Year 2 were treated to a fantastic live theatre performance of Beauty and the Beast, delivered by the wonderful drama company, M&M Productions. Our school hall was transformed into a magical theatre set, providing a wonderful backdrop for this enchanting show.

The children thoroughly enjoyed the opportunity to experience live theatre, immersing themselves in the story, characters and magic of this much-loved tale. It was a really special experience and a lovely opportunity to bring the magic of theatre into school! Thank you to Miss Simmons for organising this event and to M&M Productions for their high-quality production.

New School Entrance

We are absolutely delighted that the work to improve our school entrance has now been completed, and we hope you agree that it looks fantastic! At last, we have a much more clearly defined and welcoming front entrance, giving our school the entrance it deserves.

The next stage will be to install some new signage to complete the transformation and really finish it off. This is just the beginning of our plans to continue improving the appearance of our school from the outside and invest in the longevity of the school. Alongside these developments, we remain equally committed to enhancing our internal learning environments and continually improving the quality of teaching and learning. Our ambition is to ensure that every aspect of our school reflects the high standards we strive for and, most importantly, that we continue to provide the very best possible experiences and opportunities for all our children.

Developing Our OPAL Playtimes

We are currently trialling a new model for lunchtime play as we continue to explore and develop the best OPAL (Outdoor Play and Learning) approach for our school. We are creating three distinct play zones across our school site, each offering a variety of different play opportunities, including active, creative, adventurous and quieter spaces. Children will rotate around these zones to ensure they experience plenty of variety, maintain interest and have opportunities to explore different types of play.

As parents will already know, we are ambitious about improving playtimes because we recognise the important role they have in children's overall school experience, wellbeing and social development. We have added the 'right to play' to our other school rights and promoting this with our children. In a world where children's opportunities for free play are arguably more restricted than in previous generations, with increasing screen time and fewer opportunities for independent outdoor play, we believe it is more important than ever to actively teach children the value of safe but adventurous play.

Through OPAL, we want to encourage children to take appropriate risks, use their imagination, develop resilience, negotiate, collaborate and build positive social relationships. Ultimately, we want our lunchtimes to be happy, active and engaging experiences that children look forward to and that make a real contribution to their development.

We understand that as we explore and experiment to find the best model for our school, that children will express their views and opinions about this and prefer some approaches and aspects to others. Rest assured we are listening and taking account of the feedback when developing and planning the best way forward.

Bonfire Night and Diwalli Safety

With many families potentially planning to attend bonfire and firework events this weekend, or celebrating Diwali with fireworks featuring in their celebrations, we would like to remind children of the importance of keeping themselves safe.

Please take a moment to talk to your children about staying a safe distance from bonfires and fireworks, following instructions from event organisers, never touching discarded fireworks and always staying close to a responsible adult. We want everyone to enjoy the excitement of these events while remembering that safety must always come first. For those families who have something special planned, we hope you have a wonderful time, make some lovely memories and, above all, stay safe!

Wishing you all a wonderful weekend.
Mrs Donna Ellison - Headteacher

Attendance

Well Done Hawthorn

We want to remind parents and carers of the importance of getting children to school on time, so that they do not miss their learning.

We would also like to remind parents and carers that you need to call the absence line each morning that your child is absent, before 9am with their symptoms or reason for absence. You can also email admin2324@welearn365.com

Thank you for your co-operation.

Miss Emma Lindon
Attendance Champion

Children MUST be in the school building before 9.00am for registration. Doors will be closed at this time and if children have missed this, they will need to be brought to the office by parents/carers to ensure that we have them marked as present in school and to make sure they have their lunches ordered. If this does not happen, it runs the risk of the office not knowing children are in class and they will not be ordered a lunch.

LATE CHILDREN MUST BE ACCOMPANIED BY THEIR PARENT/CARER SO THEY CAN SIGN THEM IN AND NOT LEFT TO ENTER ON THEIR OWN.

Mrs Miller Says ...

