Wider Home Learning Activities

These activities help children to apply and extend the skills they learn across the curriculum.

Writing tasks (English/History/Geography Links)	STEM Tasks (Maths/Science/DT Links)	Social & Creative tasks (Art, Music, RE, PSHE, PE links)
English - Write a postcard to Year 2 pretending you are on board the Titanic having a lovely time. Tell them what you see, hear, touch, taste and smell on board.	Maths - A zoo has 4 tigers and 3 lions and 4 pumas.  How many big cats are there all together? Draw a picture to help you	Art - The Titanic was a passenger liner. Draw a picture of different type of boat, like a yacht, sail boat or house boat. See if you can use your pencil to shade the details. 
Geography - The Titanic sailed from Southampton to New York. Can you find out what ocean did it cross?	Science - Choose an animal and write a list of all the things it needs to survive.	Art/Maths - Using a vegetable (like a potato) make at least 2 different 'stamps'. Using paint, dip them in and make a repeating pattern. 
Geography - Draw a map of your garden or the local park. Include what you would see there. Label North, South, East and West.	Science - Use a computer program to make a poster about animals and what their babies are called. 	P.E/ Science - Plan an exercise regime for yourself that gets your heart beating. Use 10, 9, 8 etc. For example: <ul style="list-style-type: none"> • 10 star jumps • 9 touch your toes • 8 knee raises • 7 bunny hops etc Write the plan in your book
