If at any time your child no longer wants to participate in the club, **please contact the office as soon as possible** so we can offer the place to a child on the waiting list.

Please note that the procedure for booking clubs has changed. (Please also see page 2)

1. Log in to your ParentPay account and select the child for whom you want to make a booking.
2. Once the child's page has displayed, click the 'Clubs' option from the left-hand menu. Clubs are open to specific year groups; parents will only see clubs relevant to their child's class. Clubs will go live during the day on Friday 12th December.
3. To book a club, click the 'View club' button under the club heading.
4. All clubs are block-booked and paid for on a termly basis. The amount shown is the total cost of all the sessions for that term. The session dates are pre-defined. To book the club simply click the 'Book all sessions' button at the bottom of the screen.
5. Click 'Confirm' to proceed to the payment page. **There is a 15-minute window for payment to be made to secure your child's place on the club.**

As we are now at our maximum school capacity of 420 pupils, to make it fair and to allow all pupils the opportunity of securing a club place, **only one club can be booked per pupil**. The booking system will be monitored and if a child has more than one club booked, all clubs under the child's name will be cancelled and a refund given and parents will need to start the process again.

Refunds cannot be given if your child is unwell or doesn't attend the club, but if the school needs to cancel for whatever reason, refunds will be given. This is due to the fact we have entered into a contract with the club providers who have already been paid.

Yours sincerely

DEllison

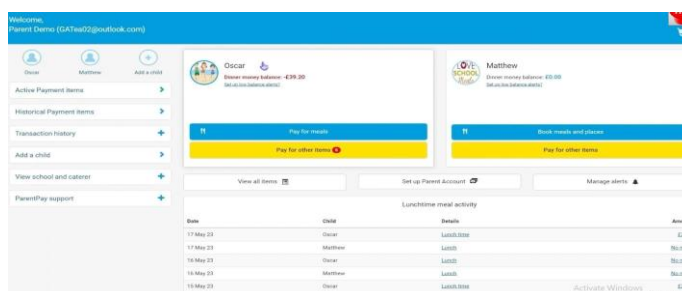

Mrs D Ellison

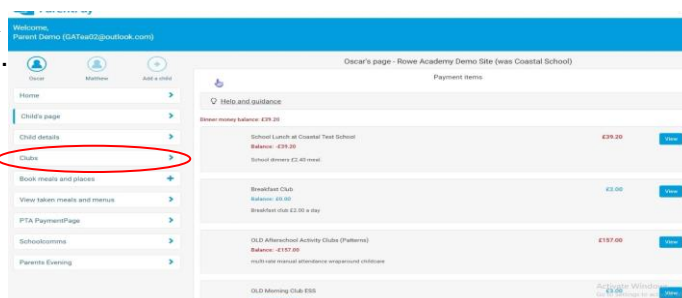

Please note that the names of pupils and clubs are for demonstration purposes only.