Christmas Dinner - Return Slips

Please return your Christmas dinner slips by **Friday 4th December**. After this time, anyone who hasn't ordered must bring a packed lunch from home.

Don't forget to put your child's name and class.

Parent Pay

Please help our school by keeping Parent Pay balances down to an absolute minimum. We currently have a number of high unpaid balances.

If your child is late to school for any reason and require a school lunch, this must be emailed or called through to the school office before 9.30am

NO FIDGET TOYS IN SCHOOL

Please remember - Fidget toys and squishies are NOT allowed in school, unless agreed with Mrs Ellison.

All children must have a named coat and water bottle in school every day.

We are a NUT FREE school

As we have several pupils with severe nut allergies, please do not send your child in with ANY nuts, or products containing nuts. **This does include sesame seeds.**

Please clearly label all cardigans, jumpers, PE kit, hoodies and coats.

Forces at Work

Science Photography Competition

Each year we love to offer a science competition which promotes 'super scientist' learning and discussion at home with families. This year we are inviting you to join in our 'Forces at Work' photography competition. Simply get the family exploring forces all around us and take a photo. Remember a force is a push or a pull that makes things move, stop or change shape. For example, it could be kicking a football, kneading some dough, ice skating or playing with magnets.

How to enter:

- Upload your photo to the Whitnash Primary School section of this competition Padlet **https://padlet.com/cattoj/forces-at-work-s024j6epsp7wlz0jo6oj** or scan this QR code:
- Add your child's first name only and class.
- Then in one sentence explain how it shows your child exploring forces at work.
- Closing date: **Monday 23rd November 2026.**

Rewards:

The competition is being run with other local schools in our Science Partnership and there will be prizes for each school as well as a certificate for every child who enters.

All entries on this Padlet are visible to all participating schools, and entering implies your consent to share them. If you prefer to keep your child anonymous, simply submit a photo of the activity without including their face.

OPAL
Outdoor Play & Learning
Donations Drive

Donations Drive Wet Weather Resources Starts 22nd October 2026

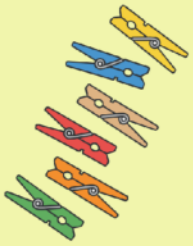

As part of our exciting OPAL (Outdoor Play and Learning) launch, we are continuing to enhance our playground with a range of resources that will inspire creativity, imagination, problem-solving and active play. OPAL encourages children to make the most of their playtimes through open-ended experiences. While we plan to invest in our grounds and resources, many everyday items can also become additional, valuable play resources.

So that we can get ready for the start of the autumn and winter months. This 'Donations Drive' will be focused on enhancing our wet weather resources. Things that can still be used when it is wet outside and not get damaged.

The collection drive will begin Thursday 22nd October 2026.

The items wanted in this 'drive' are on the next page.

Please get in touch if you know anyone who handy and is willing to give up time to help build sheds, plant up planters and mud kitchens. Or if any businesses/builders/tree surgeons that could get us tree rounds, cable reels, pallets etc or willing to donate any resources we could use.

Your support will help us create a richer, more engaging outdoor environment where all children can thrive, explore and enjoy their playtimes even more.

We do ask families to ensure that items are in good, clean, safe condition to facilitate safe play on the playground.

Donated items must be taken to the child's classroom.
Donated items cannot be received at the office.

OPAL

Outdoor Play & Learning

Donations Drive

Donations Drive Wet Weather Resources
Starts 22nd October 2026

Fancy Dress Zone

- Plastic Hats e.g fire fighters, police helmets, builders hats, bike helmets
- Sunglasses, Goggles, Snorkels, Ski goggles ~ non-prescription/no glass lenses

