**Wider Home Learning Activities**

These activities help children to apply and extend the skills they learn across the curriculum.

Writing tasks (English/History/Geography Links)	STEM Tasks (Maths/Science/DT Links)	Social & Creative tasks (Art, Music, RE, PSHE, PE links)
English - Write a letter to Year 2 pretending you are on board the Titanic having a lovely time. Tell them all the things you have done.	Maths - Make a poster to help you remember one of these times tables 2x, 5x, 3x or 10x	Art - The Titanic was a passenger liner. Draw a picture of <b>different</b> type of boat, like a yacht, sail boat or house boat. See if you can use your pencil to shade the details. 
Geography - Draw a map of your garden or the local park. Include what you would see there. Can you describe where things are using North, South, East and West?	Science - Draw a life cycle of for an animal of your choice. 	Art/Maths - Using a vegetable (like a potato) make at least 2 different 'stamps'. Using paint, dip them in and make a repeating pattern. -+ -+ -+ -+ -+ -+
Geography - The Titanic sailed from Southampton to New York. Can you find these in an atlas and draw map the route? What ocean did it cross?	Science - Use a computer program to make a poster about animals and what their babies are called. 	P.E/ Science - Plan an exercise regime for yourself that gets your heart beating. Use 10, 9, 8 etc. For example: <ul style="list-style-type: none"> <li>• 10 star jumps</li> <li>• 9 touch your toes</li> <li>• 8 knee raises</li> <li>• 7 bunny hops etc</li> </ul> Write the plan in your book