- Tyres and wheels
- Wooden planks

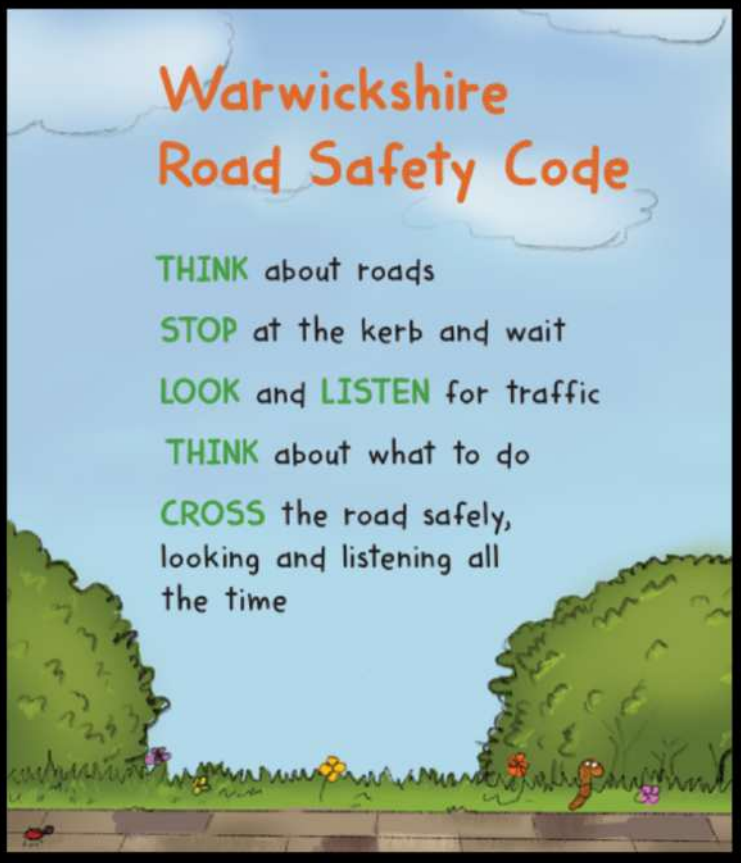

We do ask families to ensure that items are in good, clean, safe condition to facilitate safe play on the playground.
Donated items must be taken to the child's classroom.
Donated items cannot be received at the office.

Be Bright Be Seen

This week has been Road Safety Week at Whitnash!

Each year group has been learning about different aspects of road safety, including ignoring distractions (e.g. mobile phones and headphones) when crossing the road, wearing helmets when cycling and scooting and choosing the safest places to cross the road.

On Thursday, Miss Brown and the Junior Road Safety team (Billy, Bowie, Cara and Charlotte) led an assembly to teach the whole school about the Warwickshire Road Safety Code.

As part of Road Safety Week we are launching a 'Be Bright, Be Seen' design a hoodie competition. Paper copies are available from the office and an email has been sent to parents today explaining this and providing a copy of the competition entry form. The closing date is Friday 13th November 2026. The best design in each class (as voted by the Junior Road Safety team) will win a small prize. Good luck!

PE Days

Here are the days allocated to each class for PE. Please keep checking this list, as it can change, however, you will be notified via the class teacher if this happens.
Please ensure that children wear the correct PE kit, suitable for both indoor and outdoor lessons and playtimes.

White T-shirt with navy/black shorts. Navy/black tracksuit or joggers and sweatshirt/hoodie.

All PE kit should be plain or has the school badge on it. Brand logos are permitted but must be small. Other colours and football shirts may not to be worn.

Please ensure that the correct swimming kit is brought into school on your child's allocated swimming day.

Don't forget to put your child's name in their PE kit.

Class	PE Day
Holly & Ivy	Wednesday
Hazel	Tuesday & Wednesday
Hawthorn	Wednesday & Friday
Pine	Monday & Friday
Cedar	
Maple	Monday & Wednesday
Sycamore	Thursday

"ALL PROCEEDS GO TO CHILDREN IN NEED"

HAVE FUN & MAKE A DIFFERENCE!

FUEL YOUR... LITTLE HEROES!

Dear parent/guardian,

As you may be aware your child's school has a milk scheme, administered by Cool Milk. Mid-morning milk provides a much-needed nutritional boost and keeps children hydrated between breakfast and lunch. Children receive free milk until the age of 5. After that, they can continue to reap the benefits of fresh mid-morning milk at a subsidised* cost.

If you'd like to opt in and have not already done so, simply register your child at www.coolmilk.com/parents. Your child(ren) will continue to receive free milk whilst under the age of 5 and Cool Milk will get in touch with further information by email shortly before their 5th birthday.

For children who are already over 5, it's not too late – our scheme is flexible! As well as being able to register and make payment straight away, you can join and cancel the scheme at any time. We offer yearly, termly and half termly payment periods and a recurring payment option to give you one less thing to remember.

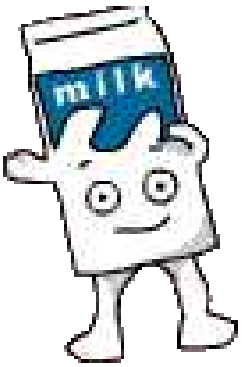

If you already have an online Cool Milk account for a sibling, you can manage your account, make payment and add extra children by logging in at www.coolmilk.com/parents.

Should you have any questions or need any help, send us a message at www.coolmilk.com/contact or give us a call on the number listed below – we're here to help!

Kind regards,

Cool Milk

NHS
Coventry and Warwickshire Talking Therapies

NHS Talking Therapies

Living well with Long-term Physical Health Conditions

Talking Therapies offers support to patients who have been recently diagnosed or living with a physical health condition.

- Are you worried about your health?
- Does your health get you down?
- Do you feel embarrassed or frustrated by your health condition?
- Do you feel your health holds you back in life?

If yes, all of these are normal responses that can be difficult to manage, but Talking Therapies can help. We work with conditions that include, but are not limited to:

Diabetes, Respiratory conditions, Cardiac problems and Chronic pain

Register with us today for an initial appointment online, by phone or by speaking with your GP. Talking Therapies works with people aged 16-plus, who are registered with a GP, across the Coventry and Warwickshire area.

for anxiety and depression

Telephone: 024 7667 1090
Lines are open from 9:00am to 4:30pm Monday to Friday

HOLIDAY ACTIVITIES AND FOOD

HAF

Any young person aged 4 - 16 years old (in full-time education) who receives benefits-related free school meals can request a HAF code

CHILD FRIENDLY WARWICKSHIRE

Warwickshire County Council

The programme offers free support to families on lower incomes, giving eligible young people access to enriching activities and healthy meals during the main school holidays.

You can attend up to 4 sessions during Christmas and Easter and up to 16 sessions over Summer

The activities available include sports, animal care, performing arts and so much more!

Contact the Family Information Service for more information.

Call **0800 408 1558** Email **fis@warwickshire.gov.uk**

www.warwickshire.gov.uk/haf

Warwickshire County Council

Department for Education

FREE SCHOOL MEALS

School meals are free for lots of families, check if you are eligible to apply!

So much more than lunch...

A free school meal:

- creates healthy eating habits
- improves learning and behaviour
- saves money and time
- helps schools get extra funding

Did you know that claiming free school meals means that your child may get access to free school holiday activities and food?

HAF

To find out more and for help to apply for free school meals, please contact:
freemeals@warwickshire.gov.uk
or call freephone: **0800 408 1558**

CHILD FRIENDLY WARWICKSHIRE

Warwickshire County Council

Can I apply?

Your child could be eligible for free school meals if you get any of the following:

- Universal Credit
- support under Part VI of the Immigration and Asylum Act 1999
- income-related Employment and Support Allowance
- guarantee element of Pension Credit

You should still apply if your child is aged 4-7 and receives a universal free school meal

Some families who have no recourse to public funds are also eligible for free school meals, please see the webpages below for more details.

Depending on the benefits you receive and your level of income, your child may also get access to the Holiday Activities and Food programme and their school could receive extra funding for them. Find out more and apply at:
www.warwickshire.gov.uk/fsm

Warwickshire County Council

Lunch Menu - 09November 2026

LUNCH

WEEK ONE

MONDAY
